The program was concluded by Vote of thanks.

INSA Teachers Award 2018 to Prof. Javed Ali of Jamia Hamdard, New Delhi

INSA President Conferring the INSA Teachers Award 2018 to Prof. Javed Ali

Prof. Javed Ali of Department of Pharmaceutics, School of Pharmaceutical Education and Research, Jamia Hamdard, New Delhi received INSA Teachers Award on Dec. 28, 2018 at Physical Research Laboratory Ahmedabad in INSA AGM Award ceremony. The award carries a scroll, a cash award of Rs. 50,000/- and a book grant of Rs. 20,000/-. The INSA Teachers Award was instituted in 2012 to recognize and value excellence, consistency and high level teaching in Indian Colleges, Universities and Institutions. The award is made annually to recognize and honour teachers for providing guidance, inspiration and mentoring students to take up careers in Science and Technology. Prof. Ali has a total experience of 22 years in teaching and research. He has been bestowed with several honours, a few of them worth mentioning are: The 1994 Indian Pharmaceutical Association Medal, 2003 Career award for young Teachers by All India Council of Technical Education, 2004 Young Pharmacy Teacher by Association of Pharmacy Teachers of India, 2005 BOYSCAST Fellowship of Department of Science and Technology, 2007 American Association of Indian Pharmaceutical Scientists (AAIPS) –IPA Distinguished Educator and Researcher Award at San Diego, USA. 2014 Research Award by UGC for his outstanding teaching methodology and research outputs. Prof. Ali has received many research grants. He is supervising scientific research of the post-graduation and the doctoral level. He has guided/under guidance about 67 theses of M. Pharm. and 41 theses of Ph. D. He has written several textbooks and has contributed several chapters in books on Controlled and Novel Drug Delivery Systems of Indian and International Publisher.

He has a list of more than 290 manuscripts in journals of repute and five Indian Patent granted/applied. He has H- index of 49, i10 of 159 and more than 10500 citations to his credit as per Google Scholar. He is also in-charge of IP Management cell of Jamia Hamdard. He has also worked as paper coordinator of UGC e-pathshala project for two papers of Pharmaceutical Sciences. He is a member/Life member of 20 Indian and international scientific organizations including IPA, IHPA, IPGA, APTI etc.

Pharmacy Council of India Sponsored CONTINUING EDUCATION PROGRAMME at School of Pharmaceutical Education and Research, Jamia Hamdard, New Delhi

School of Pharmaceutical Education and Research (SPER), Jamia Hamdard (JH) organized Continuing Education Programme {CEP} on the theme “Modern Perspectives of Pharmaceutical Education, Teaching and Research in the Current Digital Era” from 14th March to 16th March 2019, sponsored by Pharmacy Council of India (PCI). The inaugural program was held on 14th March 2019 which was graced by the august presence of the Chief Guest Dr. Gyanendra Nath Singh, Secretary-cum-Scientific Director, Indian Pharmacopoeia Commission, Ministry of Health and Human Welfare, Government of India, Prof. (Dr.) Ahmed Kamal, Pro-Vice Chancellor, JH and Prof. (Dr.) Nadeem Siddiqui, Dean, SPER, JH. Coordinators of the program were Prof. Javed Ali and Prof. Sanjula Baboota. Thirty delegates from various academic institutions of North India attended the CEP. Dr. Gyanendra Nath Singh encouraged the gathering in his address to deal with the current scenario and compared the Indian and Global features of learning and teaching. He emphasized that the teachers should be the role models for the students and they should regularly attend such programmes to update their knowledge.

Left to Right Mr. S. L. Nasa, Dr. Gyanendra Nath Singh, Prof. (Dr.) Ahmed Kamal, Prof. (Dr.) Nadeem Siddiqui, Prof. Javed Ali and Prof. Sanjula Baboota along with Participants.

