Jamia Hamdard
(Deemed to be University under Section 3 of UGC Act 1956)
Established 1989

2020-21

Recommended Institution of Eminence by Ministry of HRD, Govt. of India

Accredited by NAAC in Grade ‘A’

Amongst top 20 Universities of India

Ranked 1st in Pharmacy and 15th in Medical Education amongst the institutions in India, as per NIRF-2019 ranking

About Jamia Hamdard

'Committed to excellence in higher education'

Jamia Hamdard (JH) was declared as a deemed-to-be University by the Govt. of India in 1989 on the recommendation of University Grants Commission (UGC) under the UGC Act 1956 in recognition of the services provided by erstwhile educational institutes established by the Hamdard National Foundation (HNF). These institutes, built over a period of time, included the Hamdard College of Pharmacy, Hamdard Tibbi College, Rufaida College of Nursing, the Institute of History of Medicine & Medical Research, and Indian Institute of Islamic Studies.

Jamia Hamdard was inaugurated by the then Prime Minister of India, Shri Rajiv Gandhi on August 1, 1989, who in his inspiring inaugural address applauded the efforts of Hakeem Abdul Hameed Saheb, the Founder, for setting up a number of institutions of learning which were finally merged to form a “Deemed to be University” namely Jamia Hamdard. In the words of Shri Rajiv Gandhi, “This will enable minority to go forward and help India to march forward”.

Spread over a sprawling green campus of about 100 acres, located on a prime piece of land in South Delhi, JH has ten Schools including a medical college, two hospitals – a 550 bedded modern medicine hospital and another 150 bedded Unani medicine hospital – on its campus. It has a big library, archive centre, separate hostels for girls and boys, gymnasium, a large playground, residential quarters for the staff, and also an off-campus in Kannur, Kerala.

The University has been maintaining a steady progress in all facets in its existence of 30 years and is both nationally and internationally recognized for the quality of teaching and research. The overall progress in this period has been excellent in terms of infrastructure and maintaining the standards which is evident from the placement records, high quality of research, publications and patents. Jamia Hamdard is among top 20 universities of India and ranked 1st in the field of Pharmaceutical sciences and its medical college is ranked 15th in the country by the Govt. of India (NIRF-2019 ranking). JH is perhaps the only privately funded University to get funding under the DST's PURSE (Promotion for University Research in Science and Engineering) Grant. Jamia Hamdard was placed at 2nd rank in i10 values and 5th in i100 values as per SCOPUS dataset of all the Institutes that were awarded the DST PURSE grant. The publications of Jamia Hamdard have received >16 citations/paper, perhaps the 2nd highest in India. The h-index of Jamia Hamdard is more than 100 and i100 is 100. About 38% of all our publications have been cited at least 10 times according SCOPUS database. JH has a close relationship with DRDO and joint research between Jamia Hamdard and INMAS-DRDO has led to development of pharmaceutical products which are being used by defense forces. The High Powered Committee established by the Government of India to identify “Institution of Eminence” has recommended Jamia Hamdard among the top 5 universities existing in the private sector.

The University follows a unique 3-Tier selection system for faculty appointments and in recent selections candidates from Johns Hopkins Universities, US-Ivy League Institutions, National University of Singapore, IIT, IIM have accepted and joined as faculty members.
The Founder

The Founder-Chancellor of Jamia Hamdard, Hakeem Abdul Hameed, a renowned physician of the Unani system of medicine served the poorest of the poors and also had global dignitaries and personalities such as Prince Charles of England as his patient. Hakeem Saheb was a philanthropist who always had public service as his driving force. He set up a complex of educational institutions over a period of time which finally got amalgamated in Jamia Hamdard in 1989.

The first institute that was built on the piece of land in Tughlaqabad, which today houses a number of Schools of the University was the Institute of History of Medicine and Medical Research. The foundation stone of this institute was laid on November 15, 1962 by the then Prime Minister of India, Pandit Jawaharlal Nehru, the building was inaugurated by Mrs. Indira Gandhi, the Prime Minister of India in 70s. Hakeem Saheb also set up several other institutes which include the Hamdard National Foundation, Hamdard Education Society, Hamdard Study Circle, Hamdard Public School, Ghalib Academy, the Centre for South Asian Studies, and Business & Employment Bureau.

Hakeem Abdul Hameed was conferred the Padma Shri and Padma Bhushan by the Government of India, awarded the Avicenna Award by the erstwhile USSR in 1983, and was nominated as honorary member of the Academy of Medical Science, Iran. He served as Chancellor of Aligarh Muslim University. In October 2000, the Research Centre for Islamic History, Art and Culture (IRCICA) Istanbul, Turkey, presented IRCICA Award to him posthumously for Patronage in Preservation of Cultural Heritage and Promotion of Scholarship. Hakeem Abdul Hameed was a true follower of Islam in letter and spirit and strongly believed in “And spend in the cause of Allah and do good, for He loves those who do good for others” – Al Quran, 2:195.
Mr. Syed Shahid Mahdi has taken charge as the fourth Chancellor of the Jamia Hamdard. He follows into the footsteps of Dr. Habil Khorakiwala, Chairman, Wokchar dt Ltd who recently completed his tenure as the University’s Chancellor. An alumnus of the prestigious Aligarh Muslim University, he did his MA in History with Political Science and joined the Indian Administrative Service (IAS), in 1963 attaining the second position in the batch. Ahead of joining, Jamia Hamdard’s top most position, Syed Shahid Mahdi had had a long and an illustrious career as an Indian bureaucrat who had served in different coveted positions both at the state and centre. He is amongst the few who served as India’s Alternate permanent Representative to the Food and Agriculture Organization of the United Nations (FAO), Rome. He has a rare distinction of getting a chance to serve for over 10 years in the senior-most D-2 professional grade of UN. Syed Shahid has travelled many countries across the globe and represented India in different executive roles. He elicits a keen interest in Education, UN System, Environment, Agriculture, Rural Development, Urdu Persian & English Literature, and is a connoisseur of various forms of arts. He had also been the Chairman, Delhi Education Society and Dr. Zakir Husain Memorial Welfare Society. He also served as member of different organization working in the area of education and development. Some of these include the Council of National Institute of Educational Planning and Administration (NIEPA), the Finance Committee of National Institute of Education Planning and Administration (NIEPA), Member of the X Plan Committee on Higher Education of Ministry of Human Resource Development (MHRD), Jamia Hamdard Society (Deemed University) Distance Education Council (IGNOU), Academic Council of Maulana Azad National Urdu University, Hyderabad and Governing Body of Zakir Husain College (Delhi University) to name a few. He also served as the Vice Chancellor of Jamia Millia Islamia, a central university, from 2000-2004. With him at the helms of the affairs and enriched by his variegated experience, Jamia Hamdard, is indeed poised to enter into higher echelons of success in the fields of academics, research and professional experience.
Vice Chancellor

Professor Dr. Seyed Ehtesham Hasnain
PhD, DSc (h.c.), DMedSc (h.c.), FNA, FTWAS, FAAM, ML

Prof. Seyed E. Hasnain, Padma Shri, took charge as Vice Chancellor, JH on 2 Sept 2016. Prof. Hasnain is a well known academician and a scientist, known for his excellent work on DNA fingerprinting and on tuberculosis. With about 275 publications in peer-reviewed journals of high impact and dozens of patents globally, Prof. Hasnain is an institution builder, policy maker, and an administrator. He taught at Delhi University, worked at the National Institute of Immunology, New Delhi and served as first Director of Centre for DNA Fingerprinting and Diagnostics (CDFD), Govt of India. He made CDFD a gold standard for DNA based crime investigations in the country. As the Vice-Chancellor of University of Hyderabad (2005-2011) he brought this University to the #1 position displacing JNU and Delhi University.

Prof. Hasnain has travelled widely and has given invited talks at top global Universities including Oxford, Cambridge (UK), Harvard, Yale, Stanford, Univ of California, Salk Inst (USA), Institute Pasteur (France), Max Planck Inst, Frei Univ, Koln Univ (Germany), NUS (Singapore), Univ of Canberra (Australia), Canada, China, Thailand, Brazil, Senegal, Iran, Saudi Arabia, Bangladesh, etc.

Prof. Hasnain is recipient of many prestigious awards, such as Germany’s Highest Civilian Award – The Order of Merit (Das Verdienstkreuz, 1.Klasse) from the President of Germany, equivalent of India’s Bharat Ratna, the only Indian so far and one of the very few persons globally. He is a recipient of Humboldt Research Prize (Alexander-von-Humboldt Foundation, Germany); the very exclusive Robert Koch Fellowship (the ONLY Indian so far) of the Robert Koch Institute, Berlin; and the first Indian elected as a Member of the German National Academy of Sciences Leopoldina, and youngest to be elected as a Fellow of TWAS, Trieste. He is elected Fellow of the prestigious American Academy of Microbiology, USA, and has been conferred with the ICMR’s BR Ambedkar Award, the highest award for excellence in biomedical research; besides many other prestigious Indian Awards which include G.D. Birla Award, Shanti Swarup Bhatnagar Prize, FICCI Award, J.C. Bose National Fellow Award, Ranbaxy Research Award, Goyal Award, Bhasin Award etc. He is an elected Fellow of all the major Science Academies of India (FNA, FASc, FNASc), and a recipient of honorary Degrees from Universities in India and abroad. He is the 3rd Indian (Dr. APJ Abdul Kalam, 2009, Dr Amartya Sen, 2010) to receive an Honorary Doctorate (2011) from the Queen’s University, UK.

Prof. Hasnain served as a Member (2004-2009, 2009-2014) of Science Advisory Council to the Prime Minister (SAC-PM) and Member of Scientific Advisory Committee to the Union Cabinet. He was Chairman of Biotech Advisory Council, Government of Andhra Pradesh for several years and a Member of Biotech Advisory Council of many other State Governments.
He has been the Chairman of the Academic Committee of PGIMER, Chandigarh, and a Member of the PGI Institute Body and Governing Council, as well as Member of the Research Advisory Committee of AIIMS, New Delhi. He has served as a Member of UGC, the Governing Councils of Indian Institute of Advanced Studies, Shimla; IISc, Bangalore; IIM, Khozikode; IISER-Bhopal and several other institutions; policy-making bodies of the Ministries of S&T, MHRD, Health and Defense, and is a member of the Board of Directors/Audit Committees/Remuneration Committees of a number of Companies.

Prof. Hasnain joined Jamia Hamdard on deputation from IIT-Delhi where he was an Invited Professor in the Kusuma School of Biological Sciences, and has now superannuated from IIT-D. He is a Professor at the JH Institute of Molecular Medicine where he has a laboratory and is supervising PhD students and Post Docs besides managing extramural research grants funded directly by SERB/ICMR/DBT/DHR etc.
Pro-Vice Chancellor

Dr. Ahmed Kamal  
*Ph.D, FNASc, FAPSc, FRSC*

Dr. Ahmed Kamal, joined Jamia Hamdard as the first Pro-Vice Chancellor in October 2017. Dr. Kamal was born in Hyderabad, Telangana. He graduated from Osmania University, Hyderabad (India) and obtained his Master’s degree in Organic Chemistry. He subsequently completed his Ph.D. in the area of Medicinal Chemistry from the Aligarh Muslim University. On completion of his doctoral degree he joined as a Scientist at the *CSIR*-Indian Institute of Chemical Technology (*IICT*), Hyderabad. He carried out his post-doctoral research work at the University of Portsmouth, England and was a Visiting Scientist at the University of Alberta, Edmonton, Canada. For the last 30 years, he has pursued his research career at *CSIR-IICT*, Hyderabad and later worked in the capacity of Outstanding Scientist, he also served as Incharge Director of *CSIR-IICT*. He was also the Project Director of the National Institute of Pharmaceutical Education and Research (*NIPER*), Hyderabad.

His research interests mainly focus on the design and synthesis of gene-targeting compounds as new anti-cancer agents, and their targeted delivery as pro-drugs. New chemical entities for anti-tubercular and anti-malarial activity are also his research avenues. He is also proficient in development of new efficient synthetic methodologies including solid phase, resin bound reagents and chemo-enzymatic strategies that are useful in both basic and applied pharmaceutical chemistry. He has won several honors and awards for his research like *CSIR* Young Scientist Award in Chemical Sciences (1991), Fellow of the National Academy of Sciences, India (1999), Best Patent Award from the Indian Drug Manufacturers Association (2005), Medal from the Chemical Research Society of India (2005), Ranbaxy Research Award in the field of Pharmaceutical Sciences (2005), *UKIERI* Standard Award for Biomedical Solutions between India and UK (2006), *OPPI* Scientist Award from the Organization of Pharmaceutical Producers of India (2009), Fellow of the A. P. Academy of Sciences (2010), Fellow of Royal Society of Chemistry (2011) and Most Outstanding Researcher in the field of Chemistry by *Careers 360* (2018).

He has over 530 research publications, more than 10000 citations, 30 review articles and 10 book chapters in the areas of biotransformation and medicinal chemistry. He has filed over 430 patents (more than 300 granted) and five of his US patents have been licensed to a pharmaceutical company for their clinical development and some compounds from these patents are undergoing pre-clinical studies. Over one hundred research scholars have completed their Ph.D. programmes under his guidance. He is an Editorial Advisory Board Member for several prestigious peer-reviewed international journals like *ChemMedChem* (Wiley), *Med.Chem.Commun.* (RSC), *J.Saudi Chem.Soc.* (Elsevier). He was instrumental in setting up of the Biotechnology Incubation Centre at the Biotech Park in Hyderabad.

Programmes of Study

HIMSR (Hamdard Institute of Medical Sciences & Research)

Undergraduate

- Bachelor of Medicine & Bachelor of Surgery (MBBS)

Postgraduate

- MS/ MD Anatomy
- MD Pathology
- MD Community Medicine
- MS General Surgery
- MD/MS Anesthesia
- MD Medicine
- MD/MS Pediatrics
- MD/MS Obst. & Gynae
- MD/MS Orthopedics
- MD/MS Radio-Diagnosis
- MD/MS Oto-Rhino-Laryngology
- MD/MS Ophthalmology
- MD Pharmacology
- MD Microbiology
- MD Biochemistry
- MSc Medical Microbiology
- MSc Medical Physiology
- MSc Medical Biochemistry
- MSc Medical Pharmacology
- Master’s in Public Health
- MSc Medical Anatomy

Doctoral

- Ph.D. Medical Biochemistry
- Ph.D. Medical Microbiology
- Ph.D. Medical Physiology
- Ph.D. Medicine
- Ph.D. Pathology
- Ph.D. Pharmacology
- Ph.D. Public Health

School of Unani Medical Education and Research

Postgraduate

- Mahir-e-Tib (MD Unani) in the following disciplines
Ilmul Advia (Pharmacology)
Moalajat (Medicine)
Tahaffuzi-wa-Samaji Tib (Social and Preventive Medicine)

Undergraduate

- Kamil-e-Tib-o-Jarahat (BUMS- Bachelor of Unani Medicine & Surgery)
- Pre-Tib

Diploma in Unani Pharmacy

School of Pharmaceutical Education & Research

Undergraduate

- B. Pharm
  *Limited seats are also available for direct entry to 3rd semester through Lateral entry*

Diploma

- D. Pharm

Postgraduate

- M. Pharm. Pharmaceutical Chemistry
- M. Pharm. Pharmaceutics
- M. Pharm. Pharmacognosy
- M. Pharm. Pharmacology
- M. Pharm. Pharmacy Practice
- M. Pharm. Pharmaceutical Quality Assurance
- M. Pharm. Pharmaceutical Biotechnology
- M. Pharm. Pharmaceutical Analysis

Doctoral

- Ph.D. Pharmaceutics
- Ph.D. Pharmaceutics with specialization in Quality Assurance
- Ph.D. Pharmacognosy and Phytochemistry
- Ph.D. Pharmacognosy & Phytochemistry with specialization in Pharmaceutical Biotechnology
- Ph.D. Pharmaceutical Chemistry
- Ph.D. Pharmaceutical Chemistry with specialization in Pharmaceutical Analysis
- Ph.D. Pharmacology
- Ph.D. Pharmacology with specialization in Pharmacy Practice
- Ph.D. Pharmaceutical Medicine
School of Nursing Sciences and Allied Health

Undergraduate

- B.Sc. (Hons) Nursing
- Post Basic BSc Nursing
- Bachelor of Physiotherapy (BPT)
- Bachelor of Occupational Therapy (BOT)
- B.Sc. (Medical Laboratory Techniques) - BMLT*
- B.Sc. (Emergency & Trauma Care Technology) - ETCT
- Bachelor of Optometry - BOPT*
- B.Sc. (Medical Imaging Technology) - BMIT*
- B.Sc. (Anaesthesia & Operation Theatre Techniques) - BAOTT*
- B.Sc. (Medical Record & Health Information Management) - BMR&HIM*
- B.Sc. (Cardiology Laboratory Techniques) - BCLT
- B.Sc. (Dialysis Techniques) - BDT*

*Limited seats are also available for direct entry to 3rd semester through Lateral entry

Diploma

- Diploma (General Nursing and Midwifery) - DGNM
- Diploma (X ray & ECG Techniques) - DXE
- Diploma (Operation Theatre Techniques) - DOTT
- Diploma (Dialysis Techniques)- DDT
- Diploma (Medical Record & Health Information Management) - DMR&HIM

Postgraduate

- M.Sc. (Medical Surgical Nursing)
- M.Sc. (Obstetric & Gynaecology Nursing)
- M.Sc. (Mental Health Nursing) - Psychiatry
- M.Sc. (Community Health Nursing)
- M.Sc. (Child Health Nursing) - Paediatrics
- Master of Physiotherapy (MPT) - Cardiopulmonary
- Master of Physiotherapy (MPT) - Neurology
- Master of Physiotherapy (MPT) - Musculoskeletal
- Master of Physiotherapy (MPT) - Sports
- Master of Occupational Therapy (MOT) - Musculoskeletal
- Master of Occupational Therapy (MOT) - Pediatrics
- M.Sc. Medical (Lab Sciences)
- M.Sc. (Medical Radiology and Imaging Technology)
- Master of Optometry

Doctoral

- Ph.D. Nursing
- Ph.D. Rehabilitation Sciences
School of Chemical & Life Sciences

**Undergraduate**
- B.Sc. – M.Sc. Integrated Programme (Chemistry, Toxicology, Botany, Biochemistry, Biotechnology, Clinical Research)

**Postgraduate**
- M.Sc. Biochemistry
- M.Sc. Biotechnology
- M.Sc. Botany
- M.Sc. Chemistry
- M.Sc. Clinical Research
- M.Sc. Toxicology

**Doctoral**
- Ph.D. Biochemistry
- Ph.D. Biotechnology
- Ph.D. Botany
- Ph.D. Chemistry
- Ph.D. Clinical Research and Translational Research
- Ph.D. Toxicology

School of Interdisciplinary Sciences & Technology

**Undergraduate**
- B. Tech. (Food Technology)

**Postgraduate**
- M. Tech. (Food Technology)

**Doctoral**
- Ph.D. Bioinformatics
- Ph.D. Chemoinformatics
- Ph.D. Food and Fermentation Technology
- Ph.D. Interdisciplinary Science
- Ph.D. Molecular Medicine

School of Engineering Sciences and Technology

**Undergraduate**
- B.Tech. (Computer Science & Engineering) *
• B.Tech. (Electronics and Communication Engineering) *
• B.Tech. Computer Science and Engineering (Artificial Intelligence)
• BCA / B.Sc (IT)
* Limited seats are also available for direct entry to 2nd year under Lateral entry.

