

Infrastructure

The department has state of the art infrastructure facilities like separate laboratories for undergraduate, post graduate and doctoral research students. There is a dedicated machine room for the students. The equipments available for research in the department are Malvern Zetasizer, High Pressure homogenizers, lyophilizers, Dynao Mill, HPLC, Diffusion Cell Assemblies, Glatt Coater, All-purpose equipment etc. The high end machines have been pooled to the central instrumental facility of the school.

Nomenclature of Laboratories and Lecture Theatres of the Department

| S No | Lab Code | Description | Location |
|------|-----------------------|--|----------------------------|
| 1. | UG Pharmaceutics-1 | Pharmaceutical Microbiology Lab | Second Floor, Old Building |
| 2. | UG Pharmaceutics-2 | Pharmaceutics/ Cosmetics Lab | Third Floor, Old Building |
| 3. | UG Pharmaceutics-3 | Physical Pharmacy Lab | Third Floor, New Building |
| 4. | UG Pharmaceutics-4 | Pharmaceutical Engineering Lab | Ground Floor, New Building |
| 5. | UG Pharmaceutics-5 | Industrial Pharmacy Lab | Ground Floor, New Building |
| 6. | PG Pharmaceutics-1 | Pharmaceutics Lab | Ground Floor, Old Building |
| 7. | PG Pharmaceutics-2 | Quality Assurance Lab | Ground Floor, Old Building |
| 8. | PG Pharmaceutics-3 | Pharmaceutics & Quality Assurance Lab | Ground Floor, Old Building |
| 9. | Research Laboratory | Research work | CARPS Building |
| 10. | PG Pharmaceutics LT-1 | M Pharm Lecture Theatre 1 | Ground Floor, Old Building |
| 11. | PG Pharmaceutics LT-2 | M Pharm Lecture Theatre 2 | First Floor, Old Building |
| 12. | Machine Room | Machine room for D. Pharm., B. Pharm. and M. Pharm. Students | Ground Floor, Old Building |