Eminent and distinguished speakers from various organizations were invited for the three days program namely Mr. S. L. Nasa (Delhi Pharmacy Council, New Delhi), Dr. Raj K. Shirumalla (Himoshi Organics, Haryana), Prof. (Dr.) Shridhar Dwivedi (National Heart

Institute, New Delhi), Dr. Shavej Ahmad (Sun Pharmaceuticals India. Ltd., Gurugram), Prof. (Dr.) Arun Garg (K.R. Mangalam University, Gurugram), Dr. K. Bangarurajan (Central Drugs Standard Control Organisation, New Delhi), Prof. (Dr.) Avijit Majumdar (NEIT, Greater Noida), Prof. Hema Chaudhary (Dean, Faculty of Pharmacy, PDM University, Bahadurgarh), Dr. Alka Gupta (Ozone Pharmaceuticals Ltd., New Delhi), Dr. Arshad Khuroo, (Sun Pharmaceuticals India. Ltd., Gurugram), Dr. Jasjeet Kaur Narang (Khalsa College of Pharmacy, Amritsar), Prof. Syed Misbahul Hasan (Dean, Faculty of Pharmacy, Integral University, Lucknow), Dr. Shweta Dang, (Jaypee Institute of Information Technology, Noida), Prof. Monika Sachdeva (Raj Kumar Goel Institute of Technology- Pharmacy), Ghaziabad) and Dr. A.K. Tiwari (Central Animal House Facility, JH, New Delhi). Besides the technical sessions. The visits to the state of art facilities at Bioactive and Herbal Laboratory, JH and Neuropharmacology Research Laboratory, JH were also organized for the participants. The participants also interacted among themselves and shared their experiences of teaching and Research. The feedback from all the participants were also taken during the interactive session.

Valedictory function was held on 17th March 2019 and was adorned by the presence of Prof. (Dr.) D. P. Pathak, Director, DIPSAR, New Delhi, Prof. (Dr.) Raman Dang, Registrar, DPSRU, New Delhi, Prof. Nadeem Siddiqui, Dean, SPER, JH and Prof. S. H. Ansari, Ex-Dean, SPER, JH. The dignitaries addressed the participants and emphasized on the role of advancement of knowledge in the current digital era. The certificates of participation were distributed. The programme was concluded by Vote of Thanks given by Prof. Sanjula Baboota and Prof. Javed Ali followed by National Anthem.

Left to Right Prof. (Dr.) Nadeem Siddiqui, Prof. (Dr.) D. P. Pathak, Prof. (Dr.) Raman Dang, Prof. S. H. Ansari, Prof. Javed Ali and Prof. Sanjula Baboota along with Participants.

Hamdard Nagar
New Delhi-110062

ABOUT JAMIA HAMDARD

The history of Jamia Hamdard began with the establishment of a small Unani clinic in the year 1906 by Late Hakeem Hafiz Abdul Majeed, the Father of our founder Chancellor Late Hakeem Abdul Hameed, a practitioner with the vision of making the practice of Unani medicine a scientific discipline. He gave the name "Hamdard" which means "sympathy for all and sharing of pain". In 1972, Hamdard College of Pharmacy was set up with the objective of providing education and training in all branches of Pharmacy and now it is known as School of Pharmaceutical Education and Research (SPER). Jamia Hamdard was given the Deemed to be University status by Ministry of Human Resource Development on 10th May, 1989. Currently, Jamia Hamdard is engaged in imparting high quality teaching and research in the disciplines of Pharmacy, Science, Medicine, Nursing, Management, Information Technology, Allied Health Sciences, Islamic studies etc. In recognition of its excellent and academic achievements, Jamia Hamdard has been reaccredited with 'A' Grade by National Accreditation and Assessment Council (NAAC). The empowered expert committee (EEC) appointed by Government of India has recommended Jamia Hamdard as "Institute of Eminence".

ABOUT SCHOOL OF PHARMACEUTICAL EDUCATION AND RESEARCH (SPER)

Hamdard College of Pharmacy with diploma course was established in 1972, which was affiliated to Delhi Board of Technical Education. In 1973, B. Pharm. course was started under Delhi University. School of Pharmaceutical Education and Research (Formerly Faculty of Pharmacy) has been committed towards promoting High Quality Teaching & Multidisciplinary Research. School offers PCI, AICTE and UGC approved Diploma and Bachelors (Regular and Self-Financing) courses in Pharmacy, Masters in different discipline and PhD in all the major disciplines of Pharmaceutical Sciences. The School encourages quality research programmes through collaboration with Industries and Government Research Laboratories. The School has also made several research based contributions in the field of pharmacy and has been ranked 1st in 2017 and 2nd in 2018 amongst all the Pharmacy institutes in India by NIRF, MHRD, Govt. of India.