**Postgraduate**
- M.Tech. (Computer Science & Engineering)
- M.Tech. (CSE with specialization in Cyber Forensics & Information Security)
- M.Tech. Part Time (Computer Science & Engineering)
- M.Tech. (CSE with specialization in Data Science)
- Master of Computer Application (MCA)
- M.Sc. (Bioinformatics)

**Doctoral**
- Ph.D. (Computer Science & Engineering)
- Ph.D. (Computer Science)

**School of Humanities & Social Sciences**

**Diploma**
- One Year Diploma Programme in Islam and Interfaith Relations (New Course from 2020-21)
- One Year Diploma Programme in Arabic Language (New Course from 2020-21)

**Undergraduate**
- B.A. (Hons) Islamic Studies
- Five Year Integrated/ Blended Degree Programme in B.A (Hons.) and M.A in Politics and Economics (New Course from 2020-21)

**Postgraduate**
- M.A. (Islamic Studies)
- M.A. (Human Rights)
- M.A. (Public Policy and Governance) (New Course from 2020-21)
- M.A. in Peace and Conflict Studies (New Course from 2020-21)
- M.A in Sufism (New Course from 2020-21)

**Doctoral/M. Phil.**
- Ph.D. (Islamic Studies)
- Ph.D. (Federal Studies)
- M.Phil. (Federal Studies)
School of Management and Business Studies

Undergraduate

• BBA
• MBA Integrated (BBA-MBA Integrated with exit option after 3 years)
• Bachelor of Hotel Management
• Bachelor of Management Studies (BMS)
• Bachelor of Commerce (B.Com) (H)

Postgraduate

• MBA (General Management)
• MBA (Public Health Management/ Hospital Administration)
• MBA (Pharmaceutical Management)
• MBA (Insurance)
• MBA (Entrepreneurship)
• MBA (International Business)

Doctoral

• Ph.D. (Management)
• Ph.D. (Pharmaceutical Management)
• Ph.D. (Health Management)
• Executive Ph.D. Programme

School of Media Education and Mass Communication

Undergraduate

• Bachelor of Arts in Journalism and Mass Communication

Hamdard Institute of Legal Studies and Research

Undergraduate

• B.A.-LL.B (Bachelor of Arts and Bachelor of Law) Integrated Course
Academic Staff

Hamdard Institute of Medical Sciences & Research, HIMSR

Dean:  Dr Mridu Dudeja

Department of Anatomy
Dr. Shayama Kumari Razdan, MBBS, MS; Professor and Head
Dr. Shalini Kumar, MBBS, MD; Associate Professor
Dr. Arpita Mahajan, MBBS, MD; Assistant Professor
Dr. Ashar Imam, MBBS; Demonstrator
Dr. Premendra Mohan Sharma, MBBS, PGDCR, PGDUSG; Demonstrator

Department of Physiology
Dr. Md. Iqbal Alam, M.Sc., Ph.D; Professor and Head
Dr. Shikha Gautam, MBBS, MD; Assistant Professor
Dr. Salamah Parveen Imteyaz, MBBS, MD; Demonstrator
Dr. Fauzia Iftikhar, MBBS; Demonstrator
Dr. Manju Sharma, MBBS; Demonstrator
Dr. Narinder Singh, MBBS; Demonstrator

Department of Biochemistry
Dr. Sarita Agarwal, MBBS, MD; Professor and Head
Dr. S. K. Jain, M.Sc., Ph.D.; Professor
Dr. Shweta Singh, MBBS, MD; Associate Professor
Dr. Sana Alam, MBBS, MD; Assistant Professor
Dr. Kailash Chandra, M. Sc, Ph.D.; Assistant Professor
Dr. Seema Kumari, MBBS, MD; Demonstrator
Ms. Bhumika Upadhyaya, M.Sc.; Demonstrator

Department of Pharmacology
Dr. Anurabha Ray, MBBS, MD; Professor and Head
Dr. Razi Ahmad; MBBS, DCH, MD; Associate Professor
Dr. Shoma Mukharjee, MBBS, MD; Assistant Professor
Dr. Sana Rehman, MBBS, MD; Demonstrator
Dr. Nusrat Nabi, MBBS, MD; Demonstrator

Department of Pathology
Dr. Sujata Jetley, MBBS, MD; Professor and Head
Dr. Zeeba Shamim Jairajpuri, MBBS, MD; Associate Professor
Dr. Sabina Khan, MBBS, MD; Associate Professor
Dr. Mohd Jaseem Hassan, MBBS, MD; Associate Professor
Dr. Safia Rana, MBBS, DCP, D.N.B.; Assistant Professor
Dr. Shaan Khetrapal, MBBS, MD; Assistant Professor
Dr. Nehal Ahmad, MBBS, MD; Assistant Professor
Dr. Shivali Sehgal, MBBS, MD, DNB; Assistant Professor
Dr. Rubeena Naz Mohroo, MBBS, MD; Demonstrator
Dr. Devyani Pendharkar, MBBS, DNB; Demonstrator
Dr. Monal Trisal, MBBS, MD; Demonstrator
Dr. Shivani Panhotra, MBBS, MD; Demonstrator

Department of Microbiology
Dr. Mridu Dudeja, MBBS, MD; Professor and Head
Dr. Rachna Tiwari, MBBS, MD; Associate Professor
Dr. Mehwash Haider, MBBS, MD Assistant Professor
Dr. Neetu Shree, MBBS, MD; Assistant Professor
Dr. Saba Alam, MBBS; Demonstrator
Ms. Shyamasree Nandy Das, M.Sc.; Demonstrator
Mr. Ayan Kumar Das, M.Sc.; Demonstrator

Department of Forensic Medicine
Dr. Amit Sharma, MBBS, MD; Professor and Head
Dr. Shahina, MBBS, MD; Assistant Professor
Dr. Zenis Baluja, MBBS; Demonstrator

Department of Community Medicine
Dr. Fazana Islam, MBBS, MD; Associate Professor and Officiating Head
Dr. Sushovan Roy, MBBS, MD; Associate Professor
Dr. Zakirhusain A. Shaikh, MBBS, MD, DHRM; Assistant Professor
Dr. Faheem Ahmed, MBBS, MD, MBA; Assistant Professor
Dr. Rashmi Agarwalla, MBBS, MD; Assistant Professor
Dr. Varun Kumar Kashyap, M.Sc., Ph.D, Assistant Professor
Dr. Ekta Gupta MBBS, MD; Assistant Professor
Dr. Meely Panda MBBS, MD; Demonstrator
Dr. Uroosa Jabeen, MBBS, DGO; Lady Medical Officer
Dr. Yasmeen Abdullah, MD Physician; Lady Medical Officer

Department of Medicine
Dr. Prem Kapur, MBBS, MD; Professor and Head
Dr. Sunil Kohli, MBBS, MD; Professor
Dr. Smita Manjavkar, MBBS, MD; Professor
Dr. Vindu Amitabh, MBBS, MD, DTCD; Professor
Dr. Mohd Anwar Habib, MBBS, MD; Associate Professor
Dr. Vineet Jain, MBBS, MD; Associate Professor
Dr. Khan Afreen Mushtaq Ahmed, MBBS, MD; Assistant Professor
Dr. Mohammadd Ashraf Khan, MBBS, MD; Assistant Professor
Dr. Abha Sharma, MBBS, MD; Assistant Professor

Department of TB & Chest
Dr. Ashok Shah, MBBS, DTCD, MD; Professor
Dr. Sumeera Banday, MBBS, MD; Assistant Professor
Department of Dermatology
Dr. Mukesh Manjhi, MBBS, MD; Assistant Professor
Dr. Shafia Nisar Kakroo, MBBS, MD, Assistant Professor

Department of Psychiatry
Dr. R.C. Jiloha, MBBS, MD; Professor and Head
Dr. Deepika Makk, MBBS, MD; Assistant Professor
Dr. Shruti, MBBS, MD; Assistant Professor

Department of Pediatrics
Dr. Rekha Harish, MBBS, MD; Professor and Head
Dr. Chandra Mohan Kumar, MBBS, MD; Professor
Dr. Jagannath Mohapatra, MBBS, MD; Associate Professor
Dr. Aparna Chakravarty, MBBS, MD; Assistant Professor
Dr. Nidhi Bedi, MBBS, MD; Assistant Professor

Department of Surgery
Dr. Musharraf Hussain, MBBS, MS, DNB, MRCS; Professor and Head
Dr. Tapan Sinha, MBBS, MS, M.Ch. (Urology); Professor
Dr. Ajay Kumar Thakral, MBBS, MS; Associate Professor
Dr. Mohammad Mohsin, MBBS, MS; Assistant Professor
Dr. Mohammad Saquib, MBBS, MD, M.Ch. (Plastic Surgery); Assistant Professor
Dr. Divya Prasad, MBBS, MS; Assistant Professor
Dr. Mir Mujtaba Ahmad, MBBS, MS; Assistant Professor
Dr. Bhoopendra Singh, MBBS, MS, M.Ch. (Neurosurgery); Assistant Professor
Dr. Sachin Katyal, MBBS, MS, M.Ch. (Paediatric-Surgery); Assistant Professor

Department of Orthopedics
Dr. Shishir Rastogi, MBBS, MS, DNB; Professor
Dr. Sandeep Kumar, MBBS, MS; Professor and Officiating Head
Dr. Javed Jameel, MBBS, MS; Associate Professor
Dr. Rajesh Arora, MBBS, MS, DNB; Assistant Professor
Dr. Arvind Kumar, MBBS, MS; Assistant Professor

Department of Ophthalmology
Dr. Vishnu Swarup Gupta, MBBS, MS, Professor
Dr. Hina Kausar, MBBS, MS; Associate Professor and Officiating Head
Dr. Taskin Khan, MBBS, MS; Assistant Professor
Dr. Mayuresh Naik, MBBS, MS, DNB, Assistant Professor

Department of ENT
Dr. Khaja Naseeruddin, MBBS, MS, DLO; Professor
Dr. Seema Monga, MBBS, MS; Associate Professor and Officiating Head
Dr. Arun Parkash Sharma, MBBS, MS; Assistant Professor
Dr. Junaid Nasim Malik, MBBS, DNB; Assistant Professor
Dr. Shahid Rasool, MBBS, MS; Lecturer

Department of Obst & Gynae
Dr. Reva Tripathi, MBBS, MS; Professor and Head
Dr. Aruna Nigam, MBBS, MS; Professor
Dr. Neha Gupta, MBBS, MS; Associate Professor
Dr. Arifa Anwar Elahi, MBBS, DNB; Associate Professor
Dr. Sumedha Sharma, MBBS, MS; Assistant Professor
Dr. Neha Varun, MBBS, MS; Assistant Professor
Dr. Nidhi Gupta, MBBS, MS; Assistant Professor
Dr. Arpita De, MBBS, MS; Assistant Professor

Department of Anaesthesia
Dr. Kharat Mohd. Batt, MBBS, MD; Professor and Head
Dr. Jyotasana Agarwal, MBBS, MD, Associate Professor
Dr. Archana Rani, MBBS, DNB; Assistant Professor
Dr. Pratibha Panjiar, MBBS, MD; Assistant Professor
Dr. Samiksha Khanoja, MBBS, MD; Assistant Professor
Dr. Irshad Yousef, MBBS, DNB; Assistant Professor

Department of Radio-diagnosis
Dr. S S Anand, MBBS, MD, DRM; Professor
DR. S N Singh, MBBS, MD; Professor
Dr. Abhinav Jain, MBBS, DNB; Associate Professor and Head
Dr. Priyanka Mattoo, MBBS, MD, Assistant Professor
Dr. Syed Ruzian Firdose, MBBS, MD; Assistant Professor

Department of Dentistry
Dr. Nilima Sharma, BDS, MDS; Associate Professor & Head
Dr. Akbar Naqvi, BDS, MDS; Assistant Professor

School of Unani Medical Education and Research

Dean: Prof. (Dr.) Suhail Fatima

Department of Moalajat (Medicine)
Dr. Yasmeen Shamsi, B.U.M.S., M.D., Professor
Dr. Mohammad Akhtar Siddiqui, B.I.M.S., P.G.D.H.A., M.A., M.D., Professor & Head
Dr. Asim Ali Khan, B.U.M.S., M.D., Professor (on EoL)
Dr. Azhar Jabin, B.U.M.S., M.D., Assistant Professor
Dr. Shazia Jilani, B.U.M.S., M.D., Assistant Professor
Dr. Md. Wasi Akhtar, B.U.M.S., M.D., Assistant Professor

Department of Ilmul Advia (Pharmacology)
Dr. Mohd. Aslam, B.U.M.S., M.D., Ph.D., Professor & Head
Dr. M.A. Jafri, B.I.M.S., M.D., Professor
Dr. Hifzul Kabir, B.U.M.S., M.D., Lecturer in Selection Grade
Dr. Aisha Siddiqui, B.U.M.S., M.D., Assistant Professor

Department of Tahaffuzi-Wa-Samaaji Tib (Preventive & Social Medicine)
Dr. Mohd. Akram, B.Sc., B.U.M.S., M.D., Associate Professor & Head
Dr. Rubi Anjum, B.U.M.S., M.D., Assistant Professor (on EoL)
Dr. Aisha Perveen, B.U.M.S., M.D., Assistant Professor
Dr. Shazia Shamim, B.U.M.S., M.D., Assistant Professor (Contractual appointment)

Department of Kulliyat (Basic Principles of Unani Medicine)
Dr. Suhail Fatima, B.U.M.S., M.D., P.G.D.H.R., Dean & Head
Dr. Abdul Bari, B.U.M.S., M.A., Lecturer in Selection Grade
Dr. Sahar Saleem, B.U.M.S., M.D., Assistant Professor (Contractual appointment)
Dr. Ayesha Nadeem, Ph.D., Pre-Tibb Teacher

Department of Tashreeh ul Badan (Anatomy)
Dr. Syed Mahtab Ali, B.I.M.S., Professor & Head
Dr. Khursheeda A. Ansari, B.U.M.S., M.D., Associate Professor

Department of Munafeul Aza (Physiology)
Dr. Anwar Hussain Khan, B.U.M.S., M.D., Associate Professor & Head
Dr. Shehla Nazir, B.U.M.S., Assistant Professor

Department of Ilmul Saidla (Pharmaceutics)
Dr. Suhail Fatima, B.U.M.S., M.D., P.G.D.H.R., Dean & Head
Dr. Shahid Shah Chaudhary, B.U.M.S., M.D., Assistant Professor

Department of Mahiyatul Amraz (Pathology)
Dr. Suhail Fatima, B.U.M.S., M.D., P.G.D.H.R., Dean & Head
Dr. Roohi Azam, B.U.M.S., M.D., Assistant Professor (Contractual appointment)

Department of Amraz-e-Niswan wa Qabalat (Gynecology & Obstetrics)
Dr. Suhail Fatima, B.U.M.S., M.D., P.G.D.H.R., Dean & Head
Dr. Hamida Aquil, B.U.M.S., M.D., Lecturer in Selection Grade

Department of Ilmul Atfal (Paediatrics)
Dr. Suhail Fatima, B.U.M.S., M.D., P.G.D.H.R., Dean & Head
Dr. Jahanara, B.I.M.S., Assistant Professor
Dr. Uzma Bano, B.U.M.S., M.D., Assistant Professor

Department of Jarahiyat (Surgery)
Dr. Minhaj Ahmad, B.U.M.S., M.S., Associate Professor & Head
Dr. S.M. Arif Zaidi, B.U.M.S., M.D., P.G.H.R.M., D.H.A., Professor

Department of Ain, Uzn, Anaf, Halaq wa Asnan (Eye & ENT)
Dr. Suhail Fatima, B.U.M.S., M.D., P.G.D.H.R., Dean & Head
Dr. Zehra Zaidi, B.U.M.S., M.D., Assistant Professor
Dr. Abdul Nasir, B.U.M.S., M.D., Assistant Professor (Contractual Appointment)

Department of Amraze Jild wa Taziniyat (Skin and Cosmetology)
Dr. Suhail Fatima, B.U.M.S., M.D., P.G.D.H.R., Dean & Head
Dr. Umar Jahangir, B.U.M.S., M.D., Assistant Professor

Department of Ilaj-bit-Tadbeer (Regimenal Therapies)
Dr. Suhail Fatima, B.U.M.S., M.D., P.G.D.H.R., Dean & Head
Dr. Fasihuzzaman, B.U.M.S., M.D., Associate Professor (Contractual Appointment)
Dr. Farkhunda Jabeen, B.U.M.S., M.D., Assistant Professor
Dr. Sadia Nikhat, BUMS, M.D., Assistant Professor

Majeedia Unani Hospital
Prof. (Dr.) Suhail Fatima, Medical Superintendent

School of Pharmaceutical Education and Research

Dean: Prof. Mohammad Amir

Department of Pharmaceutical Chemistry
- Dr. Ahmed Kamal, MSc., PhD, Professor
- Dr. Nadeem Siddiqui, M.Pharm., Ph.D., Professor
- Dr. Anis Ahmad Siddiqui, M.Pharm., Ph.D., Professor & Head
- Dr. Mohd. Amir, M.Sc., Ph.D., Professor and Dean

Hamdard Institute of Medical Sciences & Research (HIMSR)

Hamdard Institute of Medical Sciences & Research (HIMSR) at Hamdard Nagar in New Delhi is one of the finest self-financing unaided Private medical Institute in Delhi with infrastructure and faculty that support students to become outstanding medical professionals. It is a constituent unit of Jamia Hamdard. It was established in 2012 as an ambitious project of Jamia Hamdard aimed at furthering its scope in the life sciences and health domains and providing quality healthcare at an affordable cost.

HIMSR has been established as an institution of national importance with the objective to develop patterns of teaching in Undergraduate and Post-graduate Medical Education in all branches so as to demonstrate a high standard of Medical Education in India; to bring together in one place educational facilities of the highest order for the training of personnel in all important branches of health activity; and to attain self-sufficiency in Post-graduate Medical Education.

The institute is supported by 510 bedded teaching Hakeem Abdul Hameed Centenary (HAHC) Hospital. This is in conformity to Medical Council of India guidelines.

Hamdard Institute of Medical Sciences & Research is the great leap forward in line with the vision of the founders of Jamia Hamdard and in fulfilling the dream of Hakeem Abdul Hameed to create an institute to eliminate the suffering of humanity. It is in conformity with the philosophy of Hamdard "Compassion, Concern, Care and sharing in pain."
The Institute, over the years, has developed excellent organizational structure through its statutory and non-statutory authorities resulting in establishment of a well-regulated administrative machinery and achievement of excellence in academic functioning and medical research and providing excellent of medical care to the patients. Just to give a glimpse of the services rendered by the hospital to the needy patients, nearly 521,000 patients were provided consultation and treatment in the outpatient departments in the year 2019. Out of these 72,000 patients were admitted as indoor patients.

The faculty of HIMSR is carefully selected by national level experts through an interview process ensuring excellent quality of the teachers. The teaching aids are contemporary, networked, interactive and upgradable. At HIMSR, great emphasis is put on conducting research and publishing scientific papers by the faculty. Regular up-gradation of professional knowledge is facilitated by regular clinical meetings, seminars, symposia etc.

Program of study: Bachelor of Medicine and Surgery (MBBS)

Study period: Each student shall undergo a period of study extending over 4 ½ academic years followed by one year compulsory rotating Internship.

Number of seats: 100

Allocation of Seats in different categories:

(A) General category (Unreserved) seats 42
(B) Reserved category seats (For Muslims) 43
(C) NRI Seats 15

5% of the total annual intake of seats is reserved for candidates with locomotor disability under the Rights of Persons with Disabilities Act, 2016 as per MCI norms.

1. Eligibility conditions: As per NEET- UG- 2020

1.1 Age limit: As per NEET- UG- 2020
1.2 Qualifying examination: As per NEET- UG- 2020

PROCEDURE FOR SELECTION: As per Medical Counselling Committee of Directorate General of Health Services UG- 2020

Medical Examination: The selected candidates shall have to undergo medical examination by a Medical Board set up by the HIMSR, consisting of Faculty members of the Institute. If, in the assessment of the Medical Board, a candidate is found medically unfit will be informed to DGHS and decision of the DGHS in this regard shall be final.

Duration: 3 Years
ELIGIBILITY CRITERIA FOR ALL THE CANDIDATES:

ALL ADMISSIONS SHALL BE BASED ON THE ELIGIBILITY AS PER THE NATIONAL ELIGIBILITY CUM ENTRANCE TEST (NEET-PG-2019)

1) **Age Limit**: There is no upper age limit to admission to PG courses

2) **Reservation Policy**: 50% of the seats in the PG COURSES are reserved for Muslim minority

3) **Qualifying examination**: A candidate who holds MBBS degree from a medical college recognized by MCI or a foreign medical degree included in the schedules to the Indian Medical Council Act, 1956 and who has obtained full registration from the Medical Council of India or any of the State Medical Councils after completing compulsory rotating internship shall be eligible for admission to HIMSR.

4) Candidates who have obtained their MBBS from colleges which are not recognized by Medical Council of India will not be granted admission.

5) An Indian National who qualified from a Foreign University/School must produce an eligibility certificate recognizing the qualifying examination as equivalent to MBBS, as recognized by Medical Council of India.

6) A candidate who after passing the final qualifying examination (MBBS or the foreign Medical degree recognized by MCI) is undergoing 12 month compulsory internship / practical training and is likely to complete the same by 31.03.2020 can take the examination but he/ she shall not be eligible for admission unless he / she has completed the compulsory rotating internship and obtained full registration on or before 31.03.2020, or the candidate produces a certificate from the head of institution certifying that he / she will be completing internship by 31.03.2020.

7) No condonation of compulsory rotating internship shall be accepted unless approved by the Medical Council of India along with necessary proof of the approval of the Medical Council of India. The condonation of compulsory rotating internship shall be restricted to the period up to 31.03.2020 and not beyond that date.

8) Registration with the MCI / State Medical council is necessary and its documentary proof shall be furnished at the time of counselling.

**PROCEDURE FOR SELECTION**: The selection for admission to the MS/MD postgraduate courses shall be based strictly on basis of All India overall rank obtained in the National Eligibility
cum Entrance Test Postgraduate (NEET) 2020 conducted by the National Board of Examinations. The online counselling for admission will be done by Directorate General of Health Services. Candidates are required to visit www.mcc.nic.in for details on Counselling Schedule and counselling scheme. They must read Notices posted from time to time and frequently asked questions displayed on the website of Medical Counselling committee of DGHS, Govt. Of India. Institute will comply with orders from MCI & DGHS in all the matters related to admission and counseling.

**Medical Examination:** The selected candidates shall have to undergo medical examination by a Medical Board set up by the HIMSR, consisting of Faculty members of the Institute. If, in the assessment of the Medical Board, a candidate is found medically unfit will be informed to DGHS and decision of the DGHS in this regard shall be final.

**Stipend for PG Trainees:** The selected candidates will be paid a stipend of Rs. 80,000 per month for three years duration.

### M. Sc. programs at HIMSR

HIMSR offers M. Sc. in the following disciplines:

(i) M. Sc. Medical Microbiology  
(ii) M. Sc. Medical Physiology  
(iii) M. Sc. Medical Biochemistry  
(iv) M. Sc. Medical Anatomy  
(v) M. Sc. Medical Pharmacology  
(vi) Master’s in Public Health
M.Sc. Medical Microbiology

**Duration:** 3 years (2 years for MBBS degree holders, who will be eligible for direct admission to 3rd Semester, 2nd year)

**Seats:** 8

**Eligibility:** The candidate must have passed Bachelor degree (Life sciences)/MBBS/BDS/BPT. 55% marks at Bachelor level (with Microbiology as subject). However for MBBS/BDS candidates, the eligibility criteria will be 50% marks. Candidates having MBBS will be directly admitted to 2nd year of three years MSc. In the first year, students will attend classes in their respective discipline with MBBS 1st/2nd year students.

**Selection Procedure:** Merit of the qualifying examination.

---

M.Sc. Medical Physiology

**Duration:** 3 years (2 years for MBBS degree holders, who will be eligible for direct admission to 3rd Semester, 2nd year)

**Seats:** 8

**Eligibility:** A candidate must have passed MBBS or a degree course in allied Medical Sciences with Human Physiology as a major subject from a recognized university with at least 55% marks in aggregate. Those having MBBS degree will be directly admitted to 2nd year of three years MSc. In the first year, students will attend classes in their respective disciplines with MBBS 1st year students.

**Selection procedure:** Merit of the qualifying examination.

---

M.Sc. Medical Biochemistry

**Duration:** 3 years (2 years for MBBS degree holders, who will be eligible for direct admission to 3rd Semester, 2nd year)

**Seats:** 8

**Eligibility:** B.Sc. in life Sciences/Biomedical Sciences with minimum 55% marks. Candidates with MBBS/BUMS/B.Pharm/BMLT will also be eligible for admission to this programme.

**Selection procedure:** Merit of the qualifying examination.
M.Sc. Medical Pharmacology

Duration: 3 years

Seats: 6

Selection procedure: On the basis of merit of qualifying examination

Master’s in Public Health

Duration: 2 years

Seats: 6

Eligibility: Graduates in

• Medicine / AYUSH / Dentistry / Veterinary Sciences / Physiotherapy/Nursing & Other Allied Health Sciences
• Biostatistics / Nutrition / Psychology / Social Work

Desirable:

▷ Graduates in Health Science will be given preference
▷ Demonstrated work experience in a healthcare-related field.

