## 7.3.1- Institutional Distinctiveness to its vision, priority and thrust

### Nursing Education

The Rufaida College of Nursing was established in 1983 with the motto "Par Excellence in preparing competent Nurse Professionals and to provide quality education and training to student nurses at the undergraduate, post-graduate and doctoral levels so as to prepare them to become competent and compassionate nursing professionals who can match upto the global or international standards". In keeping the mandate of national and state level nursing statutory bodies, and national policy of education (2020), Rufaida college of nursing is committed to equip the budding nursing professionals with knowledge, hands on clinical training and a caring attitude which is cornerstone of nursing higher education.

Rufaida college of nursing is remarkable in running all the courses including diploma, post basic B.Sc. nursing, B.Sc. nursing, M.Sc. Nursing and Ph.D. in nursing. The courses offered are recognized by the Indian Nursing Council (INC) and the State Nursing Council (DNC).

National skill training centre "DAKSH", which is the established in collaboration with the Ministry of Health and Family Welfare and Liverpool School of Tropical Medicine is the nodal centre for 5 states in the country. Our students are trained at with high tech- simulations technique at National skill Training center "Daksh".

The students are given clinical, 'hands-on' training in many affiliated hospitals which includes Asia's largest general hospital i.e. Safdarjung Hospital. Students are also posted for their speciality practice in other hospitals i.e. VIMHANS, IHBAS, Health centre cum Maternity Homes. The students and teachers have been continuously involved in various researches and community service activities, such as conduction of mass health education projects, health camps, health melas etc.

Students are encouraged to participate in various cultural, sports and co-curricular activities. Dean student welfare is proportionately supporting the students. Students are benefitted in terms of scholarships, medals and prizes for their remarkable performances in academic and extracurricular activities. Training and placement officer guides the students for placement in reputed hospitals and organisations.

Rufaida college of nursing is remarkable in retaining faculties as many staff members are working for more than 2 decades. The teaching faculty at Rufaida college of nursing are on permanent position and their pay scale is as per UGC norms Staffs are encouraged to participate in seminars, conferences and research presentations. Rufaida college of nursing is distinctive to incur maximum cost for faculty development programs.