ABOUT PCI

The Pharmacy Education and Profession in India is regulated by PCI which is a statutory body governed by the provisions of Pharmacy Act 1948. Under the Act, the PCI is empowered to prescribe and ensure uniform standards of education in the country; approve the course of study and examination and maintain central register of Pharmacists. PCI, in recent years have undertaken various steps to improve the standards of Pharmacy Education by introducing regulations at UG and PG levels; introduction of B.Pharm (Practice) course; implementing uniform scheme and syllabus at UG and PG levels; prescribing minimum qualification for teachers. PCI, now has sponsored Institutes to conduct CEPs for upgradation of knowledge.

ABOUT CEP

The CEP being held at SPER, Jamia Hamdard on "Modern Perspective of Pharmaceutical Education, Teaching and Research in Current Digital Era", will have following outcomes:

- The participating faculty will enhance their existing knowledge and skills by means of focussed and informative talks on varied and new topics by renowned experts in the fields of Academia, Industry and Regulatory bodies.
- The participants will get enriched on the current advantages of digitalization in various facets of health care scenario.
- The participants will also get awareness about the high levels of modernization and sophistication available in today's market, through visits to various laboratories.
- The participants after enhanced skills & knowledge, are expected to act as catalyst in transforming the minds of colleagues and students at their parent Institutes.

TOPICS TO BE COVERED

- Role of digitalization in teaching and learning.
- Strategies for the effective implementation of revised Pharmacy curriculum.
- Formulation and Development of Novel Drug delivery systems
- Regulatory aspects in Pharmaceuticals, Neutraceuticals and Herbal products
- Pharmacovigilance
- Intellectual Property Rights, Patents and Publications

| 3:20 to 3:30 | Address by Chief Guest - Sh. Kuldeep Singh, Registrar, Delhi Pharmacy Council |
| 3:30 to 3:35 | Vote of Thanks by Dr. Mohammed Ahmed Khan |

60th National Pharmacy Week 2021

November 21-27

SPER-Jamia Hamdard

National Technical Teachers' Award 2022 to Professor Javed Ali

Professor Javed Ali at Department of Pharmaceutics, School of Pharmaceutical Education and Research, Jamia Hamdard, New Delhi has been awarded the National Technical Teachers' Award 2022. The award is to identify the extraordinary teachers and recognize the excellence, best practices, and innovations of such teachers in the field of technical education at national level. This Award aims to encourage them to update themselves to the ever-changing needs of higher education at the global level thereby becoming an effective contributor to society. He received the award from Hon'ble Ministers of State Education, Mrs. Annpurna Devi, Dr. Subhas Sarkar and Dr. Rajkumar Ranjan Singh in the presence of Secretary, Ministry of Education Smt. Anita Karwal and UGC & AICTE Chairman, Prof. M. Jagadesh Kumar.

One Day Workshop

on

IPR Issues and Patenting of Herbal Drugs

Date: 22nd November, 2022

Time: 10:30 onwards

ORGANIZED BY

Centre of Excellence (CoE) in Unani Medicine

(Pharmacognosy & Pharmacology)
Bioactive Natural Product Laboratory,
School of Pharmaceutical Education and Research
Jamia Hamdard, New Delhi

Speakers:

- Patent Attorneys
- Academicians
- Industry Experts

- ✦ *Registration free*
- ✦ *Total number of slots 50 (first come first basis)*
- ✦ *Certificates will be provided to all participants*
- ✦ *Only for Jamia Hamdard students*

IPR Workshop 2022

Report

One-day workshop was organized on 22 November 2022, by Centre of excellence in Unani medicine (Pharmacognosy and pharmacology) on IPR issues and patenting of herbal drugs at SPER, Jamia Hamdard New Delhi.

The workshop was chaired by the respected Dean SPER, Prof Vidhu Aeri & Prof Farhan J. Ahmad, Department of Pharmaceutics, SPER, JH. Prof Sayeed Ahmad welcomed Prof Vidhu Aeri & Prof Farhan J. Ahmad with a planter. Welcome address was performed by Prof Vidhu Aeri and Prof Farhan J. Ahmad in person. Eminent speakers of the session Dr. Vishal Tripathi and Mr. Lalit Ambastha, were introduced by Prof Sayeed Ahmad. Both were welcomed with a planter by the chairs.