Selection procedure: On the basis of merit of qualifying examination.

M.Sc. Medical Anatomy

Duration: 3 years (2 years for MBBS degree holders, who will be eligible for direct admission to 3rd Semester, 2nd year)

Seats: 6
Eligibility: B.Sc. in life Sciences with minimum 55% marks. Candidates with MBBS/BUMS/B.Pharm/BMLT will also be eligible for admission to this programme.

Selection procedure: Merit of the qualifying examination.

School of Unani Medical Education and Research

This school was established as Hamdard Tibbi College in 1963 at Gali Qasim Jaan, Delhi-110006. It was shifted to Hamdard Nagar Campus in 1980 and started B.U.M.S. course under University of Delhi. After the establishment of Jamia Hamdard in 1989 it was merged with the university and got the status of Faculty of Medicine (Unani) and now it has been renamed as School of Unani Medical Education and Research (SUMER). The School of Unani Medicine is one of the premier institutes of learning of Unani system of Medicine. Presently, the school runs undergraduate degree course, Bachelor of Unani Medicine and Surgery (BUMS), and postgraduate course, M.D. Unani in three disciplines i.e. Ilmul Advia, Moalajat and Tahaffuzi wa Samaji Tibb. The school also runs a one year foundation course for students of madarsa stream for entry in BUMS i.e. (1) Pre-Tibb and a two-year course i.e. (2) Diploma in Unani Pharmacy.

The School conducts teaching and research in Unani Medicine and Surgery and students are imparted instructions with extensive knowledge of the fundamental theories and basic principles of Unani System of Medicine as well as the modern medical subjects such as Anatomy, Physiology, Preventive and Social Medicine, Pharmacology, Forensic Medicine, Pathology, Medicine, Gynecology, Obstetrics, Pediatrics, Surgery, Ophthalmology, ENT and Skin & Cosmetology.

The School consists of the following fourteen departments: (1) Department of Tashreeh (2) Department of Munafeul Aza (3) Department of Kulliyat (4) Department of Tahaffuzi wa Samaji Tibb (5) Department of Ilmul Advia (6) Department of Ilmul Saidla (7) Department of Moalajat (8) Department of Mahiyatul Amraz (9) Department of Ilaj bit Tadabeer (10) Department of Amraz-e-Jild wa Tazeeniyat (11) Department of Jarahiyyat (12) Department of Ain, Uzn, Anaf wa
Halaq (13) Department of Amraz-e-Niswan wa Qabalat and (14) Department of Amraz-e-Atfal. This School has a 100 bedded Unani hospital namely Majeedia Unani Hospital.

**Programs of study / selection procedure**

*Admission to UG/PG programs in this School is subject to the approval of CCIM.*

**Kamil-e-Tib-o-Jarahat (BUMS)**

**Seats:** 50 (inclusive of 10% seats for those who have passed Pre-Tib from Jamia Hamdard, and 20 seats reserved for self-financing/NRI/sponsored category candidates)

**Duration:** Five and a half years, including one year unpaid compulsory rotatory internship (6 months in Majeedia Unani Hospital and 6 months in HAH Centenary Hospital).

**Eligibility:** A candidate must have passed Senior Secondary (12th Standard/Intermediate) examination with Physics, Chemistry and Biology from Central Board of Secondary Education or any other examination recognized by Jamia Hamdard as equivalent there to securing at least 50% marks in the aggregate as in Physics, Chemistry and Biology; appeared in **NEET 2020** (for MBBS Programme); Proficiency in Urdu language comparable to High School (Class X) standard and knowledge of English; Medium of instruction of this programme is Urdu language substantiated with English.

**Selection procedure:** On the basis of merit through **NEET 2020** for MBBS from amongst the candidates who apply for BUMS admission in Jamia Hamdard. Such candidates are required to submit their high school certificate of Urdu / Arabic or Persian language as a subject along with their application on online admission portal of BUMS program on University website. The candidates who will not submit such certificates will be required to appear in the test of Urdu Language conducted by Jamia Hamdard. Other Urdu certificates like Adeeb, Munshi, Molvi etc are NOT ACCEPTABLE.

**Pre-Tib**

**Seats:** 05 i.e. 10% of total seats of BUMS (inclusive of one seat reserved for NRI/Sponsored category candidates).

**Duration:** One year

**Eligibility:** A candidate must have passed *Fazil* from Madarsa/Institution recognized by CCIM and must have studied Arabic and Falsafa; and appeared in Entrance Test by Jamia Hamdard.

**Selection procedure:** An Entrance Test will be conducted in Urdu language to test the knowledge of the candidates in General Awareness and oriental subjects (Tafseer, Hadees, Fiqah, Usool-e-Fiqah, Mantique, Falsafa, Arabic Adab, Seerat, Tareekh-e-Islam and General Scientific
Awareness). The question paper shall comprise of descriptive questions. There will be an English component in Entrance test to test the knowledge of English language.

**Note:** Candidate admitted to Pre-Tib shall be eligible for admission to BUMS.

**LIST OF MADARSAS APPROVED BY CCIM AND THEIR QUALIFICATIONS ELIGIBLE FOR ADMISSION TO PRE-TIBB COURSE**

Duration: Three years

Eligibility: Passed BUMS Examination, securing at least 50% marks in the aggregate from Jamia Hamdard or from any other University recognized by Jamia Hamdard; completed the compulsory internship; appeared in the Entrance Test ‘AYUSH PGET 2020’ conducted by Ministry of AYUSH, Govt. of India.

Note:

- 10% weightage of total marks secured in the test will be given to the wards of the employees of Jamia Hamdard.
- No stipend is available to the students of MD (Moalajat), MD (Ilmul Advia) and MD (Tahaffuzi-wa-Samaji Tib) from the Ministry of AYUSH, Government of India. Depending on the availability of resources, Jamia Hamdard may consider providing stipend (Hkm. Abdul Hameed Scholarship) of Rs. 10,000/- per month to some deserving students.
- MD Moalajat students may be posted in the Hospital of the University.

Selection Procedure: The selection will be made on the basis of merit determined by the performance of the candidates in the entrance test ‘AYUSH PGET 2020’ conducted by Ministry of AYUSH, Govt. of India. Applicants are advised to refer to the official website of ministry of Ayush http://ayush.gov.in and general admission guidelines in this prospectus.
School of Pharmaceutical Education and Research (SPER)

The School of Pharmaceutical Education & Research (Formerly Faculty of Pharmacy) which was established as Hamdard College of Pharmacy in 1972, is one of the most prestigious institutions of Pharmacy Education in India with global standards and has been ranked as No.1 amongst Pharmacy Institutions Ranking Framework-2017&2019 by the Ministry of Human Resources Development, Govt. of India. The School is approved and recognized by All India Council of Technical Education (AICTE) and Pharmacy Council of India (PCI). The SPER continues to build on its rich history and tradition of excellence by offering quality Pharmacy education in India.

The School is powerhouse of academic and research excellence in the field of Pharmaceutical Sciences. Our modern infrastructure coupled with seasoned faculty has been instrumental in providing world class pharmacy professionals to industry, academia and research based institutions across the world. The school has collaborations outside the University both from
academic and research institutions as well as pharmaceutical industries. Industry sponsored projects are also being executed for companies like Sun Pharma, Dabur Research foundation, Jubilant Life Sciences, Aimil Pharmaceuticals, Dolphin International, Fermish Clinical Technology, GBC, Beijing, China and Ultimax Health, USA etc.

Ph.D. in Pharmaceutical Medicine is a unique, first in country collaborative program being run in collaboration with Sun Pharmaceutical Industries Ltd. The program illustrates utilization of academic excellence, professional expertise and optimal fund use by joint University-Industry effort. The students qualifying this course meet the current and future requirements of R&D personnel from the Pharmaceutical Industry/Academia.

The school has a well-established central instrumentation facility (CIF) having variety of modern and sophisticated instruments like cryogenic Transmission electron microscope (TEM), LC-MS, NMR (400 MHz), HPLC, HPTLC, DSC, UV-Vis spectrophotometer, FT-IR etc. Facility for interdisciplinary research namely flow cytometry, confocal microscopy, western blot analysis and electrophoresis, wet lab synthesis, Microwave-assisted organic synthesis (MAOS) are also available.

Many faculty members have research projects funded by National / International funding agencies and Pharmaceutical Industries. A separate Pharmacy block dedicated to research in advanced fields of Nano Medicine, Bioactive Natural Products (BNP), Computer Aided Drug Design (CADD) etc. with state of the art instruments and other facilities is also part of the School. All the Departments of School are actively involved in research as can be seen by publications. The School has published more than 1000 research papers in SCI indexed reputed journals and applied more than 25 patents in last five years and 10 have been granted.

The Department of Pharmaceutics has collaboration with School of Management for their MBA Pharmaceutical Management programme for teaching and placement related activities. The MBA Pharmaceutical management programme is designed to provide technical and administrative skills in management & research in Pharmaceutical sector.

The Department of Pharmaceutical Chemistry has collaboration with Department of Chemistry and Toxicology, School of Chemical & Life Sciences. The M. Pharm in Pharmaceutical Analysis programme has collaboration with Pharmaceutical Industries which also help students in project &placement related activities.

The Department of Pharmacognosy&Phytochemistry which also includes Pharmaceutical Biotechnology has multidisciplinary collaboration with Dabur India Ltd, Aimil Pharmaceuticals, Dolphin International, Fermish Clinical Technology, GBC, Beijing, China and Ultimax Health,
USA. The highlighted areas of research in the Department are development of Natural Product Process, Standardization, Chemical Analysis& Bioprocess and Fermentation Technology.

The Department of Pharmacology has multidisciplinary collaboration with HIMSR and Centre for Translational and Clinical Research, School of Chemical & Life Sciences. The M Pharm in Pharmacy Practice programme is augmented with the Clinical Research programme of School of Chemical & Life Sciences and Department of Community Medicine of HIMSR. In the HAH centenary hospital of Jamia Hamdard students of the Pharmacy Practice programme assist doctors in possible drug interaction and train patients to understand dosage regiment and other healthcare related queries.

This Pharmacy School consists of (1) Department of Pharmaceutical Chemistry, (2) Department of Pharmaceutics (3) Department of Pharmacology and (4) Department of Pharmacognosy and Phytochemistry

**Programs and selection procedure**

**Bachelor of Pharmacy (B. Pharm.)**

**Duration:** Four Years (8 Semesters)

**Seats:** 120 (60 General and 60 SFS, inclusive of seats reserved for NRI/Sponsored candidates. Additional seats are available for Foreign National candidates).

**Eligibility:** A candidate must have:
- Passed Senior Secondary (12th Standard/Intermediate) examination with Physics, Chemistry and Biology/ Mathematics from Central Board of Secondary Education or any other examination recognized by Jamia Hamdard as equivalent thereto securing at least 50% marks in the aggregate and also in the aggregate of Physics, Chemistry and Biology/ Mathematics.
- Completed the age of 17 years on or before 31st December 2020 as per PCI norms

**Selection procedure:**
Appeared in NEET 2020/Paper-1 of JEE (Main) **2020**. Selection will be based on merit in NEET 2020/Paper-1 of JEE (Main) 2020.
Non-NEET/non-JEE candidates may also apply, however NEET-2020/JEE-2020 candidates will be preferred. Non-NEET/non-JEE applicants may be considered only if suitable number of NEET 2020/JEE 2020 candidates is not available. If such situation arises, Non NEET/non JEE applicants will be selected on the basis of aggregate percentage of first 5 subjects of the qualifying examination.
Allocation of seats for NEET/JEE candidates will depend upon the number of applications received under a category (NEET/JEE or PCB/PCM stream).
B. Pharm. II Year (Lateral entry)

**Duration:** 3 Years (6 Semesters)

**Seats:** 12

**Eligibility:** A candidate must have:
- Passed Diploma in Pharmacy examination of Jamia Hamdard or from any other recognized institution with 50% marks in the aggregate.
- Passed 10+2 examination from CBSE or any other board recognized by Jamia Hamdard as equivalent thereto with PCB.

**Selection procedure:** Admission to B Pharm II Year will be made on the basis of merit determined by marks obtained in D Pharm. Candidates have to submit the result of the D.Pharm, preferably on or before the last date of submission of application form or as notified by the University. Candidate with result awaited may be offered admission only after submission of final result, if seats remain vacant.

Diploma in Pharmacy (D. Pharm.)

**Duration:** 2 Years

**Seats:** 60

**Eligibility:** A candidate must have
- Passed Senior Secondary (12th Standard/Intermediate) examination with Physics, Chemistry and Biology/Mathematics from Central Board of Secondary Education or any other examination recognized by Jamia Hamdard as equivalent thereto, securing at least 45% marks in the aggregate and also in the aggregate of Physics, Chemistry and Biology/Mathematics.
- Completed the age of 17 years on or before 31st December 2020 as per PCI norms

**Selection Procedure:** Admission to D. Pharm. programme shall be made through merit of first 5 subjects in qualifying examination (10+2 PCB/PCM stream).

**Note:** Allocation of seats for PCB/PCM stream candidates will depend upon the number of applications received under a category (PCB/PCM stream).

Master of Pharmacy (M. Pharm.)

**Duration:** Two years (Four Semesters)

**Seats:** 77

**Specialization and no. of seats** (may vary as per AICTE/PCI norms)
- M Pharm Pharmaceutics 15
- M Pharm Pharmacology 15
- M Pharm Pharmaceutical Chemistry 10
Eligibility: A candidate must have:

- Passed B. Pharm. examination from an institution recognized by Jamia Hamdard and approved by PCI and AICTE, securing at least 55% marks in the aggregate of theory papers and practicals.
- Preference will be given to GPAT qualified candidates.
- For consideration under the Sponsored category, candidates should have a two-year full-time work experience in a registered firm/industry/educational institution. If experienced candidates are not available, consideration to fresh candidates may be given.

Selection Procedure: The admission to the M. Pharm. programme will be offered on the basis of merit of GPAT qualified candidates. If sufficient numbers of GPAT qualified candidates are not available, admission will be subsequently offered on the basis of B Pharm percentage. Admission under NRI/Sponsored category candidates’ will also be made on the basis of B. Pharm percentage.

Important note: Scholarships may be available for M.Pharm students (GPAT qualified) from AICTE.

Ph.D. programs offered in following disciplines:

- Pharmaceutics
- Pharmacognosy & Phytochemistry
- Pharmaceutical Chemistry
- Pharmacology
- Pharmaceutics with specialization in Quality Assurance
- Pharmacognosy & Phytochemistry with specialization in Biotechnology
- Pharmaceutical Chemistry with specialization in Pharmaceutical Analysis
- Pharmacology with specialization in Pharmacy Practice

Eligibility: M. Pharm. in the relevant subject securing at least 55% marks in the aggregate or equivalent grade from Jamia Hamdard or from any other institution, recognized by AICTE/PCI/AIU and Jamia Hamdard.
GPAT/NET-JRF/Individual Fellowship holders/Project Fellows will be preferred for admissions in Ph.D. programs

**Ph.D.—Pharmaceutical Medicine**

**Eligibility:** M. Pharm. in Pharmacology/ Hospital Pharmacy/ Clinical Pharmacy/ Pharmaceutics or MBBS degree securing at least 55% marks in the aggregate or equivalent grade from Jamia Hamdard or from any other institution, recognized by AICTE/PCI/AlU and Jamia Hamdard. Preference will be given to MD / DNB degree holders in Pharmacology/ Medicine / Clinical Pharmacology.

GPAT/NET-JRF/Individual Fellowship holders/Project Fellows will be preferred for admissions in Ph.D. programs
School of Nursing Sciences and Allied Health
Rufaida College of Nursing

**Rufaida School of Nursing** was established in 1983 in order to popularize the noble profession of Nursing amongst Indian Muslims. The School of Nursing was upgraded into College of Nursing in 1994. Over a period of more than three decades, many batches have graduated from the college and today the College of Nursing attracts students from all over the country. The facilities available at Hakeem Abdul Hameed Centenary Hospital and other hospitals in Delhi and community health centres are utilized for teaching and practical training of students. The College maintains a Health Care Centre for the under-privileged in the neighboring area of the university. The diploma, degree, postgraduate degree and doctorate offered by the College of Nursing are recognized by the Indian Nursing Council (INC). The successful graduates of the programmes get 100% employment through campus recruitment in leading hospitals and healthcare institutions. There is a global demand for our graduates to work in health care facilities.
Programs of study and selection procedure in Nursing

B.Sc. (Hons) Nursing

Duration: Four years
Seats: 60 (inclusive of foreign nationals/NRIs).

Eligibility: (only 10% of seats to be filled with male candidates)
- Completed the age of 17 yrs on or before 31st December 2020 as per INC norms
- Passed Senior Secondary (12th Standard/Intermediate) examination with Physics, Chemistry, Biology and English from Central Board of Secondary Education or any other examination recognized by Jamia Hamdard as equivalent thereto, securing at least 45% marks in the aggregate and also in the aggregate of Physics, Chemistry and Biology. Student must have passed in all the subjects of 12th standard.
- Candidate should be able to communicate in English
- Candidate should be medically fit

Selection procedure: Selection will be made on the basis of merit based on NEET 2020 rank, from among the candidates, who apply for the program through online Jamia Hamdard Application form. Non NEET candidates may also apply. Although NEET 2020 candidates will be preferred, non-NEET applicants may be considered on the basis of merit in qualifying examination.

Post Basic BSc Nursing

Duration: 2 Years
Seats: 30 (only 10% of the seats to be filled with male candidates)

Eligibility: A candidate must have
- DGNM qualification from Nursing School/College recognized by Indian Nursing Council
- 10+2 or Senior Secondary/Intermediate from CBSE or any other equivalent examination recognized by Jamia Hamdard.
- Registered as RN (Registered Nurse) and RM (Registered Midwife) under State Nursing Council
- Candidate should be able to communicate in English
- Candidate should be medically fit

Selection Procedure: The applicant for Post Basic BSc Nursing programme shall have to appear in the Entrance Test conducted by Jamia Hamdard. The questions will be based on DGNM syllabus as per INC.
Diploma in General Nursing and Midwifery (DGNM)

**Duration:** 03 years  
**Seats:** 70 (Only 10% seats to be filled with male candidates)

**Eligibility:**

- 10+2 class passed in Science/Arts/Commerce from recognized Board under ASSCE/CBSE/ICSE/SSCE/HSCE or any other Board recognized by Jamia Hamdard as equivalent thereto; must have secured 50% marks in 10+2 examination.
- Candidate must have passed in any four subjects including English (3 subjects + English) from the list given below.
- Candidate must have passed in all the subjects of 10+2 (five subjects as per the CBSE policy).
- English shall not be included for calculating the percentage
- Candidate should be able to communicate in English
- Candidate should be medically fit
- Completed the age of 17 yr on or before 31st Dec. 2020. Upper age limit is 35 yrs.

**Selection Procedure:** Admission to DGNM course in Jamia Hamdard shall be made on the basis of merit of first 5 subjects of qualifying exam.

**M.Sc. Nursing**

**Duration:** Two years  
**Seats:** 25 (Inclusive of foreign nationals/NRIs).

**M.Sc. Nursing Specialization**

**Eligibility:** A candidate must have:

- Passed B.Sc. Nursing / B.Sc. (Hons.) Nursing / Post Basic B.Sc. Nursing with minimum of 55% marks in aggregate from an Institution recognized by Indian Nursing Council.
- A Registered Nurse and Registered Midwife Certificate or equivalent with any State Nursing Registration Council.
- At least one year of work experience in Nursing field prior or after Post Basic B.Sc Nursing/ or after B.Sc-Nursing after registration with the state nursing registration council.
- Appeared in the Entrance Test conducted by Jamia Hamdard.

**Selection procedure:** The applicants for admission to the M.Sc (Nursing) programme shall have to appear in the Entrance test conducted by Jamia Hamdard. The test paper will comprise of questions based on syllabus of B.Sc. (Hons.) Nursing prescribed by INC. Selection will be made on the basis of merit through entrance test.

**General note for all Nursing students:**

1. Stay in the hostel is recommended for all Nursing students. Hostel accommodation is provided on payment of prescribed charges.
2. For admission against the Foreign National/NRI/ Sponsored seats, wherever applicable, written test is not required.

**Ph.D. Nursing**

**Eligibility:** M.Sc. in Nursing recognized by Indian Nursing Council (INC), with at least 55% marks in aggregate. Candidates possessing a degree considered equivalent to M.Phil. Degree shall also be eligible for admission.

NET-JRF/Individual Fellowship holders/Project Fellows will be preferred for admissions in Ph.D. programs.
Department of Rehabilitation Sciences
The Department of Rehabilitation Sciences has been conducting the post graduate Programme from 1998 and Under Graduate programme from 2001 respectively. The PhD Programme has commenced from 2017. The academic programme has recognition from relevant Councils. Academic programme are in consonance with the National and International professional bodies.

Consequently, the job availability to pass-out students has been very good. Many of our alumni are holding responsible positions in Govt. and private institutes nationally. Students are in demand for jobs abroad and they under take further studies as well.

Rehabilitation Science programs

Bachelor of Physiotherapy (BPT)

**Duration:** Four years plus compulsory internship of six months

**Seats:** 50

**Eligibility:** Passed Senior Secondary (12th Standard/Intermediate) examination with Physics, Chemistry and Biology from Central Board of Secondary Education or any other examination recognized by Jamia Hamdard as equivalent thereto securing at least 50% marks in the aggregate and also in the aggregate of Physics, Chemistry and Biology.

**Selection procedure:** On the basis of merit through NEET 2020, among the candidates, who apply for admission to BPT Degree Course through online Jamia Hamdard Application Form. *Non NEET candidates may also apply. Although NEET candidates will be preferred, non-NEET applicants may be considered on the basis of merit of first 5 subjects in qualifying examination.*

A candidate having at least one year diploma in Yoga may be given preference in admission, subject to the condition that marks secured in the entrance examination and other eligibility conditions are same to a candidate with similar credentials but not having said expertise in Yoga.

Bachelor of Occupational Therapy (BOT)

**Duration:** Four years plus compulsory internship of six months

**Seats:** 50
Eligibility: Passed Senior Secondary (12th Standard/Intermediate) examination with Physics, Chemistry and Biology from Central Board of Secondary Education or any other examination recognized by Jamia Hamdard as equivalent thereto securing at least 50% marks in the aggregate and also in the aggregate of Physics, Chemistry and Biology.

Selection procedure: On the basis of merit through NEET 2020, among the candidates, who apply for admission to BOT Degree Course through Online Jamia Hamdard Application Form. Non NEET candidates may also apply. Although NEET candidates will be preferred, non-NEET applicants may be considered on the basis of merit of first 5 subjects in qualifying examination.

Master of Physiotherapy (MPT) – Cardiopulmonary / Neurology / Musculoskeletal / Sports

Duration: 2 Years
Seats: 5 in the discipline of cardiopulmonary, neurology and sports; 6 in the discipline of musculoskeletal.

Eligibility: A candidate must have:
- Bachelor of Physiotherapy (BPT) from an institution recognized by Jamia Hamdard or University/Institute approved by the UGC, securing at least 50% marks in the aggregate. The BPT course should be recognized by Delhi Council of Physiotherapy and Occupational therapy.
- Candidates who have obtained degree in BPT from distant mode are not eligible for Post Graduate courses in Physiotherapy.
- Appeared in the Entrance Test conducted by Jamia Hamdard

Selection procedure: An Entrance Test will be conducted. The question paper will comprise of questions on basic sciences and physiotherapy subjects taught at BPT level.

Master of Occupational Therapy (MOT) – Musculoskeletal / Pediatrics

Duration: Two Years
Seats: 6 in each discipline

Eligibility: A candidate must have:
- Bachelor of Occupational Therapy (BOT) from an institution recognized by Jamia Hamdard or University/Institute approved by the UGC, securing at least 50% marks in the aggregate. The BOT course should be recognized by Delhi Council of Physiotherapy and Occupational therapy.
• Candidates who have obtained degree in BOT from distant mode are not eligible for Post Graduate courses in Occupational Therapy.
• Appeared in the Entrance Test conducted by Jamia Hamdard

**Selection Procedure**: Merit in the Entrance Test conducted by Jamia Hamdard.

**Ph.D. in Rehabilitation Sciences**

**Eligibility**:
• Master of Physiotherapy/ Master of Occupational Therapy Programme with at least 55% marks (Or equivalent CGPA) in aggregate from any University/ Institution recognized by UGC.
• NET-JRF/Individual Fellowship holders/Project Fellows will be preferred for admissions in Ph.D. Programme.

**Department of Paramedical Sciences**

**M.Sc. (Medical Lab Sciences)**

**Duration**: 2 years  
**Seats**: 10 (Inclusive of seats reserved for NRI/Sponsored candidates); additional seats are available for foreign national.

**Eligibility**:
- Passed B.Sc. Medical Lab Technology with at least 55% marks.

**Selection procedure**: On the basis of merit of qualifying examination.

**M.Sc. (Medical Radiology and Imaging Technology)**

**Duration**: 2 years  
**Seats**: 10 (Inclusive of seats reserved for NRI/Sponsored candidates); additional seats are available for foreign national.

**Eligibility**:
- Passed B.Sc. Medical Imaging Technology with at least 55% marks.

**Selection procedure**: On the basis of merit of qualifying examination.
Master of Optometry

Duration: 2 years
Seats: 10 (Inclusive of seats reserved for NRI/Sponsored candidates); additional seats are available for foreign national.

Eligibility:

- Passed Bachelor of Optometry with at least 55% marks.

Selection procedure: On the basis of merit of qualifying examination.

B.Sc. (Medical Laboratory Techniques)

Duration: 4 years (Six semesters + 1 year compulsory internship)
Seats: 42 (Inclusive of seats reserved for NRI/Sponsored candidates); additional seats are available for foreign national.

Eligibility:

- Passed Senior Secondary (12th Standard/Intermediate) examination with Physics, Chemistry and Biology from Central Board of Secondary Education or any other examination recognized by Jamia Hamdard as equivalent thereto and secured at least 50% marks in the aggregate.

- Appeared in NEET 2020 (National Eligibility cum Entrance Test) for MBBS conducted by CBSE.

Selection procedure: On the basis of merit in the Qualifying Examination.

B.Sc. (Trauma Care Management)

Duration: 4 years (Six semesters + 1 year compulsory internship)
Seats: 25 seats (Inclusive of seats reserved for NRI/Sponsored candidates); additional seats are available for foreign national.

Eligibility:

- Passed Senior Secondary (12th Standard/Intermediate) examination with Physics, Chemistry and Biology from Central Board of Secondary Education or any other examination recognized by Jamia Hamdard as equivalent thereto and secured at least 50% marks in the aggregate.
Appeared in NEET 2020 (National Eligibility cum Entrance Test) for MBBS conducted by CBSE.

**Selection procedure**: On the basis of merit in the Qualifying Examination.

**Bachelor of Optometry**

- **Duration**: 4 years (Six semesters + 1 year compulsory internship)
- **Seats**: 30 seats (Inclusive of seats reserved for NRI/Sponsored candidates); additional seats are available for foreign national.

**Eligibility**:
- Passed Senior Secondary (12th Standard/Intermediate) examination with Physics, Chemistry and Biology from Central Board of Secondary Education or any other examination recognized by Jamia Hamdard as equivalent thereto and secured at least 50% marks in the aggregate.
- Appeared in NEET 2020 (National Eligibility cum Entrance Test) for MBBS conducted by CBSE.

**Selection procedure**: On the basis of merit in the Qualifying Examination.

**B.Sc. (Medical Imaging Technology)**

- **Duration**: 4 years (Six semesters + 1 year compulsory internship)
- **Seats**: 30 seats (Inclusive of seats reserved for NRI/Sponsored candidates); additional seats are available for foreign national.

**Eligibility**:
- Passed Senior Secondary (12th Standard/Intermediate) examination with Physics, Chemistry and Biology from Central Board of Secondary Education or any other examination recognized by Jamia Hamdard as equivalent thereto and secured at least 50% marks in the aggregate.
- Appeared in NEET 2020 (National Eligibility cum Entrance Test) for MBBS conducted by CBSE.

**Selection procedure**: On the basis of merit in the Qualifying Examination.

**B.Sc. (Anaesthesia & Operation Theatre Techniques)**

- **Duration**: 4 years (Six semesters + 1 year compulsory internship)
Seats: 35 seats (Inclusive of seats reserved for NRI/Sponsored candidates); additional seats are available for foreign national.

Eligibility:
- Passed Senior Secondary (12th Standard/Intermediate) examination with Physics, Chemistry and Biology from Central Board of Secondary Education or any other examination recognized by Jamia Hamdard as equivalent thereto and secured at least 50% marks in the aggregate.
- Appeared in NEET 2020 (National Eligibility cum Entrance Test) for MBBS conducted by CBSE.

Selection procedure: On the basis of merit in the Qualifying Examination.

B.Sc. (Medical Record & Health Information Management)

Duration: 4 years (Six semesters + 1 year compulsory internship)
Seats: 25 seats (Inclusive of seats reserved for NRI/Sponsored candidates); additional seats are available for foreign national.

Eligibility:
- Passed Senior Secondary (12th Standard/Intermediate) examination with Physics, Chemistry and Biology from Central Board of Secondary Education or any other examination recognized by Jamia Hamdard as equivalent thereto and secured at least 50% marks in the aggregate.
- Appeared in NEET 2020 (National Eligibility cum Entrance Test) for MBBS conducted by CBSE.

Selection procedure: On the basis of merit in the Qualifying Examination.

B.Sc. (Cardiology Laboratory Techniques)

Duration: 4 years (Six semesters + 1 year compulsory internship)
Seats: 25 seats (Inclusive of seats reserved for NRI/Sponsored candidates); additional seats are available for foreign national.

Eligibility:
- Passed Senior Secondary (12th Standard/Intermediate) examination with Physics, Chemistry and Biology from Central Board of Secondary Education or any other examination recognized
by Jamia Hamdard as equivalent thereto and secured at least 50% marks in the aggregate.

- Appeared in NEET 2020 (National Eligibility cum Entrance Test) for MBBS conducted by CBSE.

**Selection procedure:** On the basis of merit in the Qualifying Examination.

**B.Sc. (Dialysis Techniques)**

- **Duration:** 4 years (Six semesters + 1 year compulsory internship)
- **Seats:** 30 seats (Inclusive of seats reserved for NRI/Sponsored candidates; additional seats are available for foreign nationals)

**Eligibility:**

- Passed Senior Secondary (12th Standard/Intermediate) examination with Physics, Chemistry and Biology from Central Board of Secondary Education or any other examination recognized by Jamia Hamdard as equivalent thereto and secured at least 50% marks in the aggregate.

- Appeared in NEET 2020 (National Eligibility cum Entrance Test) for MBBS conducted by CBSE.

**Selection procedure:** On the basis of merit in the Qualifying Examination.

**Lateral Entry admissions – B.Sc. (Medical Laboratory Techniques), Bachelor of Optometry, B.Sc. (Medical Imaging Technology), B.Sc. (Anaesthesia & Operation Theatre Techniques), B.Sc. (Medical Record & Health Information Management), B.Sc. (Dialysis Techniques) 3rd Semester, through Lateral Entry.**

- **Duration:** 3 years (4 Semesters + 1 year compulsory internship)
- **Seats:** 10 seats each in BOPT, BMR&HIM, BAOTT and BDT 15 seats in BMIT 35 seats in BMLT (Seats inclusive of seats reserved for NRI/Sponsored candidates; additional seats are available for foreign nationals)

**Eligibility for Lateral Entry in B.Sc. (Medical Laboratory Techniques), Bachelor of Optometry, B.Sc. (Medical Imaging Technology), B.Sc. (Anaesthesia& Operation Theatre Techniques), B.Sc. (Medical Record & Health Information Management), B.Sc. (Dialysis Techniques)**
1. A candidate must have passed a two years Diploma in respective course (after 10 +2) with 50% marks in the aggregate or 3 years Diploma after 10th examination from science stream, except for DXE where the student is eligible to apply for BMIT.

2. Liberal transfer credit system:

A student who has passed with 60% marks each in at least two of the subjects mentioned below can take admission in lateral entry of any of the degree programmes after fulfilling the selection procedure provided he/she agrees to attend the requisite classes to complete his/her credit hours and successfully clears the first and second semester examination of the related program by the end of 3rd and 4th semester; Anatomy, Physiology, Biochemistry, Pathology, Microbiology, Physics, Maths, Chemistry.

**Selection procedure:** For admission to BMLT, BOPT, BMIT, BAOTT, BMR & HIM, BDT Lateral Entry 3rd Semester Degree Courses will be made on the basis of merit determined by marks obtained in the respective Diploma course.

**Inter-transfer in Paramedical programs**

Interchange of number of vacant seats between lateral entry and regular seats at entry point within a specific program is possible, subject to the approval of the competent authority.

**Diplomas in Paramedical Sciences**

**Diploma in X-ray & ECG Techniques (DXE)**

- **Duration:** Two years (Four Semesters)
- **Total Seats:** 15 seats (inclusive of seats reserved for NRI/Sponsored candidates); (Additional seats are available for foreign nationals.

**Eligibility:**

- Passed Senior Secondary (12th Standard/Intermediate) examination with Physics, Chemistry and Biology from Central Board of Secondary Education or any other examination recognized by Jamia Hamdard as equivalent thereto and secured at least 45% marks in the aggregate.

**Selection Procedure:** Admission to all Diploma courses of paramedical sciences shall be made through merit in the qualifying examination.
Diploma in Operation Theatre Techniques (DOTT)

Duration: Two years (Four Semesters)
Seats: 15 seats (inclusive of seats reserved for NRI/Sponsored candidates); additional seats are available for foreign nationals.

Eligibility:
- Passed Senior Secondary (12th Standard/Intermediate) examination with Physics, Chemistry and Biology from Central Board of Secondary Education or any other examination recognized by Jamia Hamdard as equivalent thereto and secured at least 45% marks in the aggregate.

Selection Procedure: Admission to all Diploma courses in Jamia Hamdard shall be made through merit in the qualifying examination.

Diploma in Dialysis Techniques (DDT)

Duration: Two years (Four Semesters)
Seats: 15 seats (Inclusive of seats reserved for NRI/Sponsored candidates); additional seats are available for foreign nationals.

Eligibility:
- Passed Senior Secondary (12th Standard/Intermediate) examination with Physics, Chemistry and Biology from Central Board of Secondary Education or any other examination recognized by Jamia Hamdard as equivalent thereto and secured at least 45% marks in the aggregate.

Selection Procedure: Admission to all Diploma courses in Jamia Hamdard shall be made through merit in the qualifying examination.

Diploma in Medical Record & Health Information Management (DMR&HIM)

Duration: Two years (Four Semesters)
Seats: 15 seats (Inclusive of seats reserved for NRI/Sponsored candidates); additional seats are available for foreign nationals.

Eligibility:
- Passed Senior Secondary (12th Standard/Intermediate) examination with Physics, Chemistry and Biology from Central Board of Secondary Education or any other examination recognized by Jamia Hamdard as equivalent thereto and secured at least 45% marks in the aggregate.

**Selection Procedure**: Admission to all Diploma courses in Jamia Hamdard shall be made through merit in the qualifying examination.

If seats are available in DMR&HIM, candidates from non-sciences streams with at least 45% marks in the aggregate of subjects of Senior Secondary (12th Standard/Intermediate) are also eligible.
Thrust areas of research in the School are environment and health. The research objective is to understand the etiology of diseases at molecular level and inter-relationship between nutrients and drugs. Modern bio-medical research tools and developments in the fields of Genetic Engineering, Genomics, Proteomics and Bioinformatics are being used to understand the cellular processes associated with health and diseases. The emerging concept of role of elements in health, effect of chemicals on environment, health and ecosystem including mitigation of their toxicity and carcinogenicity are other areas of research. Scientific evaluation of the efficacy of herbal medicine is being extensively pursued. The effect of environment on growth, structure and chemistry of plants, relationship between structure and function of proteins and enzymes, development of biomolecules by r-DNA technology, regulation of gene expression, development of new generation vaccines and diagnostic probes, enhancement of secondary metabolites in medicinal plants, metabolomics, molecular biology of diseases, biotransformation of medicinal plants for better yield of medicinal compounds and transgenics of valuable crops and medicinal plants are also being studied. Besides the departments, the School has the following facilities:

1. Central Instrumentation Facility
2. Central Animal House Facility
3. Herbal Garden
4. Transgenic Containment Facility

**Departments/Centres**

School consists of the following departments and centres

- Department of Biochemistry
• Department of Biotechnology
• Department of Botany
• Department of Chemistry
• Centre for Translational and Clinical Research
• Department of Medical Elementology and Toxicology

**Department of Biochemistry**

The Department of Biochemistry, established in the year 1994, is one of the six Departments of School of Chemical and Life Sciences of Jamia Hamdard. The department is recognized for its excellence in higher education and research in India and abroad. The Department of Biochemistry conducts Integrated B.Sc.-M.Sc., M.Sc. and Ph.D. programmes. The faculty is highly accomplished and is involved in cutting-edge research in the field of biological sciences. Apart from grants from various prestigious funding agencies such as CSIR, ICMR, CCRUM, DST and DBT, the department is also a recipient of UGC Special Assistance Program (UGC-SAP) and has recently been upgraded to DRS II. The Department has also been granted “Fund for Improvement of S&T Infrastructure (FIST)” of the Department of Science & Technology (DST), Government of India.

The department has access to a dedicated animal house for research programs which maintains small animals such as mice, rats, rabbits, and guinea pigs. The department has smart classrooms for studies along with dedicated and well-equipped labs for PG and UG students. Besides the central instrumentation facility (CIF) of the school the department has its own CIF with state of the art equipments. Over the years, the Department has developed facilities for high precision analytical work and has acquired sophisticated equipments and tools for cellular and molecular research including the facility to work on cell lines.

The academic curriculum is periodically revised in consultation, and with approval from the Board of Studies of the department to keep the students abreast with current trends in Biochemistry. The syllabus is also well aligned with the key national level scholarship programs like CSIR, DBT, ICMR etc. The hands-on training is imparted to students in most of the contemporary areas, which prepares them to undertake research in cutting-edge fields for their Ph.D. within the university or outside. There is a fine balance in class room teaching as well as hands on experimental training.

**Thrust Areas of Research**

- Biology of *Mycobacterium tuberculosis*; Ribonucleases in human health and disease; Targeted therapy of cancer.
- Innate immunity, Chronic diseases, Tissue injury, Regeneration and repair.
- Alzheimer’s disease; Traditional medicines.
• Cancer Etiology, DNA damage and repair, Nutrigenomics, Proteomics.
• Molecular Immunology, Development of FRET Based Biosensors.
• Host-pathogen interactions; Computational biology.
• Alternative splicing and disease.
• Toxicant-mediated metabolic syndrome.
• Role of novel kinase pathways in virus mediated oncogenesis.
• Structural Biology and Molecular Biophysics

The Department regularly organizes seminars, workshops, brain-storming and interactive sessions for the students, besides providing training to students and staff from other institutes, universities and colleges. The faculty actively participates in international and national conferences, seminars, workshops, meetings, orientation and refresher courses, and is on the panel of experts in various academic and non-academic bodies. Students are encouraged for creative learning and to deliver lectures/debates on topics of current interest in biological sciences. Students have high rate of success in various competitive examinations and many of the pass outs are working in premier institutes and companies in India and abroad. About 200 students of the department have qualified various national level tests since its inception in 1994. Students are working as scientist and academicians in government setups including DRDO, CSIR and Indian universities, besides taking up jobs in private sectors.

Department of Biotechnology

The Department is supported by FIST (DST, Govt. of India) and SAP (UGC). It offers three formal programmes of study: a five years B.Sc.-M.Sc. integrated course with exit clause after three years leading to B.Sc. (Hons.) degree in Biotechnology and after five years leading to M.Sc. degree in Biotechnology, a two year postgraduate course leading to M.Sc. in Biotechnology and doctoral research leading to Ph. D. degree. Besides, it also offers opportunity for post-doctoral research. The faculty members of the Department have been able to attract number of extramurally funded research projects from various funding agencies such as DBT, DST, CSIR, ICAR, ICMR, DRDO, UGC, DOE, ISM&H, CCRUM, AYUSH and World Bank. M.Sc. Part II students are allowed to do an intensive project work with teachers of the faculty covering literature survey, experimentation (wet lab), data generation, writing and presentation skills.

The current research interests of the faculty members include: development of biomolecules by r-DNA technology, regulation of gene expression, development of diagnostic tests, molecular virology; human viruses, vaccine development, genomics/proteomics of cancers and development of biomarkers for their early detection, Molecular biology of non-infectious diseases, proteomics of host-pathogen interactions, enhancement of secondary metabolites through genetic engineering and in vitro culture, metabolic engineering of medicinal plants for better yields of medicinal compounds, in vivo and in vitro conservation of medicinal plants and transgenics of vegetables, floriculture and oil crops.
The Department has inter-institutional collaboration with ICGEB (New Delhi), AIIMS (New Delhi), NII (New Delhi), Dabur Research Foundation (Ghaziabad), National Institute of Communicable Diseases (New Delhi), National Centre for Biological Sciences (Bangalore), CDRI (Lucknow), TERI (New Delhi), IARI (New Delhi), JNU (New Delhi), University of Delhi South Campus (New Delhi), Institute of Genomics and Integrative Biology (New Delhi), CDFD (Hyderabad), IITR (Lucknow), IIIM (Jammu), DRDO (New Delhi), Talwar Research Foundation (New Delhi), THSTI (Faridabad), NIPGR to name a few.

The students of biotechnology have high rate of success in NET/GATE/ICMR/DBT tests for JRF. They have been selected in reputed institutions such as JMI, Delhi University, CCMB, CDFD, AIIMS, IISc, ICGEB, NII, NCCS, NCBS etc., besides placements abroad.

Recently the Department has developed international research programs (Indo-US Vaccine Action Program) with the Emory University, USA and Centre for Disease Control (CDC), USA on infectious diseases.

**Centre for Transgenic Plant Development**

The Centre is a unit of Department of Biotechnology. It is equipped with the state of the art facilities to train Ph. D. and postdoctoral students and to carry out research in various disciplines of plant and microbial biotechnology. The major R & D activities being pursued include cloning and characterization of novel genes linked with tolerance to biotic and abiotic stresses and quality traits of medicinal and crop plants, authentication and standardization of crude components of herbal formulations and nano vehicle assisted gene delivery in plants. The thrust areas of centre also include improving the quality of medicinal crops through genetic engineering of metabolic pathway; miRNA and RNAI approaches, conservation of medicinal plants; developments of easy, rapid, sensitive, cost effective method for aflatoxigenic mould detection in the groundnut kernels and soil and identification and quantification of aflatoxins in the food and feed. The centre has received grants from government agencies such as DST, DBT, Department of AYUSH, CCRUM, CSIR, ICMR, DRDO etc. for R & D projects carried out at the Centre. The consultancy projects from biotech companies are also carried out in the centre.

**Department of Botany**

The Department of Botany, which came into existence in the year 1989, has developed strong research programmes in the fields of stress physiology, structural & developmental botany, environmental botany, systematics, medicobotany, plant biotechnology and molecular biology. The first registration for Ph.D. was done in 1991. The post-graduate teaching programme started in 1994 leading to the award of M.Sc. degree. The first Ph.D. degree in Botany was awarded in 1995 and the first batch of students got M.Sc. degrees in 1996. So far 24 batches have successfully passed out from this department. A Post-graduate Diploma in Environmental Monitoring and Impact Assessment is also run by the department through distance mode of learning.
During the last 29 years as many as 107 students have been the recipients of Ph.D. degree. Alumni of the department have distinguished as teachers and scientists occupying important position in Indian universities, research institutions, colleges and non-governmental organizations. The department has been acknowledged for its excellence and creativity by various agencies of National/International repute.

Thrust areas of research

- Understanding the physiological and molecular mechanisms under different abiotic stresses; emphasis on important traits
- Identification of genes and metabolic pathways associated with abiotic stress tolerance in crop plants
- Discovery of novel QTL/allele for abiotic stress tolerance in crop plants
- Identification and characterization of medicinal plants
- Ethnobotany and plant systematics
- Tissue culture studies for alkaloid production, clonal multiplication and preservation of endangered species
- In vitro embryogenesis, gene expression; in vitro mutagenesis and crop improvement; chromosomal, molecular and proteomic analysis of variant/tissues, enhancement of secondary metabolites using biotic and abiotic elicitation; cryopreservation of important tissue/cell lines.
- Development of plant/crop transgenics to address various traits
- In vitro characterization of active principles from medicinal/herbal plants
- Development of diagnostics for the detection of plant viruses.