Dr. Vishal Tripathi spoke regarding grant of Indian patent and Mr. Ambastha spoke on journey of patent innovation.

Vote of thanks was given by Organizing Secretary, Dr Rabea Parveen, Department of Pharmaceutics.

More than hundred and twenty-five students participated for the workshop.

Workshop on Nano Particle Characterisation by Dynamic Light Scattering

A workshop was organized on 23rd September 2022 | 09:30 – 13:30 Hours (IST + 5:30 Hours) HAH Auditorium, Jamia Hamdard, New Delhi by UGC SAP, Department of Pharmaceutics, School of Pharmaceutical Education & Research, Jamia Hamdard University in collaboration with Anton Paar India.

The Speaker: Dr. Richard Barna is an Application Specialist from Austria for particle analysis and surface charge at Anton Paar GmbH, and is responsible for conducting training, and seminars and providing customized solutions in academia as well as industries. He studied Chemical Engineering at the Technical University of Budapest, Hungary, and earned an M.Sc in Material Sciences at the Technical University of Vienna, Austria before joining Anton Paar.

Prof. Farhan J. Ahmad gave the introductory address followed by a lecture by Dr. Richard Barna, and Q&A session. Vote thanks was given by Dr Mohammad Shamim.

The workshop was a great success and attended by more than 100 scholars, In the workshop, the students learned about the basics of these light scattering approaches along with data interpretation, validity of methods and their use in different industrial applications.

ONE-DAY SEMINAR ON CANCER THERAPEUTICS AND DRUG DELIVERY

Department of Pharmaceutics, School of Pharmaceutical Education & Research (SPER), Jamia Hamdard, New Delhi organized a one-day seminar on Cancer Therapeutics and Drug Delivery under UGC SAP DRS-II scheme on 15th December 2022. The program started with Tilawat-e-Quran followed by welcome address by Prof. Farhan J Ahmad, coordinator UGC SAP. The scientific session begins with a talk by Dr. Amulya K. Panda, Associate Director at panacea.biotec , on “Cancer Immunotherapy using Nanotechnology”. He enriched the audience with wide spectrum knowledge on application of nanotechnology to cancer therapeutics and various avenues for successful treatment of cancer.

The next key note speaker was Dr. Asif Siddiqui, Oncology Medical Director, Novartis Pharma AG, Basel, Switzerland spoke about “Challenges and Opportunities in Oncology drug development” He enthralled the audience with his structured presentation and knowledge about various success stories in cancer treatment.

In the end Dr. Sudeshna kar, AP & Team Lead Scientist, Deptt. of Mol. Med. SIST, Jamia Hamdard delivered a talk on "Role of commensal, non-pathogenic E.coli in induction of cancer stem cell population."

Prof. Javed Ali, attended the Leadership & Management Training under UKIERI-AICTE Technical Workshop, 2021-22

- Prof. Javed Ali, attended the Leadership & Management Training under UKIERI-AICTE Technical Workshop, 2021-22. A change Management Project on Skills through efficient Practice School (STEPS) has also been submitted for implementation.

L-R in Photo Advisor Dr. R. K. Soni, AICTE, Prof. Javed Ali, Prof. Anil D. Sahasrabudhe Chairman, AICTE and Prof. Rajive Kumar Member Secretary, AICTE.

TWO DAY INTERNATIONAL CONFERENCE ON NANOTECHNOLOGY AND DRUG DELIVERY (ICNDD-23)

February 9-10, 2023: A two day International Conference on Nanotechnology and Drug Delivery (ICNDD-23) was held at Jamia Hamdard, New Delhi.

This conference was organized by the Department of Pharmaceutics, School of Pharmaceutical Education and Research (SPER), Jamia Hamdard, New Delhi- India under UGC SAP. The purpose of this summit was to bring scientists, technologists, and industrialists on one platform to have intensive discussion about the Nanotechnology, Drug Delivery, cancer targeting.