Research Facilities

The Department has well equipped laboratories for research. The available equipments include Growth chambers, BOD incubators, Refrigerated microfuges, Laminar air flow, Shakers, Environmental shaker incubator, Double beam spectrophotometer, PCR, High speed cold centrifuge, Deep freezer (-20, -80.), IRGA (Photosynthesis System), Leaf area meters, Flame photometer, Sliding and rotary microtomes, Gel documentation system and Nikon Phase contrast microscope with photographic attachment, Weather station attached with gas monitoring sensors, Spectrophotometers, Chlorophyll Fluorometer, Plant Canopy Analyzer, Rotavapor, Sound level meter, Gas & dust analysing system and Inverted fluorescent microscope. A modest Green House and an environmentally controlled Glass House is also available. Twenty three research projects from different funding agencies such as DBT, DST, UGC, AYUSH, IPI, CCRUM, etc. are successfully completed in the department. The department has received substantial funding from DST and UGC under DS-FIST, UGC-SAP (DRS-I) programmes.

Centre for Translational and Clinical Research

The Centre was established as a Department of Clinical Research in the year 2009 with an objective to train human resources in clinical research. In the year 2012 activities of the Centre were
expanded by including component of translational research. The Centre envisages imparting theory and practical training in all aspects of clinical research and clinical trials. It provides opportunity to young aspirants desirous of pursuing a career in expanding healthcare sector in India and abroad. According to industry sources, the clinical research industry in India will require a large number of professionals trained in various aspects of clinical research in the coming years. Importance of clinical research has got recognition in recent years due to commendable growth in domestic pharma industry. Global pharma giants have shown interest to conduct clinical trials in India. Moreover, a number of Contract Research Organisations (CROs) have been set up in India. These organizations provide support to the pharmaceutical, biotechnology, and medical device industries in the form of research services outsourced on a contract basis. In view of all this developments demand for clinical research professionals in India is expected to grow exponentially. Therefore, personnel involved in clinical research needs training in Good Clinical Practices (GCP) and ethics.

The Centre offers a four semester full-time M.Sc. programme in Clinical Research and Ph.D. in Clinical and Translational Science which takes care of all aspects of clinical research. The Centre is also offering B.Sc.-M.Sc. integrated programme with an exit option of B.Sc. (Hons.) in Clinical Research. The study programme is comprehensive based on both course work and hands-on research experience in leading clinical research organization. It is a broad-based multi-disciplinary study programme to prepare professionals in clinical research with training in the principles and methods of clinical research, clinical trials, epidemiology, health economics, biostatistics, bioethics, GCP, translational research and application of these principles to clinical trials. The Centre has established collaboration with Sun Pharmaceuticals Ltd., Max Healthcare Institute Ltd., INCLEN Trust International, Apollo Hospitals Educational and Research Foundation and other leading clinical research organizations for practical and hands-on training of the students. The Centre also envisages to organize communication skills workshop, and regular seminars for the students to train them in writing and presenting research data, clinical reports, grant applications and case study reports. Students are also provided exposure to Instructional Review Board (IRB) meetings.

Placement opportunities for M.Sc. Clinical Research students are very bright. Passed out students have been placed in Novartis, Panacea Biotec, Troikaa Pharmaceuticals, Fortis, Jubilant, Ind Gene, Auriga Research Ltd., Max Neeman, Max Healthcare Institute Ltd., Sun Pharmaceuticals Ltd., Religare, Totipotent, Baxter, Sir Ganga Ram Hospital, Escorts Heart Institute, Medanta, PushpawatiSinghania Research Institute (PSRI), Translational Health Science and Technology Institute (THSTI, DBT), Jamia Hamdard (in Ph.D. programme), and BIT, Mesra (in Ph.D programme). Centre regularly organizes workshops on the contemporary topics in Clinical Research. Centre also undertakes consultancy projects on clinical trials.

**Department of Chemistry**

The mission of the Department is to provide knowledge in Chemistry that offers opportunities for a high quality and comprehensive learning experience for students. The Department offers a M. Sc. Programme in chemistry with the option of specialization in organic Chemistry. The M.Sc. students are assigned intensive project assignments on topics of current research interest in fourth semester. The Department is also offering B.Sc.-M.Sc. integrated Programme with an exit option
of B.Sc. (Hons) in Chemistry. The students are exposed to sophisticated instrumental techniques such as UV-Vis, FT-IR, NMR, Flash chromatography, UP-LC, MS, Nano LC-MS and confocal microscopy during practical and their project work. The exposure gives them the idea of high-quality research in their budding stage itself and make them grow as world class graduates committed to integrity, professionalism and lifelong learning by widening their knowledge horizons in range and depth. With Wi-Fi facility in the department and hostel, the students have access to internet, most of the research journals and e-contents round the clock.

The faculty members with varied expertise are engaged in teaching and research. Students are prepared for competitive examinations including NET, GATE etc. It helps them getting employment in reputed pharmaceutical companies like Sun Pharmaceuticals Ltd. Jubilant Organosys, Glenmark, Wockhardt, Rexin, Indian Oil and other allied industries in addition to placements in Universities and colleges for teaching and research institutions for doctoral and postdoctoral positions. The department also offers a programme in PG Diploma in Chemoinformatic under Open and Distance Learning Mode.

The thrust areas of research of the department are:

- Natural product chemistry and natural product inspired pharmacophore development.
- Medicinal chemistry
  - Anti-cancer agents and anti-inflammatory agents.
  - Anti-hyperglycemic agents.
  - Anti-microbial (anti-tubercular, anti-leishmanial etc.)
  - Male and female contraceptives.
- Nano-synthesis and drug delivery.
- Nano-composites of carbon nanotubes, graphene, catalysis and hydrogen evolution.
- Gadolinium (III)-oligopeptides and anti-cancer activity.
- Fluorescent probe and bio-sensor optimization aided with their quantum-mechanical analysis.
- Molecular machine in drug delivery systems.
- Soft matter and chemistry of nano-bio interface.
- Synthesis and characterization of low-dimensional materials.

The faculty members have the reputation in their respective fields of specialization in the above-mentioned areas of research as evident from their publications in peer reviewed journals of high impact factor viz American Chemical Society, Royal Society of Chemistry, Wiley Interscience, Elsevier, Springer Science group and Nature publication.

The other frontier areas of research in the department are Diversity oriented synthesis of natural products inspired bioactive ligands as tubulin inhibitors, GSK-3-inhibitor, aldose reductase inhibitors, anti-hypoglycemic, antimicrobials agents as well as synthesis of novel Fe-S cubane type clusters and their composites with nanotubes and graphene.

Research projects in the department are sponsored by Department of Science and Technology (DST-EMR, ESR, Fast Track and INSPIRE) Funds for research have also been received from
Department of Biotechnology (DBT), Defense Research and Development Organisation (DRDO) and University Grants Commission. The university is also funding through research promotion grants for the young faculties.

Department of Medical Elementology and Toxicology

The Department of Medical Elementology and Toxicology is one of the few Departments in India having full-fledged academic programme at Postgraduate and Doctoral levels in Toxicology. The Department has made its mark in toxicological research and has been supported by the Department of Science and Technology (DST) through Fund for Improvement of S&T Infrastructure in Universities & Higher Educational Institutions (FIST) programme and University Grants Commission (UGC) Special Assistance Programme (SAP). Ph.D degree in Toxicology is being awarded in different fields of toxicology. The Department has collaborative programmes with many reputed institutes such as Indian Institute of Toxicological Research (CSIR), Lucknow; Central Drug Research Institute (CSIR), Lucknow; Indian Institute of Integrative Medicine (CSIR), Jammu; Institute of Nuclear Medicine and Allied Sciences (DRDO), New Delhi etc.

Thrust areas

- Chemoprevention of cancer by plant products/indigenous medicines and standardization of such drugs.
- Targeting the molecular mechanism and elucidation of their plausible role in induction of carcinogenesis in prostate, liver, kidney and skin at preclinical stage.
- Toxic effects of endocrine disrupting chemicals (EDCs).
- Neurodegenerative disorders and their protection.
- Role of trace elements in the manifestation of diseases.
- Ecotoxicity of environmental pollutants and their interactive effects.
- Immunotoxicity of drugs and environmental chemicals and its prevention.
- Molecular mechanism of nanoparticles in toxicity manifestation.
- Animal models of arthritis for study of mechanism of action of protective agents.
- Fly lab as an alternate model of toxicology

The Department has received funding support from agencies such as Council of Scientific and Industrial Research (CSIR), Central Council for Research InUnani Medicine (CCRUM), Department of AYUSH, Department of Biotechnology (DBT), Department of Science and Technology (DST), Indian Council for Medical Research (ICMR), Ministry of Environment and Forests and UGC. Every year a good number of students qualify fellowships offered by government agencies. Students who have obtained degree in toxicology have got placements in various companies and R&D institutes such as Sun Pharmaceuticals Ltd., CDRI, IITR, Dabur, Torrent, Cadila, Lupin, Dr. Reddy's Laboratory, Sri Ram Institute of Industrial Research, Nestle, Himalaya etc. The Department’s distinguished Alumni as faculty or postdoctoral fellows are spread all over the globe. More emphasis is given to develop academic and research skills of the students. M.Sc. programme has integral component of dissertation work in the fourth semester. After completion of the course students have job opportunities in industry and research.
organizations. A good number of students qualify NET examinations conducted by UGC-CSIR in life science and forensic science streams. The Department is fully-equipped with sophisticated equipment to perform research in all major fields of toxicology including *in vitro* and *in vivo* toxicity studies.

Courses offered:

**B.Sc.-M.Sc. Integrated programme:**
(Biochemistry, Biotechnology, Botany, Chemistry, Clinical Research and Toxicology)

**Duration**: Five years (Ten semesters)

**Seats**: 130 (30 seats in Biotechnology and 20 seats each in other disciplines)

**Eligibility**: A candidate seeking admission to the BSc-MSc Integrated program must have passed Senior Secondary (12th/Intermediate) examination with Biology/Mathematics from CBSE or any other Board recognized by JH as equivalent thereto, securing at least 50% marks or equivalent CGPA in aggregate.

**Selection procedure**: Selection will be made on the basis of merit of first five subjects in qualifying examination. The student will have exit option after sixth semester. In such cases the candidate will be awarded B.Sc. Honours degree in the respective subject of study chosen by him/her.

**M.Sc. Biochemistry**

**Duration**: Two years (Four semesters)

**Seats**: 30 [25 General Category+05 SFS Category]

**Eligibility**: Passed B.Sc. in Biochemistry or equivalent examination in Biological/Life Sciences securing at least 50% marks in aggregate.

**M.Sc. Biotechnology**

**Duration**: Two years (Four semesters)

**Seats**: 50 [30 General Category + 20 SFS]

**Eligibility**: Passed B.Sc. examination from a recognized University in Biological Sciences/B.Sc. (Agriculture)/B.V.Sc with a minimum of 50% marks in aggregate.

**M.Sc. Botany**

**Duration**: Two years (Four semesters)

**Seats**: 40

**Eligibility**: Passed B.Sc. or equivalent examination of a recognized university with Botany/Plant Sciences as one of the subjects securing at least 50% marks in the aggregate.
Selection Procedure: Selection of PG programs will be based on the merit in the qualifying examination. Qualifying exam will mean average of three years marks of B.Sc. programme. In case where final year result in not out, the average of last two years of marks will be counted for provisional selection of candidates.

M.Sc. Chemistry

Duration: Two years (Four semesters)
Seats: 40
Eligibility: Passed B.Sc. or equivalent examination from a recognized University with Chemistry as one of the subjects securing at least 50% marks in the aggregate.

M.Sc. Clinical Research

Duration: Two years (Four semesters)
Seats: 30
Eligibility: Passed MBBS/ BDS/ BAMS/ BUMS/ B.V.Sc./B.Pharm/ B.Sc. Nursing /BOT/ BPT/ B.Sc. Medical Lab. Techniques/B.Sc. with Biochemistry/ Biotechnology/ Microbiology/ Zoology /Bioinstrumentation or any other Life Sciences/Allied Health Sciences securing at least 50% marks in the aggregate

M.Sc. Toxicology

Duration: Two years (Four semesters)
Seats: 40
Eligibility: Passed B.Sc. with any three of the following subjects: Botany, Chemistry, Zoology, Biochemistry, Biotechnology, Microbiology, Environmental Biology or a subject of Life Sciences, B. Pharm./B.V.Sc./B.Sc. (Agriculture)/BMLT and other paramedical or allied sciences degree securing at least 50% marks

Selection procedure: The selection for all MSc. Programmes will be On the basis of aggregate of qualifying examination (Upto 4th semester for 3 year programme and upto 6th semester for 4 years programme.)

Note: The exact number of seats in M.Sc. programmes will be determined on the basis of students currently admitted in B.Sc.-M.Sc. Integrated Programme who opt for exit after completing three years.

Doctoral Program:

- Ph.D in Biochemistry
- Ph.D in Biotechnology
- Ph.D in Botany
- Ph.D in Chemistry
- Ph.D in Clinical and Translational Sciences
• Ph.D in Toxicology

**Eligibility**: Applicants seeking admission to PhD are advised to read JH PhD Bylaws 2016 before applying. Master’s Degree or a professional degree declared equivalent to Master’s degree by the corresponding statutory body, with at least 55% marks in aggregate or its equivalent Grade ‘B’ in the UGC 7-point scale.

NET-JRF/Individual Fellowship holders/Project Fellows will be preferred for admissions in Ph.D. programs.
The School of Interdisciplinary Sciences and Technology (SIST) promotes education and research in interdisciplinary sciences and provides opportunities to researchers and academicians to interact with the faculty and students of other schools of Jamia Hamdard and carry out research in interdisciplinary areas as well as promote opportunities for higher education in identified areas.

The school is running three departments namely **Department of Food Technology (DOFT)** and **Jamia Hamdard Institute of Molecular Medicine (JH-IMM)**. The school is currently offering B. Tech. and M. Tech. in Food Technology and Ph. D. in Food & Fermentation Technology, Bio-informatics, Chemo-informatics, Interdisciplinary Sciences and Molecular Medicine. The school is also offering One month training in Molecular Biology. SIST has entered into collaboration with URDIP (CSIR), Pune and has established a very strong PhD program in the area of Bioinformatics and Fermentation in place.

**Department of Food Technology:** Food Technology is a branch of science in which knowledge of food science is applied in manufacturing and preservation of food products. Food Technologists study the chemical, physical and microbiological make-up of the food and are involved in its processing, preservation, packaging and storage in safe, wholesome and nutritious form. The demand for professionals and trained personnel in the food industry as well as in research and development in government and industrial setup is immense and ever growing. The Food Technology program at Jamia Hamdard aims: To produce professionally competent, proficient and highly skilled personnel in the field of food technology, with a knowledge of various aspects of food science and technology including the quality of raw material, packaging standards and methodology, health and hygiene parameters, processing techniques, storage and
DOFT in the school received a substantial grant of Rs. 75 lakh in 2010 from Ministry of Food Processing Industries to strengthen the laboratories and infrastructure of the Department. As the demand of professionals and trained personnel in the food industry as well as in research and development in government and industrial set-up is immense. The department has funding for research projects from UGC, AICTE, SERB etc.

Major Placements: Nestle, Tag Taste, Intertek, Tuv Sud, Haldiram, Mother Dairy; Britannia, Danone, Heinz, Kellogg's, Cadbury, Kraft Food, Hind Agro Foods, Duke Food, Pepsico, AVON, etc.

Research Areas: Food Fortification; Vitamin D deficiency; Clinical trials; Pharmacokinetics; Edible films; Probiotics; Nanotechnology; Phytochemicals; Food safety and hazards; Food Rheology.

COURSES:

1. B. Tech Food Technology

   Duration: 4 years (Eight Semesters); Seats: 30

   Eligibility: A candidate seeking admission to the program must have passed Senior Secondary (12th/intermediate) examination with Mathematics/Biology from CBSE or any other Board recognized by JH as equivalent thereto, securing at least 50% marks or equivalent CGPA in aggregate.

   Selection procedure: Selection will be based on the merit in Paper-I of JEE (Main) 2020/NEET 2020. Non NEET & Non JEE candidates may also apply, however, NEET & JEE candidates will be preferred. Non NEET & Non JEE applicants may be considered only if suitable number if suitable number of NEET/JEE-2020 are not available or there is delay in NEET/JEE result. IF situation arises, Non NEET/Non JEE applicants will be selected on the basis of merit of first 5 subjects of the qualifying examination.

   Allocation of seats for NEET/JEE candidates will depend upon the number of application received under a category (NEET/JEE or PCM/PCM stream).

2. M. Tech. Food Technology

   Duration: 2 years (Four Semesters); Seats: 25

   Eligibility: B. Tech. in Food Technology/ Dairy Technology/ Agriculture Engineering/ Chemical Engineering/ Biotechnology/ Mechanical Engineering or MSc in Food Science/ Chemistry/ Biochemistry or allied disciplines or B. Pharma. with at least 55% marks in aggregate.
3. **Ph. D. Food and Fermentation Technology**

   **Eligibility:** Candidates having passed M Tech (Food Tech/ Biotech) or MSc (Food Science/ Technology/ Biotechnology/ Biochemistry) or M. Pharma (Pharmaceutics/ Pharmacognosy/ Phytochemistry/ Pharma Biotech) with minimum of 55% marks or equivalent grade from a recognized University/ Institute.

   NET-JRF/ Individual Fellowship holders/Project Fellows will be preferred for admission in the Ph. D. programs.

4. **Ph. D. Interdisciplinary Sciences**

   In areas where the nature of work is interdisciplinary, demanding expertise from different disciplines.

   **Eligibility:** Masters degree or a professional degree declared equivalent to Masters degree by the corresponding statutory body, with at least 55% marks in aggregate or its equivalent Grade B in the UGC 7 point scale.

   NET-JRF/ Individual Fellowship holders/Project Fellows will be preferred for admission in the Ph. D. programs.

---

**Jamia Hamdard Institute of Molecular Medicine:** The mission of JH-IMM is to develop a multidisciplinary approach via successful collaborations to bridge the gap between basic and clinical or translational sciences in India. Scientists at JH-IMM are involved in scientific programs, which try to integrate laboratory and clinical research, with an aim to develop new and innovative therapeutic modalities with an active interest in disease intervention strategies and assay development for diagnostic and therapeutic purposes.

JH-IMM Scientists, trained in reputed laboratories in the USA, are former faculties or employees of prestigious international organizations like FDA, NIH, Johns Hopkins, etc. After returning to India, they have established their labs in Delhi by securing generous funding from multiple government agencies (DBT, DST, ICMR etc). They have proved their credentials to the government funding agencies and scientific organizations through their publications, patents and grant evaluations.

**Research Areas:** Diagnostics; Genetics; Cell biology; Development of point of care devices in diagnostics; Virology; Vaccinology; Cancer Biology; Neurobiology. For the detail of research areas please visit our (Institute of Molecular Medicine under the School of Interdisciplinary Sciences and technology of the University) web site. The detail of area is available under each of the faculties. You may also visit at PUBMED for the publications of the faculties.

Facilities The SIST is well equipped with processing and analytical equipments. List of some major equipments available with department and University are as follows: HPLC, Texture Analyser, Rheometer, Hunter Lab Color Spectrophotometer, UV-Vis Spectrophotometer, Motic Inverted

**COURSES:**

1. **Ph. D. Bioinformatics**

   **Eligibility:** Masters degree with minimum of 55% marks in aggregate in subjects such as Bioinformatics, Biotechnology, Biochemistry, Microbiology, Toxicology, Pharmacology, Information Technology and other allied subjects having relevance to Bioinformatics/Chemoinformatics from a recognised University/Institute.

   NET-JRF/ Individual Fellowship holders/ Project Fellows will be preferred for admission in the Ph. D. programs.

2. **Ph.D. Molecular Medicine**

   **Eligibility:** Candidates having passed MSc in any branch of Life Sciences, M. Tech (Biotechnology) or any other related qualification with minimum of 55% marks or equivalent grade from a recognised University/Institute.

   NET-JRF/ Individual Fellowship holders/ Project Fellows will be preferred for admission in the Ph. D. programs.

3. **Ph. D. Chemoinformatics**

   **Eligibility:** Masters degree with minimum of 55% marks in aggregate in subjects such as Bioinformatics, Biotechnology, Biochemistry, Microbiology, Toxicology, Pharmacology, Information Technology and other allied subjects having relevance to Bioinformatics/Chemoinformatics from a recognised University/Institute.

   NET-JRF/ Individual Fellowship holders/ Project Fellows will be preferred for admission in the Ph. D. programs.
School of Engineering Sciences & Technology (SEST)

Department of Computer Science and Engineering

The Department of Computer Science & Engineering in the School of Engineering Sciences & Technology started in 1997, and it has grown now into a vibrant centre of teaching and research. The Department not only offers Under Graduate (UG) and Post Graduate (PG) Programmes in Computer Science & Engineering / Computer Application / IT / Bioinformatics / ECE / Data Science/ Cyber Forensics & Information Security, but is also engaged in high quality research activities leading to Ph.D. degree in different thrust areas of computer science and engineering and intra disciplinary areas viz. Big Data, Soft Computing, IOT, Neural Network, Artificial Intelligence, Fuzzy Logic, Software Engineering, Data Mining, Information Security, Cyber laws, Cyber Forensics, Computer Architecture, Graph Theory, Computer Networks, Distributed System, Discrete Structure, Robotics, Machine Intelligence, Cognitive Radios, Mobile Computing, DBMS, Algorithms, etc. to list a few. Department has made a lot of contributions towards these areas in the form of publications in journals/conference-proceedings/books/sponsored research and collaboration with industrial research.

The department has huge infrastructure to provide facilities to our students. The department has several smart cluster rooms fully equipped with state of art of technology. It also has 2 computer
labs with latest PCs having i5 processor with 8 GB RAM and 1 TB storage. The computer lab is fully equipped with latest Open Source Software as per our curriculum requirement running on Ubuntu OS. Several PCs in Computer Lab at 1st floor runs on Windows OS having required software for academics. The Department also has a Research Lab (2nd Floor, Dept. of CSE) for our Ph.D. students. These labs are fully equipped with Air Conditioning and will be going to have CCTV monitoring (already approved). The department has 1 Conference Room with seating capacity of more than 100 for conducting departmental meetings and student seminars. In ECE domain, we have basic and advanced Electronics & Communication Labs according to required curriculum. These labs include Analog & Digital Labs, Embedded Systems Lab, FPGA Development kits, DSP Lab, Satellite & Microwave Lab, Digital Design Lab etc. The ECE labs have software as per the academic curriculum and these labs are equipped with updated and advanced instruments.

The students are provided internships and trainings via the Mou’s signed with several setups like the AICTE’s Intershala Scheme, Co-Cubes and RnF (for Campus placements), and ETrain India Pvt. Ltd for conducting seminars/ workshops which are Microsoft/ Adobe certified. These certifications open an arena of opportunities which are unmatched for. The campus placements (On-site or Off-site) has big giants in industry like TCS, Wipro, HCL, Fiserv, RnF, Ericsson to name a few which recruit students and they prove to be assets to the industry. In addition, memberships to several international bodies like IEEE, and National ones like CSI, ISTE, and IETE has student chapters registered under them. These open avenues which are wide and enable to enhance their technical skills. These also enable the students to showcase their talent with several non-technical events organized time to time. Not only does the department boosts of exemplary academic record but also has a MoU with Reaching Sky Foundation (an NGO) which targets the social causes and implements several programs that fall under Unnat Bharat, Govt. of India, scheme.

The department has a pool of highly qualified excellent teachers and technical staff members as per UGC/AICTE norms. The vibrancy of research programs at the department is accentuated by the high - quality publications including books, book chapters and scientific papers, research articles in highly reputed indexed journals with indexing services like SCI, SCIE, SCOPUS and Springer publications. In addition, Research projects from several govt. agencies like UGC, DST, DBT, DIT, AICTE are to the credit of the faculty members. The department also has Entrepreneurship cell (E-cell) which motivates the students to think about innovations in day to day life. To sensitize students of the department about societal issues related to women, it has an active Women-cell which conducts activities related to women and girl students. An Institution Innovation cell approved by the MHRD’s Innovation cell, Govt. of India has been bestowed upon to the institution. The department has been recognized by Department of Science and Technology with a grant approved under the FIST scheme.

**Programs of Study, Eligibility and Selection Procedure**

**Ph.D. in Computer Science & Engineering – Ph.D. (CSE)**
Eligibility:
M.Tech. / M.E. in Computer Science/IT /Computer Engineering (or in allied field), with at least 60% marks (or equivalent CGPA) in aggregate from any University/Institution recognized by the Association of Indian Universities (AIU)/UGC/AICTE.
NET-JRF / Individual Fellowship holders / Project Fellows will be given preference for admission in the Ph.D. programme.

Ph.D. in Computer Science – Ph.D. (CS)

Eligibility:
MCA / M.Sc. in Computer Science / IT with at least 60% marks (or equivalent CGPA) in aggregate from any University/Institution recognized by the Association of Indian Universities (AIU)/UGC/AICTE.
NET-JRF / Individual Fellowship holders / Project Fellows will be given preference for admission in the Ph.D. programme.

Duration: 2 years (4 Semesters)
Seats: 30
Eligibility:
Passed B.Tech./BE or equivalent degree in Computer Science/Computer Science &Engineering/Computer Engineering/ Information Technology/Software Engineering/ ICT with at least 55% marks (or equivalent CGPA) in aggregate
(OR)
MCA or M.Sc in IT/Computer Science/Information Science & Technology/Electronics/Software Engineering or equivalent degree with at least 55 % marks (or equivalent CGPA) in aggregate.
(OR)
B.Tech. / B.E. or equivalent degree in Electronics & Communication / Electronics Engineering / Electrical Engineering with at least 55% marks (or equivalent CGPA) in aggregate.

Selection procedure: Merit of the qualifying examination.

M. Tech. (CSE) with Specialization in Data Science (New Course from 2020-21)

Duration: 2 years (4 Semesters)
Seats: 30

Eligibility:
Passed B.Tech. / B.E. or equivalent degree in Computer Science / Computer Science and Engineering / Computer Engineering / Information Technology / Software Engineering / ICT with at least 55% marks (or equivalent CGPA) in aggregate.

(OR)
Passed B.Tech. / B.E. or equivalent degree in Electronics & Communication / Electronics Engineering / Electrical Engineering with at least 55% marks (or equivalent CGPA) in aggregate.

(OR)
Passed MCA or M.Sc.(CS), M.Sc.(IT), M.Sc.(Software Engineering), M.Sc.(Electronics) with at least 55% marks (or equivalent CGPA) in aggregate.

Selection procedure: Merit of the qualifying examination.

M. Tech. (CSE) with Specialization in Cyber Forensics & Information Security (New Course from 2020-21)

Duration: 2 years (4 Semesters)
Seats: 30

Eligibility:
Passed B.Tech./BE or equivalent degree in Computer Science/Computer Science & Engineering/Computer Engineering/ Information Technology/Software Engineering/ ICT with atleast 55% marks (or equivalent CGPA) in aggregate

(OR)
MCA or in M.Sc in IT/Computer Science/Information Science & Technology/Electronics/Software Engineering or equivalent degree with atleast 55% marks (or equivalent CGPA) in aggregate.

(OR)
B.Tech. / B.E. or equivalent degree in Electronics & Communication / Electronics Engineering / Electrical Engineering with atleast55% marks (or equivalent CGPA) in aggregate.

Selection procedure: Merit of the qualifying examination.

M. Sc. (Bioinformatics) (New Course from 2020-21)

Duration: 2 years (4 Semesters)
Seats: 30

Eligibility: Passed B.Tech. or B.Sc or equivalent degree in: Bioinformatics / Information Technology / Computer Science / Bioelectronics / Biophysics / Biotechnology / Biochemistry / Life Sciences, or Pharmacy, or in any allied disciplines (as decided by Jamia Hamdard), with at least 55% marks (or equivalent CGPA) in aggregate.

Selection procedure: Merit of the qualifying examination.

M.Tech. (CSE) – Part Time

This is a Weekend Programme to facilitate the enhancement of qualifications of the in-service engineers/technocrats besides the fresh candidates. Preference will be given to in-service candidates or to those having working experience. Most of the teaching-learning process of this Weekend Programme will be held during Saturdays/Sundays, but all the Semester-end examinations (Theory and Practical both, and Seminars/Project/Dissertation evaluation etc.) and all other official activities including fees submission, central library service, sports, etc. (except Teaching) will be held during weekdays (Monday to Friday) only. During the semesters with the courses like Project/Dissertation, the guidance by the supervisors will be done during weekdays and consequently the students during these Project/Dissertation courses of the semesters must be prepared to visit the supervisors for guidance during weekdays. Candidates before applying for admission must ensure themselves well aware of the above conditions. They must take care of their personal constraints well in advance. For any query/assistance in this respect, the office of the Department of Computer Science, Jamia Hamdard may be contacted.

Duration: 3 years (6 Semesters)

Seats: 60 (50 General, + 10 Sponsored, including NRI); additional 6 seats available for Foreign Nationals.

Eligibility: A candidate must have:

Passed B.Tech./B.E. or equivalent degree in Computer Science / Computer Science and Engineering / Computer Engineering / Information Technology / Software Engineering / ICT with at least 50% marks (or equivalent CGPA) in aggregate.

(OR)

Passed MCA or M.Sc.(CS), M.Sc.(IT), M.Sc.(Software Engineering), M.Sc. (Electronics) with at least 50% marks (or equivalent CGPA) in aggregate.

(OR)

Passed B.Tech./B.E. or equivalent degree in Electronics & Communication / Electronics Engineering / Electrical Engineering with at least 50% marks (or equivalent CGPA) in aggregate.

Selection procedure: Merit of the qualifying examination.
Master of Computer Applications (MCA)

Duration: 2 years (4 Semesters)  
Seats: 60 (50 General + 10 Sponsored, including NRI); in addition to these seats, 06 seats are available for Foreign Nationals.

Eligibility:  
Passed BCA/ B.Sc./ B.Com./ B.A. with Mathematics at 10+2 level or at Graduation Level.  
Obtained at least 50% marks in the qualifying Examination.

Selection procedure: Merit of the qualifying examination

Duration: Four years (8 Semesters).  
Seats: 240, inclusive of seats reserved for NRI / sponsored candidates; additional seats are available for Foreign Nationals.

Eligibility:  
A candidate seeking admission to this program must have passed Senior Secondary (12th / Intermediate) examination with Mathematics and Physics compulsory, and one subject out of the following: Computer Science, Chemistry, Electronics from CBSE or any other Board recognized by JamiaHamdard as equivalent thereto, securing at least 50% marks or equivalent CGPA in aggregate.

Selection Procedure: Selection will be based on merit in Paper-1 (B.E. /B.Tech.) of JEE (Main) 2020.

In case the seats remain unfilled, JamiaHamdard may admit candidates on the basis of merit of qualifying examination or the merit of internal test and/or Interview conducted by JamiaHamdard which will be announced separately, if situation arises.

Duration: Four years (8 Semesters) for each programme.  
Seats: 60, inclusive of seats reserved for NRI / sponsored candidates; additional seats are available for Foreign Nationals.

Eligibility:  
A candidate seeking admission to this program must have passed Senior Secondary (12th / Intermediate) examination with Mathematics and Physics compulsory, and one subject out of the following: Computer Science, Chemistry, Electronics from CBSE or any other Board recognized by JamiaHamdard as equivalent thereto, securing at least 50% marks or equivalent CGPA in aggregate.
Selection Procedure: Selection will be based on merit in Paper-1 (B.E. /B.Tech.) of JEE (Main) 2020.

In case the seats remain unfilled, JamiaHamdard may admit candidates on the basis of merit of qualifying examination or the merit of internal test and/or Interview conducted by JamiaHamdard which will be announced separately, if situation arises.

B. Tech. Computer Science and Engineering (Artificial Intelligence)

Duration: Four years (8 Semesters).
Seats: 60, inclusive of seats reserved for NRI / sponsored candidates; additional seats are available for Foreign Nationals.

Eligibility:
A candidate seeking admission to this program must have passed Senior Secondary (12th / Intermediate) examination with Mathematics and Physics compulsory, and one subject out of the following: Computer Science, Chemistry, Electronics from CBSE or any other Board recognized by JamiaHamdard as equivalent thereto, securing at least 50% marks or equivalent CGPA in aggregate.

Selection Procedure: Selection will be based on merit in Paper-1 (B.E. /B.Tech.) of JEE (Main)-2020

In case the seats remain unfilled, JamiaHamdard may admit candidates on the basis of merit of qualifying examination or the merit of internal test and/or Interview conducted by JamiaHamdard which will be announced separately, if situation arises.

Bachelor of Computer Application (BCA) / B.Sc. (IT)

Duration: 3 years (6 Semesters)
Seats: 180

Eligibility: A candidate must have:
Passed Senior Secondary (12th Standard/Intermediate) examination with Mathematics as one of the passed subjects from CBSE or any other Board recognized by JamiaHamdard as equivalent thereto, securing at least 50% marks or equivalent CGPA in aggregate.
(OR)
Passed Senior Secondary (12th Standard/Intermediate) examination with Commerce background having one paper Accountancy or Business Mathematics, securing at least 50% marks or equivalent CGPA in aggregate.

(OR)
Passed Senior-Secondary (12th standard/intermediate) examination having one Theory paper Computer Science / Multimedia and Web Technology / Information Technology securing at least 50% marks or equivalent CGPA in aggregate.

Selection Procedure: On the basis of merit of first five subjects in the qualifying examination.

Lateral Entry to 2nd Year in B. Tech. (CSE)

Seats: Upto the maximum of 10% of the “approved intake” plus unfilled vacancies of the first year (if any).

Eligibility: A candidate seeking admission to B.Tech (CSE) lateral entry must have passed Diploma Engineering in Computer Science and Engineering/ Information Technology/ Electronics and Communication from a recognized institution/university securing at least 50% marks or equivalent CGPA in aggregate.

Selection Procedure: The admission will be on the basis of merit of the qualifying examination.

Lateral Entry to 2nd Year in B. Tech. (ECE)

Seats: Upto the maximum of 10% of the “approved intake” plus unfilled vacancies of the first year (if any).

Eligibility: Passed Diploma examination with at least 50% marks in appropriate branch of Engineering and Technology.

Selection Procedure: The admission will be on the basis of merit of the qualifying examination.

General Note:
“Equivalence” of degrees/certificates or nomenclature or about subject area/specialization, the decision of JamiaHamdard will be final. For this, JamiaHamdard may ask for further documents from the candidates which they have to produce on or before the date prescribed by the university authority. For any foreign degree, equivalence of the degree is required to be issued by AIU.
School of Humanities & Social Sciences

This School offers programs in humanities and social sciences. The School consists of the Department of Islamic Studies and Center for Federal Studies.

School Level Programme

Peace and Conflict Studies is an interdisciplinary programme of the School. It broadly aims to provide students advance expertise in the theoretical postulates of peace and conflicts besides case analysis. The programme draws upon the collective academic expertise of Centre for Federal Studies and Department of Islamic Studies.

M. A. in Peace and Conflict Studies (New Course from 2020-21)
Duration: Two Years (4 Semesters).
Seats: 25
Eligibility: 45% marks in aggregate in the Bachelors examination recognized by the Statutory Bodies of India.
Selection Procedure: On the basis of merit determined by marks in the respective qualifying examination (up to 4th semester for 3 year programme).

Department of Islamic Studies

This is one of the oldest departments set up by the late Founder-Chancellor, Janab Hakeem Abdul Hameed Saheb, which later provided the base for establishing Jamia Hamdard in 1989. The department is widely known for its original contributions in the fields of Islamic Studies. It offers BA (Hons), M.A and Ph.D. programmes. The B.A (Hons) and M.A programmes have been designed to help students to specialize in the domains of Islamic Sciences of Knowledge, besides promotion of interdisciplinary understanding especially in the fields of social sciences. The subsidiary and compulsory papers of BA (Hons) have been prepared keeping in mind requirements of the present times. The purpose is to give a thorough knowledge of contemporary subjects such
as Sociology, Political Science, Economics. Islamic Economics, Banking and Finance, Computer Applications, Arabic and English languages and others.

One Year Diploma programmes are specifically designed to provide grounded knowledge to students in Islam and Interfaith Relations, and Arabic language.

The M.A Islamic Studies programme also focuses on issues like Ijtihad, the Islamic position on multiculturalism, dialogue between religions and civilizations, knowledge in the Islamic perspective, and problems faced by the Muslim community in India and abroad. M. A in Sufism provides exhaustive analysis of peace, ethics, theology, Sufi traditions and orders, Bhakti movements, composite cultures, shrines, major writings etc.

The main thrust of research in the Department is in the areas which have critical relevance to the contemporary Muslim world with special reference to Indian Muslims. These include subjects related to the socio-economic, religious and political problems of Muslims in India, contribution of Muslims to different walks of life, issues related to misunderstandings about Islam and Muslims, the impact of Islam on India and vice-versa, the contribution of Indian Muslim scholars and noblemen, translations of outstanding works by Muslim scholars including Muslim scientists, ulama and sufis. Within the broad parameters of the Holy Qur’an and Hadith, research in Islamic Studies is based on, and guided by the modern methodology of knowledge formations.

B.A (Honors) Islamic Studies

Duration: Three years (6 Semesters)
Seats: 25
Eligibility: A candidate must have passed the Senior Secondary (12th Standard/ Intermediate) examination conducted by the Central Board of Secondary Education, or any other examination recognized by Jamia Hamdard, securing at least 45% marks in aggregate. Knowledge of Urdu is essential. Alternatively, he/she should have passed Alim from state Madrasa Board or should have Alimiyah degree from Madrasas recognized by Jamia Hamdard, securing at least 45% marks.

Note: Candidates applying for B.A (Hons.) Islamic Studies are advised to read the list of Madrasas/Boards/Institutions recognized by Jamia Hamdard as mentioned in General Information and Admission Guidelines. It is further to be noted that the admission of Madrasa students with Alimiyat and Fazilat degrees is restricted to only B.A (Hons.) in Islamic Studies henceforth.

However, above eligibility is subject to any amendments and modifications made by the university from time to time.

Selection procedure: On the basis of merit of first five subjects in the respective qualifying examination.

M.A Islamic Studies

Duration: Two years (4 Semesters)
Seats: 15 (Inclusive of reserved seats for NRI/Sponsored candidates), Additional seats are available for Foreign Nationals.

Eligibility: Candidate must have a Bachelor’s degree in Islamic Studies or related disciplines (Theology or Arabic or Urdu or Persian) with at least 45% marks.

Note: Candidates applying for M.A in Islamic Studies are advised to note that the admission of Madrasa students with Alimiyat and Fazilat degrees is restricted to only B.A (Hons.) in Islamic Studies henceforth.

However, above eligibility is subject to any amendments and modifications made by the university from time to time.

Selection procedure: On the basis of merit determined by marks in the respective qualifying examination (upto 4th semester for a 3 year programme).

M.A in Sufism (New Course from 2020-21)
Duration: Two Years (4 Semesters)
Seats: 25.
Eligibility: 45% marks in aggregate in the Bachelors examination recognized by the Statutory Bodies of India or Fazil/Fazilat degree from Madrasas recognized by Jamia Hamdard.

Selection Procedure: On the basis of merit determined by marks in the respective qualifying examination (up to 4th semester for 3 year programme).

One Year Diploma Programme in Islam and Interfaith Relations (UG Level Programme) (New Course from 2020-21)
Duration: One Year (Two Semesters)
Seats: 25.
Eligibility: Candidate must have passed the Senior Secondary (12th Standard/Intermediate) examination conducted by the Statutory Bodies of India or has passed Alim/Alimiyah degree from Madrasas recognized by Jamia Hamdard, securing at least 45% marks.

Selection Procedure: On the basis of merit determined by marks in the respective qualifying examination.

One Year Diploma Programme in Arabic Language (UG level programme) (New Course from 2020-21)
Duration: One Year (Two Semesters).
Seats: 25.
Eligibility: Candidate must have passed the Senior Secondary (12th Standard/Intermediate) examination conducted by the Statutory Bodies of India or has passed Alim/Alimiyah degree from Madrasas recognized by Jamia Hamdard, securing at least 45% marks.

Selection Procedure: On the basis of merit determined by marks in the respective qualifying examination.
Ph.D. Islamic Studies

Eligibility and selection procedure: Candidates shall have a Master’s Degree in Islamic Studies with at least 55% marks in aggregate or its equivalent Grade ‘B’ in the UGC 7-point scale.

NET-JRF/Individual Fellowship holders/Project Fellows will be preferred for admissions in Ph.D. programs

Centre for Federal Studies

The Centre is

- a member centre of the prestigious international Association of Centers for Federal Studies (IACFS).

- exclusively dedicated to advance studies, researches and teaching on the dimensionalities of federal nation building in multicultural comparative settings.

- to develop alternative paradigms of knowledge

Over the years Federal Studies as an independent academic discipline has matured as a doctrine of

(i) State and nation building
(ii) Noncentralized/decentralized governance
(iii) Empowerment and welfarism
(iv) Rights and,
(v) Peace and conflict resolution

The contemporary focus of Federal Studies is on the promotion of interface and policy studies on ‘human capital and natural resource management’ from the perspective of federalism. It is being
planned and developed as a principal knowledge instrument for shaping the future of mankind in the 21st century. It is unconventional in nature and scientific in temperament. It bridges the traditional divide between natural sciences and social sciences.

**Mandate:**

(i) To develop as an exclusive knowledge resource centre and to grow as internationally acclaimed resource repository on various dimensions of federal nation-building in India and other multicultural and diverse polities of the world, particularly Euro-American and South Asian polities.

(ii) To convert academic studies into pragmatic policies i.e. to provide policy alternatives, and

(iii) To popularize federalism as grand design of living together. Centre has unique knowledge repository on micro themes of Indian federalism, democracy, polity and society Centre has also developed its own data bank on select themes of Indian polity and society.

(iv) To promote blended/fusion studies particularly in the fields of Politics and Economics and other applied systems of knowledge.

**Areas of Advance Studies and Research**

- Comparative federalism
- Interstate comity
- Federal power sharing
- Working of coalition system
- Environmental management and ecological concerns of development
- Public Policy and Governance (Design Specific) Studies
- Sectoral analysis of state policies including science, technology, natural resources and public health
- Decentralization, development and empowerment
- Human rights, inclusive growth and development of socio-economically marginalized groups
- Federal accommodation of identities
- Globalization and global governance
- Indian Government and Politics
- Working of the Union Model of Indian Federalism
- Social/Regional Movements
- Public Finance and Economic Management of Taxes and Resources
- Local Self-Government
- Election Studies

Methodologically the Centre promotes interdisciplinary and interface studies on above mentioned themes. It prefers case specific, simulated and guided modes of teaching and research.
Programs of study:

Five Year Integrated/ Blended Degree Programme in B.A (Hons.) and M.A in Politics and Economics (New Course from 2020-21)

Uniquely developed and designed programme aims to develop a rigorous and analytical understanding among the students in the applied and core dynamics of Politics (Political Science) and Economics. Needless to mention that twenty first century social sciences are moving fast towards an inter/trans/multidisciplinary studies of the complex process of decisions and policy making. It requires a blended application of the unique and critical strengths of each discipline. Intrinsically related disciplines coalesce to produce an effective and integrated perspective to a common problem. Political Science and Economics are two correlated disciplines which are distinctively engaged in deconstructing THE PUBLIC.

Design

1. It is five years (10) Semesters) integrated programme. After successful conclusion of three years (06 Semesters), students will have option to exit the course with a degree in Bachelor of Arts ( Hons.) in Politics and Economics.
2. In the fifth year of the course, students will have option to elect advance specialization either in the field of Politics or Economics. This will be reflected in his/her degree.

Seats: 50.

Eligibility: Admission will be offered on the basis of merit of first five subjects in the qualifying examination (i.e. plus two level) conducted by statutory bodies/boards of India.

M.A (Public Policy and Governance) (New Course from 2020-21)

Essentially a research based programme, course has been designed in a manner as to promote inter-disciplinary perspectives/or multidisciplinary studies of public policy governance in comparative settings with advance specialization (elective) in different policy sectors of India. Most significantly, designed course seeks to train students and stakeholders in the fields of policy designs and governance models. Departing from usually followed quantitative approach, present course lays significant emphasis on qualitative measures of policy analysis, paradigm development and concepting data into grand theory of public policy and governance.