The conference was inaugurated by Dr Manish Diwan Head – Strategic Partnership & Entrepreneurship Development, Head – Startup India & Make In India for Biotech sector at BIRAC along with Prof. M Afshar Alam, VC Jamia Hamdard, Prof Farhan J Ahmad and Prof. M Aqil, Department of Pharmaceutics, School of Pharmaceutical Education and Research (SPER), Jamia Hamdard

The conference was a great success attended by more than 200 delegates. The scientific program was comprising of six sessions of oral invited Talks and two sessions of Poster presentations. A total of 20 talks were delivered by eminent speakers from academia and industry and 127 posters were presented.. International speakers like Prof. Naushad Khan Ghilzai, Associate Dean for Academic Affairs and Interim Assistant Dean Philadelphia College of Osteopathic Medicine (PCOM) School of Pharmacy in Suwanee, Georgia, USA and Dr Mohammed Alshammari, Head Quality Unit, Unizah College of Pharmacy, Qassim University shared their research experiences with the audience.

Speakers from industry include Dr. Rajender Singh, Head Senior VP, Regulatory Affairs, Mankind Pharma, Dr. Rajesh Agarwal, General Manager R&D, Modi-Mundipharma, Dr. Arshad Khurro, Associate VP and Head, CPP (R&D, Gurgaon). Sun Pharma.

The conference was concluded in the valedictory function by Prof. Vidhu Aeri, Dean SPER, Prof. Farhan J Ahmad and Prof. M Aqil from School of Pharmaceutical Education and Research (SPER), Jamia Hamdard. The conference was supported by UGC SAP, IPA DB, Aimil Ltd, Anton Par and HAPDCO.

arewell Program on Superannuation of Mr Mohd Aslam

On May 2, 2023, 12:00 noon, the SPER organized a felicitation program for the Lab Assistant Mr Mohd Aslam on his superannuation, who has been working diligently for the college for the past 42 years. The family members of Mr Mohd Aslam also joined him on this special occasion to celebrate his hard work and dedication.

The felicitation program was held in the SPER auditorium, where Dean, Professor Vidhu Aeri, Former Dean, Professor R K Khar, HOD Pharmaceutics, Professor Javed Ali, Professor Asghar Sir, Professor Farhan, Professor Aqil, and all other teaching and non-teaching staff members were introduced by Dr Rabea Parveen, Department of Pharmaceutics.

The program commenced with welcome speech by Dean Professor Vidhu Aeri. In her speech, she praised Mr Aslam's contribution to the School and how he has been a vital part of the SPER growth and development.

Professor R K Khar, Director, B.S .Anangpuria Educational Institutions, Faridabad and Former Dean, Pharmacy, Jamia Hamdard, also spoke highly of Mr Aslam's hard work and dedication towards his work. He appreciated the quality of work that Mr Aslam delivered and how he always went above and beyond his job description to ensure that everything was taken care of.

HOD Professor Javed Ali, Professor Asghar Sir, along with Mr Qadir from Department of Pharmacology, also shared their personal experiences of working with Mr Aslam. They praised his commitment to the college and how he always put the college's interests above everything else.

After the speeches, Mr. Aslam was honoured with a bouquet and gift items. Then, after all the attendees enjoyed a sumptuous lunch organized by the college management. The event concluded with a group photograph with Mr Aslam and his family members, capturing the special moments of the felicitation program.

The vote of thanks was given by Prof Javed Ali, who thanked all the teaching & non-teaching staff who were present there and others who all were involved in the program for smooth conduction.

In conclusion, the felicitation program was a perfect way to honour and appreciate Mr Aslam's contribution to the college. The program not only recognized his hard work but also motivated other staff members to follow his example. The college management wished Mr Aslam all the best for his future endeavour's and hoped that he would continue to be associated with the college in some way.