Duration: Two Years (4 Semesters)
Seats: 25
Eligibility: 45% marks in aggregate in the Bachelors examination recognized by the Statutory Bodies of India.
**Selection Procedure:** On the basis of merit determined by marks in the respective qualifying examination (up to 4th semester for 3 year programme).

**M.A (Human Rights)**

Designed to develop critical understanding of the theories and practices (national and international) of human rights, the programme uniquely blends intellectual strengths of social sciences, law, and science and technology. Students are also encouraged to do internships in the premier institutions and NGOs engaged in the protection, promotion and development of human rights in India.

**Duration:** Two Years (4 Semesters)

**Seats:** 25

**Eligibility:** 45% marks in aggregate in the Bachelors examination recognized by the Statutory Bodies of India.

**Selection Procedure:** On the basis of merit determined by marks in the respective qualifying examination (up to 4th semester for 3 year programme).

**M. Phil. (Federal Studies)**

**Seats:** 25

M.Phil is a pre-Ph.D but a separate programme. Candidates for admission to M.Phil. programme shall have a Master’s Degree in the major disciplines of Social Sciences/ Federal Studies such as Political Science, International Politics, Economics, Public Finance, Public Policy, Governance, Regional and Development Studies, Geography, Sociology, Public Administration, Human Rights, Law, Comparative Politics and other allied disciplines, or a Professional degree declared equivalent to Master's degree by the corresponding statutory body, with at least 55% marks in aggregate or its equivalent grade ‘B’ in the UGC 7-points scale.

**Selection criteria:**

M.Phil programme shall be for a minimum duration of two consecutive semesters/ one year, including course work and to a maximum of four consecutive semesters/ two years.

Selection will be based on performance in interview and previous academic record as per the following.

School of Management & Business Studies

This School consists of the following Departments and programs of study:

1. Department of Management
2. Department of Healthcare & Pharmaceutical Management
3. Department of Hotel Management and Catering Technology
4. SMBS Entrepreneurship Cell
5. Department of Entrepreneurship, Innovation and Management

The Department of Management Studies was established in the year 1998. Ever since its inception, the department has aimed at broadening the outlook, strengthening the skills of future managers and to develop the personality of the students. Due to the core competencies of the faculty the department has a made a name for itself, both among industry erudite and intelligentsia. The degree awarded is a master’s degree with specialization in General Management. In the year 2014, the Bachelors Program of BBA was initiated. So far this has been a well received program. In 2016, Department of Healthcare & Pharmaceutical Management was started. Further, in 2019, Department of Hotel Management and Catering Technology and in 2020, Department of Entrepreneurship, Innovation and Management have been established. The pedagogy involves combination of the theoretical concept with practical application. This is achieved by discussing the latest developments in management thinking and their applications in the Indian context.
through case studies, club activities, seminars, Guest lectures and Industrial tours. The students are encouraged to overcome the limitations of classroom education by attending club activities twice a week. The club activities provide a platform for polishing the communication and presentation skills. During the club session, students make individual presentations on recent happenings in the areas of management. They also organize Management Fests, Biz-Quiz, Debates, Ad-mad shows etc. through which learning becomes a pleasant experience. In order to have interaction with the corporate world, the MBA Programme incorporates guest lecturers as part of its curriculum. The department invites guest speakers from the industry to interact with the students and give insights in contemporary issues and developments.

*The School is well endowed with intellectual capital and field experience with both senior and young faculty members who have plenty of research experience behind them and extensive industry experience in the domain of General management, International Business, Commerce, Healthcare, Pharmaceuticals, Hotel management and Entrepreneurship & start-ups domains.*

**Placements and Internships**

Placement/Internships activities are coordinated by a placement cell headed by a Training and Placement Officer, comprising of selected student representatives and faculty members. This includes both summer internship as well as final placements.

**Programmes of study and selection procedure**

**BBA (Bachelor of Business Administration)**

**Duration:** 3 years/6 semesters  
**Seats:** 150  
**Eligibility:** 10+2 from any recognized board with 50% marks.

**Selection Procedure:** The admission to the BBA programme will be on the basis of merit of the first five subjects in the qualifying examination.

**Integrated MBA Programme (BBA-MBA Integrated Programme with exit option after 3 years)**

**Duration:** 5 years/ 10 semesters  
**Seats:** 60
Eligibility: Passed 10+2 examination or equivalent in any discipline from a recognized board/Institution with at least 50% (fifty percent).

Selection Procedure: The admission to this programme will be on the basis of merit of the first five subjects in the qualifying examination.

The student will have exit option after sixth semester. In such cases the candidate will be awarded BBA degree.

Bachelors of Hotel Management (with Food Processing)

Duration: 4 years / 8 semesters

Seats: 50

Eligibility: Passed 10+2 examination or equivalent in any discipline from a recognized board/Institution with at least 50% (fifty percent).

Selection Procedure: The admission to this programme will be on the basis of merit of the first five subjects in the qualifying examination.

BMS (Bachelor of Management Studies)

Duration: 3 years / 6 semesters

Seats: 60

Eligibility: 10+2 from any recognized board with 50% marks.

Selection Procedure: The admission to the BMS programme will be on the basis of merit of the first five subjects in the qualifying examination.

B.COM (H) (Bachelor of Commerce)

Duration: 3 years / 6 semesters

Seats: 60

Eligibility: 10+2 from any recognized board with 50% marks.

Selection Procedure: The admission to the B.Com programme will be on the basis of merit of the first five subjects in the qualifying examination.
MBA (General Management)

EMINENT FACULTIES FROM THE INDUSTRY
Hamdard Institute of Legal Studies and Research (HILSR)

Hamdard Institute of Legal Studies and Research (HILSR) was established by the Academic Council of Jamia Hamdard, and Board of Management registered with and approved by Bar Council of India (BCI) in 2018. With the introduction of B.A.-L.L.B, 5 years integrated course, in the first academic year 2018-19, the school recorded admission from different parts of the country for 120 seats. For the second academic year, 2019-20 the school has again filled all the 120 seats.

Aim and objectives

The aim of school of law is to train students in legal profession by developing skills, competence, philosophies, and ideologies for creation and maintenance of just society. It is to enhance human sensibilities in order to make responsible lawyers. The objective of the course is to equip students with sufficient knowledge of the historical and sociological background of the country’s legal system and to promote multi-disciplinary analysis of socio-legal issues. The course-structure has been successfully designed and teaching methodologies are adopted by competent faculty members, in order to facilitate learners towards understanding, interpretation and demand of the dynamic global challenges, to inculcate students with the operative legal rules; both substantive and procedural, to provide them with adequate experience for application of these rules, and to impart knowledge of the foreign legal system for adoption of universal and comparative approaches. The methods of teaching include classroom lectures, open discussions, discussions on the judgments, seminars, tutorials, presentations to help and improve communication skills of the
students, and moot court training for better understanding of legal concepts and their applications. School of Law aims to become a platform for imparting legal education and cutting-edge research in the country. The principal objective of the school is to cultivate among its students a critical thinking and to promote research in an inter-disciplinary manner.

The School of Law has the distinction of the following infrastructure and facilities:

• Smart Classrooms
• Moot Court room with a capacity of 200 chairs.
• A well-stocked and computerised library.
• Computer Lab with internet facility.
• Legal Aid Clinic
• Common Rooms (a) General Room (b) Boys (c) Girls

Course Offered:

B.A.-L.L.B (Bachelor of Arts and Bachelor of Law) Integrated Course

Seats: 120
Duration: 5 Years / 10 semesters
Eligibility: Passed 12th (10+2) standard examination from any government- recognised board with minimum of 50% marks.

Selection Procedure: Selection to B.A.-LL.B Degree programme will be based on merit in CLAT 2019. Non-CLAT candidates may also apply, however CLAT-2020 candidates will be preferred. Non-CLAT applicants may be considered only if suitable number of CLAT 2020 candidates is not available, or there is delay in CLAT result. If situation arises, Non-CLAT applicants will be selected on the basis of merit in the first five subjects in the qualifying examination.
School of Education, Training and Empowerment

Jamia Hamdard Residential Coaching Academy (JHRCA) was established in September, 2009 under the aegis of Ministry of Human Resource Development, Government of India and funded by the University Grants Commission. The main thrust of the Coaching Programme is to prepare candidates from the Minority community along with SC/ST and Women candidates to compete and secure jobs in Government and Public Sector Units. Academic support and guidance along with personality development interventions are emphasised at the Academy for holistic development of candidates to face the stiff competition for entry into various services.

Infrastructure and Facilities
The Coaching Academy is located in the main campus of Jamia Hamdard at Hamdard Nagar, New Delhi. Necessary infrastructures such as class rooms, library, offices, computer lab etc. are properly available to cater to the requirements. The contextual and required lectures and interactive sessions are conducted by qualified and competent resource persons, drawn from respective fields and expertise. The coaching program, spread over a period of 10 months, is rigorous and intensive. Regular written Tests are conducted to evaluate the performances of the Candidates. In addition, personality development of the candidates is emphasized by personal support and guidance. Regular interactive sessions with successful Civil Servants are also being conducted for the candidates. Group discussions and debates among candidates are encouraged to develop communication skills.

Library
There is a dedicated Library for the candidates of the Academy. Newspapers, periodicals, books and notes for civil services are available in the library. The library is kept open for 20 hours a day on all days of the week. Candidates can also avail the facilities at the Central Library of the University.

Hostel
Hostel facility is provided to all admitted candidates on sharing basis. Hostel rooms are equipped with all the basic amenities. Mess facility is open to all the residents of hostel on payment. As washing of cloths is not allowed in the Hostel, the Candidates will have to pay the laundry charges, separately the hostel facilities would be provided for a period of ten months only.

Stipend
Under the Project, 20% of the selected candidates would be awarded with stipend of Rs. 2,000 per month. The criteria for selection are based on merit cum means of the candidate. For securing the stipend the Applicants have to produce the income certificates of their parents, duly issued either by the Tahsildar (revenue officer) of their Block or Mandal or by their employer, only. The stipend
will be given for a period of ten months which will commensurate with the stay in the hostel. However, a candidate will be eligible for stipend only for one term of his/ her stay in the Academy.

**Admission Process**
The Academy will screen and scrutinise the applications on specific parameters, as mentioned in paragraph 5 below, and only short listed candidates would be called for written test. Those who qualify in the written test would be called for Personal Interviews and final selection for admission. The written test and interviews will be held at Jamia Hamdard, New Delhi.

**Eligibility**
The Applicant must have completed graduation i.e. BA/BSc/B.Com/B.Tech/ B.Pharm or equivalent examination from any recognized University of the

School of Open and Distance Learning

One of the key concepts in the right to education is access: access to the means to fully develop as human beings as well as access to the means to gain skills, knowledge and credentials. Distance education is an instructional delivery system that allows students to participate in an educational opportunity without being physically present in the same location as the instructor. The rapid growth in the number of distance education courses and programs has had a profound impact on the ideas and beliefs about teaching and learning.

There has been a significant growth in the area of open & distance education around the world. Open and Distance Learning (ODL) mode of education has been recognized as one of the effective tools of educationally empowering those sections of the society, which could not afford to join the formal on-campus education due to various reasons. As a result it is an effective tool for non-formal education. Presently, ODL institutions are not only imparting education as an alternative to the formal system but also making effective contribution in areas, such as vocational and technical education and even in high technology based education. The distance education also has potential to reach to un-reached and even marginalized and excluded groups of the society such as tribal populations and Muslim women. Open and distance education provides an opportunity to students for acquiring new knowledge and skills that are needed for their development. Jamia Hamdard being in education for a long time has taken initiatives to offer an opportunity to those students who are unable to get on-campus education and those who have limited access to educational resources.

The School of Open and Distance Learning (SODL) of Jamia Hamdard was established in 2004 to promote education through open and distance learning system. Its flexible and innovative methods of education endeavor to ensure ‘independent learning’ to anyone, anytime and anywhere. ODL programmes of Jamia Hamdard also envisage to provide an opportunity to girls from Muslim community, who by and large have been left out by the national educational endeavors.

Jamia Hamdard’s study programmes under ODL are selective and customized to meet the learning requirements of knowledge seekers as well as to ensure that they learn at their own pace and convenience. Within the financial means of Jamia Hamdard, due care has been taken to keep the cost of education low, so that educationally backward sections can take advantage of Jamia Hamdard programmes through ODL mode. This goal in view, the SODL of Jamia Hamdard has made concerted efforts to offer professional and job oriented courses with regular updates of curricula and study material and introduction of tools of Information Technology. Transaction of the curriculum is effected by means of specially prepared materials in the form of Self Learning Material (SLM) which are delivered to the learner at their doorstep through various media such as print, audio/video tape, CD-ROMs, etc. A technological medium replaces the interpersonal communication of conventional classroom based education which is between the teacher and learners.
Jamia Hamdard offers education through ODL mode in few selected programmes where Jamia Hamdard has tremendous strength. The courses are designed and developed with views to prepare a cadre of manpower with requisite knowledge and professional skills so that they can effectively function in the globalised economy, which is no doubt highly knowledge intensive. In its endeavors to cater for education and training needs of different socio-economic groups, the programmes have been carefully identified to fill the contemporary gaps in available courses offered by other institutions and the market demand, and/or to provide cost-effective options to the weaker sections of the society, who are unable to reap the benefit of development due to lack of adequate education, training and skills.

Without sacrificing the quality of education, the cost of education is kept very low so that the economically deprived sections may afford to pay fees and benefit from the educational opportunity provided at the doorsteps.

Jamia Hamdard Kannur Campus

Jamia Hamdard Kannur Campus is the first constituent unit and the only one of its kind established by Jamia Hamdard, New Delhi under its ambit. The Campus started functioning in the year 2013. This campus is the dream project of late Shri E. Ahamed who was also a resident of Kannur with the lofty purpose of imparting higher education to youngsters of the region. The Campus was opened up with a view to provide quality education, to build and shape students for the competitive world. Kannur Campus is involved in various innovative programmes apart from teaching regular curriculum. These programmes have been carefully designed to provide students a clear edge in placement or further education. The Campus has excelled in all disciplines, curricular, extra-curricular and co-curricular activities. It is a young educational institute that has made a positive impact on its students, society and other stakeholders in a short period of around 6 years.

Location
Jamia Hamdard Kannur Campus is ideally located in the heart of Kannur City, which is conducive for academic, intellectual and physical pursuits. The Campus is located very near to Arakkal Palace and Kannur Cantonment and is only a few kilometers away from Kannur Railway Station, Kannur New Bus Stand, Kannur University Thavakkara Campus, and Payyambalam Beach. Kannur City was the seat of the erstwhile Arakkal royal family. It had a rich legacy of tolerance and religious harmony symbolized by the reciprocal co-existence of the Chirakkal and Arakkal royal houses. The cordial relationship between the Hindu Chirakkal family and the Muslim Arakkal family had left a great cultural legacy in the region.

Aims and Objectives
The Kannur Campus aims to build meaningful partnerships with the corporate, academic, government and social sectors that result into sustainable achievements, fulfilling the collective needs of various stakeholders and the society at large. We also offer special attention in life skill training, personality development, language proficiency and aesthetic development programmes. Kannur Campus offers the following courses:

Under Graduate courses

1. Bachelor of Arts – (BAEnglish)
   
   Full-Time Course Three-Years (6 Semesters) 60 Seats
   
   The BA English programme at Kannur Campus under the latest CBCS system as per the UGC norms comprises of a curriculum with papers and activities promoting the educational and professional demands of the present scenario. The course at various levels offers competitive exam related tutorials, skill enhancement courses and soft skill training sessions. The department promotes literary reading, creative writings, and participation in various colloquiums at national and international levels.
2. **Bachelor of Business Administration - (BBA)**

*Full-Time Course  Three-Years (6 Semesters)  60 Seats*

The BBA program at Kannur Campus provides a strong foundation in core business disciplines, helping participants to acquire the key competencies needed by all business management students at an under-graduate level in a diverse field. This undergraduate program is designed to build competencies for corporate employment or higher studies. Emphasis is on developing leadership qualities, team management, communication skills, stress management, time and crises management etc. to help students to deal with the exacting requirements of management executives. This program requires the whole-hearted involvement of the students to meet the challenges of academic schedules and assignments.

3. **Bachelor of Science in Psychology - (B.Sc Psychology)**

*Full-Time Course  Three-Years (6 Semesters)  60 Seats*

B.Sc Psychology is another important bachelor’s programme offered by faculty of Psychology. The course structure is designed to enable students to think critically and creatively investigate how human beings interact with the environment through the modalities of mind, body and behavior. The course familiarizes the students with various psychological theories and prepare them to assess the current psycho-social problems to promote a healthy society. Practical experiments in psychological lab is a specialty of this course. After passing B.Sc Psychology, students can opt for M.Sc Clinical Psychology, M.Sc Applied Psychology, M.Sc Counselling, M.Sc Sports Psychology, M.Sc Industrial Psychology, MSW, MBA & similar professional courses.

4. **Bachelor of Computer Application - (BCA)**

*Full-Time Course  Three-Years (6 Semesters)  60 Seats*

Bachelor of Computer Application (BCA) is a three-year full time undergraduate program offered by the Department of Computer Applications. Students who are keen to join IT and financial services industry can opt for this course. This degree helps the students to get a sound knowledge of computer applications with the help of which they can have the perfect launch pad for challenging careers in the field of Information Technology.

5. **Bachelor of Commerce - (B.Com with Computer Application)**

*Full-Time Course  Three-Years (6 Semesters)  60 Seats*

The B. Com. Program offered by the Department of Commerce is a three-year paraprofessional undergraduate degree program and is widely accepted by the industry, government and private sectors. The curriculum is designed to provide students the best of opportunities and a launching pad for careers as well as for higher studies in the area of Commerce and Trade. The Department nurtures holistic development of the students, to enable them to grow into all-round winners.

6. **Bachelor of Commerce - (B.Com with Finance)**
The B. Com. program offered by the Department of Commerce is a three-year paraprofessional undergraduate degree program and is widely accepted by the industry, government and private sectors. The curriculum is designed to provide students the best of opportunities and a launching pad for careers as well as for higher studies in the area of Commerce and Trade. The Department nurtures holistic development of the students, to enable them to grow into all-round winners.

**Post Graduate Courses**

1. **Master of Commerce - (M.Com with Finance)**
   
   *Full-Time Course, Two Years (4 Semesters), 40 Seats*

   The M.Com. program offered by the Department of Commerce is a two year professional post graduate degree program and is widely accepted by the industry, government and private sectors.

   **Admission criteria and Selection Procedure**

   Passed degree examination from any recognized university or any other examination recognized by Jamia Hamdard as equivalent thereto, securing at least 50% marks in aggregate. This criterion is applicable to all the above post-graduate courses offered in the campus.

**PLACEMENT CELL**

The Placement Cell of Jamia Hamdard Kannur Campus formed in 2018-19 helps in exploring placement opportunities for the students who are in the final year of the programme and are likely to graduate at the end of the academic year. The final placements at the Campus are the result of very systematic interaction with the industry and continuous career counseling of the students. The placement activity is primarily co-ordinated by the Placement Committee headed by the Convener nominated for the purpose with the help of other committee members comprising of faculties and students from various departments. Students who are in their final year and interested in availing placement support from institute will have to register themselves for placement. Those who don’t want any kind of placement support need not register themselves. Students, who fail to clear the academic exams and other formalities at the end of programme shall be removed from the placement process and hence will not be eligible for Campus placement activities. Any major disciplinary actions will terminate the student from Campus placement activities. Our Placement Cell has had another fruitful year of placements in the academic year 2019-20. Each year we invite companies and host recruitments for our students. Placement cell aims at making available quality placement opportunities for the students of the college. It acts as interface between students of the campus and various companies. A number of companies visited the campus for placements that started in the month of February. Out 40 students who have opted for placements 23 students have been selected by various companies.

General Information and Admission Guidelines

Following admission guidelines shall be adhered to while considering the candidates for admission in various programs of study at Jamia Hamdard for the academic session 2020-21

Admission to all Under Graduate programs offered by Jamia Hamdard will be made through merit in NEET (UG)/JEE (Main-Paper-I) 2020/ CLAT-2020, wherever applicable, from amongst the applicants who have applied for admission in Jamia Hamdard. In case of other programs, Jamia Hamdard may select the candidates for admission on the basis of marks obtained in the Qualifying Examination or Interview or Entrance Test or any other mode as approved by the competent authority.

- Jamia Hamdard reserves the right to consider applications from Non-NEET (UG)/ Non-JEE / Non-CLAT qualified candidates in case of non availability of suitable rank holders in a particular discipline subject to approval of the Competent Authority.

- Applications for all programs offered by Jamia Hamdard shall be accepted online through Online Admission Portal 2020. Jamia Hamdard reserves the right to accept applications for some or all programs of study offline, if required, subject to approval of the Competent Authority.

- Admission to MBBS/MD/MS programs of HIMSR shall be governed by the MCI Guidelines, which can be accessed on the MCI website.

- For programs of study governed by various councils, regulatory bodies, admissions will be carried out as per their respective guidelines.

- In the best interest of Jamia Hamdard, the Competent Authority of Jamia Hamdard, is authorized to take appropriate decision regarding admissions.

Important information and instructions

1. Applicants are advised to read carefully the contents of this Information Bulletin & Prospectus and familiarize themselves with the relevant rules governing the Admission / Entrance Test / GD / Interview /Counselling of Jamia Hamdard. They should also check all the eligibility criteria for a particular program of study.

2. Jamia Hamdard will not be responsible, if a candidate is denied admission for not fulfilling the eligibility criteria even if she/he has cleared all requisite eligibility conditions such as the Entrance Test / GD / Interview / Merit of qualifying examination and has been issued offer letter for admission to a particular Program of study.

3. Bachelor’s degree signifies that the degree has been obtained under 10+2+3 or 10+2+4 system of education or equivalent. Application Form of candidate whose qualifying examination is not recognized by AIU (Association of Indian Universities) or by Jamia Hamdard shall not be considered for admission.
4. All admissions shall be provisional. If any omission / error in the processing / verification of certificates / documents of a candidate or not fulfilling eligibility criteria etc. is detected at the time of admissions or thereafter, the University shall have the right to cancel such admission at any time.

5. Display of name of short-listed candidates on the University website / notice board and appearing in Entrance Test / GD / Interview/ Counselling, issuance of the Admit Card / Interview letter do not confer any right to a candidate to claim admission if he / she does not fulfill all the eligibility conditions prescribed by Jamia Hamdard.