Prof. S. K. Singh Memorial Researcher Award

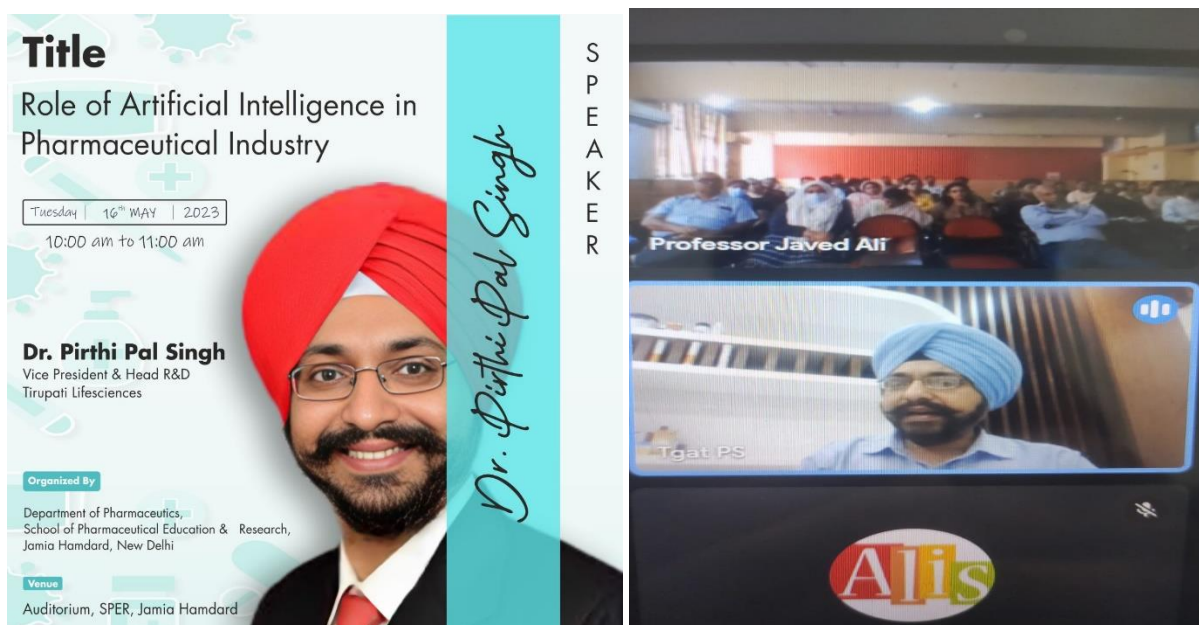

Prof. S. K. Singh Memorial Researcher Award conferred to Prof. Javed Ali by Dr. Rajeev Raghuvanshi, Drug Controller General of India at Constitutional Club of India in the International Conference on "Current Perspectives of Pharmaceuticals in Health Care 9CFPPHC-2023) on 13TH May, 2023

Invited lecture by Dr. Pirthi Pal Singh

Invited lecture by Industry person conducted by Department of Pharmaceutics, School of Pharmaceutical Education & Research, Jamia Hamdard, New Delhi on 16-05-2023, 10 am at SPER Auditorium. The speaker was from Industry and currently holds a position of Vice President & Head Research and development at Tirupati group. The speaker was welcomed by Dr. Rabea parveen and introduced by Prof. Javed Ali (Head, Dept. of Pharmaceutics). He delivered a talk on “Role of Artificial Intelligence in Pharmaceutical Industry” and touched a various aspect of applicability of Artificial Intelligence in Pharmaceutical Industry by numerous case studies. He said that we are living in the era where everything that we do in our day today life, we are directly or indirectly involved with artificial intelligence we just to realise it. In his talk he also mentioned that we have not yet leveraged the full potential of Artificial Intelligence in Pharmaceutical Industry, lot needs to be done.

The session was quite engaging, PhD scholar’s & PG students (approximately 60 people) actively attended the session. Students asked few questions which was happily answered by the speaker given with real life examples.

Distinguished Scientist Fellowship by King Saud University (KSU), Saudi Arabia to Prof. Javed Ali. Grant of US \$ 1,25,000/-

Joint Project being carried out between Jamia Hamdard and King Saud University, Riyadh, Saudi Arabia

Two Exchange visits in a year:

Dr. Eman Aldosari (Saudi Counterpart) from King Saud University visited SPER, Jamia Hamdard from 09th March, 2023 to 10th March, 2023 along with Prof. Javed Ali, and Prof. Vidhu Aeri.

Prof. Javed Ali, Distinguished Scientist Fellow from Jamia Hamdard and Dr. Khaled Al-Rashid Director, DSFP KSU at KSU. Prof. Javed Ali visited KSU from 12 June, 2023 to 14 June, 2023 for research interaction and linkages.

Prof. Javed Ali, also interacted with the Alumni of Jamia Hamdard working in College of Pharmacy and College of Science at KSU. The discussion was on the areas of mutual benefit and more strengthening of Alumni connect to a greater height.