6. The Jamia Hamdard takes no responsibility for any delay or failure in e-mail transmission through website of Admit Card / Interview Letter / Intimation Letter etc. or any other communication related to admission as per regulations. Candidates are encouraged to frequently visit the Jamia Hamdard website (www.jamiahamdard.edu) for information or to contact the authorized persons as shown in the Contact Details of Online Admission Portal 2020 at www.jamiahamdard.edu.

7. The Jamia Hamdard shall have the right to change / cancel the schedule of Entrance Test / Interview / GD/ Counselling and the display of list of selected candidates at any stage.

8. The Candidates who are not able to download their Admit Card (for entrance test only) must contact for the admit card from the Admission Section of Jamia Hamdard at least 2 days before the date of Entrance Test.

9. Any amendments, made in Admission Rules or in the eligibility criteria from time to time, shall be applicable to applicants seeking admission in the Jamia Hamdard.

10. If it is discovered at any stage that a candidate has made a false representation or used fraudulent means for admission or that she/he does not fulfill the eligibility requirements, she/he will not be allowed to complete admission formalities and a FIR against the candidate may be lodged. If admission has been granted to such candidate, the same shall be liable to be cancelled at any stage.

11. A vacancy, created due to the cancellation of admission in a manner mentioned above or due to any other reason, shall be filled up by the candidate on merit basis and as per rules of the Jamia Hamdard.

12. Jamia Hamdard reserves the right to ask the candidate to reappear in the Entrance Test / Interview to reassess his candidature if considered necessary.

13. Before filling the application form to any course, the applicant should satisfy himself / herself that he/she fulfills the eligibility criteria in terms of educational qualifications, age, (if applicable) or any other eligibility conditions etc.

14. Any omission/error on the part of Jamia Hamdard in preparing the merit/admission list, if detected during admission process or thereafter shall be liable to be rectified and no candidate shall claim any right for admission/continuance of admission (if admitted).

15. As per the resolution of Standing Committee to Academic Council (SC-120(AC)/JH-1/2007) all material related to admissions shall be retained for a period of one year only.
16. For admission to courses, the candidates getting supplementary/ compartment essential repeat in the qualifying examination may not be entitled to get admission. However, if and when allowed under special conditions as decided by the competent authority then the final result must be submitted by the given date or latest by 30th September in any case, if not submitted in time the admission will be cancelled by the Dean of the School.

17. For admission to courses, the confidential marks, received directly on or before the last date for receiving the mark sheet under sealed cover in the name of Controller of Examinations, Jamia Hamdard, New Delhi from the Universities/Boards where the result of qualifying examination could not be declared formally may be accepted. Such candidate shall have to submit an undertaking duly Notarized by public Notary to the effect that the Original Marks sheet/Grade Sheet of the qualifying examination shall be submitted within the stipulated time limit.

18. No candidate is allowed to pursue two regular courses simultaneously in one academic year. Dual attendance at any stage will not be permissible.

19. No employee of any government / public or private sector organization shall be admitted unless he/she submits a Leave Sanction Order with No Objection Certificate from the competent authority of their departments, covering the entire/ required duration of the course to which he/she is seeking admission.

20. The list of selected candidates for Counselling/ interview/ admission will be displayed on University website, www.jamiahamdard.edu. It is the responsibility of the candidate to keep himself / herself informed about such notices. The University shall not be responsible if a candidate fails to get information regarding his/her selection for GD, interview/ Counselling/admission.

21. In case a candidate fails to report for counseling/ admission on the date and time as stipulated, his / her claim for admission shall be forfeited and no further correspondence in this regard will be entertained.

22. Non selected candidates for admission shall not be informed. His/her application processing fee will not be refunded. Further in all cases of admission online Application Fee /Processing Fee will not be refunded in any case.

23. Candidates are required to produce the original documents i.e. mark sheets / certificate/ degrees of qualifying examination and other necessary documents and are required to submit self attested copies of the same at the time of reporting for admission. The original documents will be returned to them after satisfying about their authenticity, keeping the attested copies for the record.

24. Applicant is advised to ensure that his/her Online Application Form is correctly filled. Application Form shall be liable to be rejected in case:
   • Appropriate Fee is not paid
   • Incomplete information is provided in any respect.
   • Wrong course filled in Online Application Form
   No further correspondence shall be entertained in this regard.
25. If any discrepancy is found in the examination result of a candidate such as not fulfilling the eligibility criteria in terms of Percentage of marks or compartment in any subject or failing in the examination, the provisional admission so granted shall be cancelled by the Dean of the concerned School.

26. If a candidate fails to produce the original marks sheet/grade sheet and other documents within time frame, the provisional admission so granted may be cancelled.

27. No candidate shall be allowed to take admission to the same Course / Class which she/he has already passed.

28. No candidates shall be allowed to fill up more than eight choices in a single application form as per existing option.

29. The medium of all Entrance Tests, wherever conducted, shall be English. However, for admission to the courses where knowledge of Urdu is essential, the medium of Entrance Test may be English / Urdu or both.

30. Canvassing for admission in any form by a candidate would lead to rejection of his/her application and candidature for admission to the course.

31. The candidates once admitted shall be governed by the rules and regulations of Jamia Hamdard.

32. Jamia Hamdard has ZERO TOLERANCE for ragging. Offenders shall be dealt/punished under prescribed laws.

A. As per direction of the Honorable Supreme Court of India, the Government has banned ragging completely in any form inside and outside the campus. Whosoever, directly or indirectly, commits, participates in, abates or instigates ragging within or outside Jamia Hamdard / JH Off campus, an FIR will be lodged against him/her and he/she will be suspended or rusticated from the institution and shall also be liable to be fined to an extent of Rs. 10,000/- . In case the applicant is found to have indulged in ragging in the past or if it is noticed later that he/she has indulged in ragging, the punishment may include suspension from attending the classes, withholding / withdrawing fellowship / scholarship and other financial benefits or withholding the result, or admission can be refused or he/she shall be expelled from JH.

B. The candidates as well as their parents, at the time of admission of the students to the Jamia Hamdard, will be required to furnish an undertaking declaring that he/she will not indulge in any form of ragging.

33. Entire Jamia Hamdard is a NO TOBACCO & ALCOHOL-FREE CAMPUS. Smoking and/or consuming alcohol in the Campus is an offence. In case anyone violates shall be liable for punishment.

34. Admission completed in a particular category shall not be transferred to any other category until and unless eligible for that category as per rules of the Jamia Hamdard before the closure of admissions. A student admitted under Self Finance Scheme (SFS) category, for instance, shall not be permitted to transfer to general category until and unless he/she is eligible for General category as per rules of Jamia Hamdard before the closure of admissions. In the same way a student admitted under
NRI/Sponsored/ Foreign National category will not be allowed to be transferred to SFS/General category until and unless he/she has applied and is eligible for SFS/General category as per rules of Jamia Hamdard before the closure of admissions.

35. Jamia Hamdard has the right not to admit a candidate to a course of study even if a notification inviting applications for admission to the same has been issued due to any genuine reason or if the number of applications received for admission is less than 50% of the sanctioned intake for a particular course.

36. Admission to all the courses will be subject to recognition of the course by the concerned statutory Councils/Boards of the Government like MCI, INC, AICTE, UGC, PCI, CCIM, etc. All admission will be provisional. In case of non-approval of the course by the concerned Council / Board, the admission to the course shall be cancelled and except the processing fee the rest of the fee deposited by the candidate shall be refunded in a proportionate manner as per rules of the Jamia Hamdard.

37. Any amendments made in the Admission Rules or in the eligibility criteria by the concerned statutory Councils/Boards of the Government like MCI, INC, AICTE, UGC, PCI, CCIM etc from time to time shall be applicable to applicants seeking admission or admitted in Jamia Hamdard.

38. To maintain the good quality image of Jamia Hamdard in the public at large, students are advised to be appropriately attired in a manner befitting the status of Jamia Hamdard students, when they are on campus.

39. All the matters of dispute shall be subject to Delhi jurisdiction only.
Reservation policy of Jamia Hamdard

Applicable from the academic session -2020-21

The following reservation policy of JH will be applicable to all admissions other than the admissions in MBBS/MD/MS offered by HIMSR:

1. 50% of total seats in all programs will be reserved for Indian Muslims.*
2. 50% of total seats in all programs will be filled up by open merit.*
   *subject to fulfilling short listing criteria of each course.

Out of 1 and 2 above:

i) One seat in each program where the number of seats is more than 10 will be reserved for the wards of Jamia Hamdard Employees.
ii) Courses where the number of seats is 10 or less, no seat will be reserved for wards of Jamia Hamdard Employees, however such candidates will be given an additional 10% weightage of marks/ score obtained in Entrance Exam/ Interview / Qualifying Exam.
iii) 10% weightage in marks of Entrance Exam / Interview / Qualifying Exam will be given to following categories:
   a. Candidates passed out qualifying examination from Jamia Hamdard,
   b. Candidates passed out qualifying examination from Hamdard Public School, New Delhi,
   c. Candidates passed out qualifying examination from Rabea Girls School, Delhi.

3. 5% weightage in marks obtained in the Entrance Test/ Interview / Qualifying Exam whichever is applicable will be given to Sports Persons.

Sports persons will be considered if he/she has represented State in the National Games/ Championships (certificate from National/State Association is to be submitted) or represented India in an International meet (certificate from Ministry of Youth Affairs & Sports to be submitted). Candidates who will be selected under this category may be asked to undergo a trial conducted by the University to verify their claim. Decision of the University in this regard shall be final.

4. 5% seats in all programmes/courses will be reserved for Physically Challenged/ Physically Handicapped candidates fulfilling defined criteria.
A candidate in order to be eligible for this category should have minimum degree of disability to the extent of 40%. PWD candidates will have to submit certificate from the competent authority. Furthermore, a candidate will become eligible for the benefit under PWD category subject to his/her claim being verified by the Medical Board of HAH Centenary Hospital, Jamia Hamdard. This board will also ascertain that the physical disability is not considered as a hindrance in pursuing the Program of study that the candidate wishes to be admitted to. Decision of this board shall be final and binding.

**Only for B.Sc. (Hons.) Nursing:** 5% Disability reservation to be considered with a disability of locomotor to the tune of 45% to 50% of the lower extremity subject to his/her claim being verified by the Medical Board of HAH Centenary Hospital, Jamia Hamdard.

5. 4% weightage in marks of Entrance Test / Interview / Qualifying Exam will be given to the candidates passed out qualifying examination from School of Open and Distance Learning (SODL) of Jamia Hamdard for admission to Jamia Hamdard courses.

6. Weightage of 5% of marks obtained in the Entrance Test / Interview / Qualifying Exam whichever is applicable will be given to the SC/ST candidates.

7. Few seats in each course/ programme (except MBBS/MD/MS offered by HIMSR) may be filled up by nomination of eligible candidates by the competent authority of Jamia Hamdard. The number of nominations would be kept to barest minimum.

8. In addition, as per the directives of the HRD Ministry, two seats will be made available under supernumerary quota in Jamia Hamdard for admitting students coming from the state of Jammu & Kashmir. The seats will be available in all courses, except MBBS/MD/MS, BUMS and those courses which are strictly controlled by the respective councils.
IMPORTANT POINTS FOR PARENTS / GUARDIANS

1. Once a candidate is admitted in Jamia Hamdard to a program of study, parents should discuss with him/her the rules and bye-laws governing that program.
2. To appear in the sessional / annual / semester examination, a minimum of 75% attendance in each paper of all programs of study is mandatory. Students having less than 75% attendance will not be allowed to appear in the examination in that particular paper where they are falling short of attendance. Only 5% exemption in attendance may be given on medical ground subject to submission of a valid medical certificate for the duration of the ailment.
3. At the end of every academic session, parents are advised to check the marks sheet of their ward and acquaint themselves with his/her performance.
4. Parents are advised to visit Jamia Hamdard website, http://www.jamiahamdard.edu for important notices etc. They are encouraged to contact the concerned teacher or Dean/Head of the Department for any problem concerning the studies of their ward.
GUIDELINES FOR ADMISSION OF INTERNATIONAL STUDENTS AND SPONSORED CATEGORY CANDIDATES

(A) International Students – Foreign Nationals & Non-Resident Indians

(i) Rules framed by University Grants Commission (UGC) and notified in its website www.ugc.ac.in will be followed for deciding the eligibility and admissions of International students to various courses offered in Jamia Hamdard.

(ii) Office of Foreign Students Affairs (FSA): Jamia Hamdard has set up a separate office for foreign students affairs which facilitates the admission of international students. This section not only controls the admission of the international students but also provide necessary guidance for securing admission. All letters relating to international students will be addressed to ‘Foreign Students’ Advisor’ of Jamia Hamdard.

International Students - As per the guidelines, ‘International Students’ will include:

i) Foreign Students

Students holding passports issued by foreign countries and people of Indian origin who have acquired the nationality of foreign countries are included as foreign students.

ii) Non Resident Indians or NRI

Only those Non Resident Indian Students who have studied and passed the qualifying examinations from schools or colleges in foreign countries will be included as international students. This will include the students studying in the schools or colleges situated in foreign countries even if affiliated to Boards of Secondary Education or universities located in India, but will not include students studying in those schools or colleges (situated in India) and affiliated to the Boards of Secondary Education or Universities of the foreign countries. Students passing the qualifying examinations from Boards or Universities located in foreign countries as external students and dependants of NRI studying in India will not be included as International students. Entry level status of International students on entry to the country will be maintained.

Admission procedure for international students

1. Documents required for admission of International Students - For admission of international students at Jamia Hamdard, the following documents are required:

   (i) VISA

   All the International students will require a ‘Student VISA’ endorsed to this institution or permission from Govt. of India for joining full time courses. No other endorsement is acceptable. Students wishing to join a research program will require a ‘Research VISA’
endorsed to this institution or permission from Govt. of India. The visa should be valid for the prescribed duration of the course.

A visa is not required for NRI students. Students who are doing full time courses in some other institutions, do not require a separate visa for joining ‘Part Time courses’ provided that their current visa is valid for the entire duration of the course.

(ii) No Objection Certificate

Students do not require a ‘No Objection Certificate’ for joining professional courses. All International Students wishing to undertake any research work or join a Ph.D or M.Phil program will have to obtain prior security clearance from the Ministry of Home Affairs and the approval of Department of Secondary & Higher Education, Ministry of Human Resource Development, Government of India and this must be on the research VISA endorsed to this institution.

2. Eligibility qualifications

The qualifications required for eligibility for admission to different Courses can be checked in detail from the prospectus. Only those students who have qualified from foreign universities or Boards of Higher Education recognized as equivalent by the ‘Association of Indian Universities’ (AIU) are eligible for admission. When required, a reference will be made to AIU to check the equivalence. In case the University /Board is not included in the list, the candidate has to obtain and submit a certificate to this effect from AIU (at the address given below) by paying the requisite fee. Submission of Equivalence Certificate from AIU is mandatory for such foreign nationals.

AIU HOUSE: 16, Comrade Indrajit Gupta Marg, New Delhi 110002, India.
Phone nos.: (91) -11-23230059, (91)-11-23232429
Fax: (91)-11-23232131
E mail: aiu@del2.vsnl.net.in
Website: http://www.aiuweb.org

3. Admission of International students

Admission of all the International students will be done through the ‘International Students Cell (ISC)’ of Jamia Hamdard. Students will generally be admitted in the beginning of the course. However, students can also be admitted as transfer cases in the middle of the course from other institutes with which there is an understanding for accepting the students as transfer cases.

The admission of International students is done in two steps:

First step:
A student wishing to join Jamia Hamdard gets the information on the courses available, the eligibility requirements and admission procedure from the prospectus or the website of Jamia
Hamdard www.jamiahamdard.edu. Following this, the candidate has to register for the course of study ONLINE (Also take out the print of online registered application form).

The Foreign Students Affairs office, after getting the eligibility criteria checked and other relevant information provided, will accordingly issue a Provisional Admission Offer Letter (on payment of non-refundable advance amount of 20% of the total annual course fee). This is required to get the VISA and to complete other formalities. At this stage, if required, Telecon Interview of the candidate may also be conducted.

After getting provisional admission, the candidate should get the ‘Student VISA’/ Research VISA (as the case may be) and complete all other formalities.

Second step:
- Report to Foreign Students’ Advisor Office on or before the date of admission, as mentioned in the Provisional Admission Offer Letter.
- Get the original eligibility certificates verified.
- Pay the remaining course fee.

Jamia Hamdard also requires the students to appear and qualify the English Language Proficiency Test at the concerned school. Once this is done, the final admission is confirmed. The International students will have to pay the fees in US Dollars or equivalent in Indian rupees. Fee has to be deposited in the form of Crossed Demand Draft / Bank Pay Order, drawn in favor of Jamia Hamdard, payable at Delhi / New Delhi. The candidate can also pay the required amount of fee in the Account of Jamia Hamdard from any bank or Credit Card.

4. Remedial Course in English - It has been observed, that most of the students particularly, who come from non English speaking countries/ geographical regions are not well versed with spoken/written English up to the desired levels with which they can satisfactorily go along and pass their professional courses examinations. Due to this very fact, despite being talented, hardworking and committed to their studies, these students are not able to perform appreciably in their respective programs of study at Jamia Hamdard. To take care of this aspect, Jamia Hamdard may conduct an ‘English Language Foundation Course’ and students may be charged an additional fee for this course.

5. Transfers and change of course
An International student who has been granted admission to a particular course shall not be allowed to change the course. Transfer from one institution in India to another is also not allowed ordinarily. In exceptional cases, the ‘International Student Cell’ may permit this based on the availability of the course, eligibility rules and permission of the Competent Authority of Jamia Hamdard.
6. Government of India Scholars

International students who are awarded scholarships by the ICCR, New Delhi shall be preferred while granting admission and for hostel accommodation. Sponsored candidates from different foreign governments for training and for studies are also preferred for the same.

**Stepwise procedure for admission of International Students for full time courses:**

**Step 1:**

a) International students should apply on a separate form prescribed for Foreign nationals/NRI / Sponsored candidates.

b) The Information Bulletin & Prospectus along with Online Application Form for Foreign Nationals/NRIs may be checked on the Jamia Hamdard website www.jamiahamdard.edu. The candidate preferably has to apply/register on the prescribed form ONLINE. **He/she may also apply Offline.** For this the candidate may contact Foreign Students Advisor office.

c) The application form registration fee is required to be paid through a crossed Bank Demand Draft drawn in favor of Jamia Hamdard, payable at New Delhi. The candidate can also transfer the required amount of fee in the account of Jamia Hamdard from any bank or credit card.

**Step 2:**

Get the ‘Provisional Admission Offer Letter’ from the Foreign Students’ Advisor Office, in order to obtain the VISA (on payment of non refundable advance amount of 20% of the total annual course fee).

**Step 3:**

Submit the ‘Provisional Admission Offer Letter’ to the Indian Embassy of the respective country for obtaining the ‘Student VISA’.

**Step 4:**

Report at Jamia Hamdard for admission; Submit the below mentioned documents (in original along with the attested photo copies) and get them verified by the Foreign Students Advisor office.

a) Degree/ Pass Certificate of the qualifying examination  
b) Mark list of the qualifying examination  
c) ‘Student VISA’ in Original  
d) A photo copy of the Passport- duly attested.

*Note:* The original certificates will be returned to the students immediately after making an endorsement to this effect.

**Step 5:**

Students are required to undergo the medical fitness examination (at Jamia Hamdard hospital) and get the medical fitness certificate.
Step 6: 
Appear for the ‘English Language Proficiency Test’ conducted by the concerned Schools of Jamia Hamdard.

Step 7: 
Admission of International /NRI students will be confirmed after verification of Valid Student/Research VISA; original certificates, medical fitness test and payment of required fees. Even after the admission, at any stage if it is noted that the qualifying Degree/Certificate is not recognized by AIU, the admission of the candidate may be cancelled. Withdrawal of admissions/ refund of fees cases will be dealt as per the guidelines of Jamia Hamdard in this regard.

Step 8: 
International students who are studying for full time courses in any other institution can be given admission to Part Time courses, only if they hold a valid visa for the duration of the Part Time course. A separate visa is not required. Such students will pay the fee as applicable. Jamia Hamdard in consultation with ‘International Students Cell’ may admit such cases directly, if they meet the prescribed eligibility qualifications.

Step 9: 
Within two weeks of arrival in India, students are required to register their names with the police in the ‘Foreigner Regional Registration Office (FRRO)’ of the Delhi Police.

7. Examination and award of Degree & Diploma
The procedure for examination, payment of examination fees, issue of mark sheet, issue of passing certificates and award of degrees will be same as for the Indian students doing the same courses.

8. Financial assistance for meritorious students
There is a provision of discount in fee for the meritorious foreign students. The below mentioned criteria will be adopted:

   Fee concession will be applicable from the II year/III semester (after passing the 1st year/2nd semester) and onwards based on performance (results etc) in a particular program.

   - 25% discount in only annual Tuition fee of the concerned academic year may be provided to those foreign national students studying at Jamia Hamdard subject to the following terms and conditions:
     - 75% class attendance in the concerned academic year and 75% marks (in aggregate) in the concerned academic year or aggregate of two semester exams in a year.
     - The student must have passed all the subjects of the concerned academic year in first attempt.

   - 15% discount in only annual Tuition fee of the concerned academic year may be provided to those foreign national students studying at Jamia Hamdard subject to the following terms and conditions:
- 75% class attendance in the concerned academic year and 65% marks (in aggregate) in the concerned academic year or aggregate of two semester exams in a year.
- The student must have passed all the subjects of the concerned academic year in first attempt.

9. Withdrawal of admission

Refund of fee in case of admission withdrawal of foreign nationality students will be as per the Jamia Hamdard guidelines.

10. Attendance

It is mandatory to have 75% attendance in all subjects of the course and English Language Foundation course (if enrolled) in order to become eligible for appearing in the semester or final year examinations.

All the students will have to register for every subsequent semester along with payment of prescribed fees, there will be no automatic admission to next semester.

11. Ph.D program

International students fulfilling the minimum eligibility criteria for admission to Ph.D and preferably holding a fellowship, submit their applications online or write to the School. They may also contact the prospective supervisor or write to the Office of the Foreign Students Advisor. Applicants are advised to refer to the Ph.D Bylaws 2016 (available on Jamia Hamdard website: www.jamiahamdard.edu) before applying.

12. Discipline

The International students should abide by all the rules of Jamia Hamdard and the code of conduct as applicable to Indian students enrolled in the same courses

Currently, foreign students of the following countries are enrolled in various Programs of study in Jamia Hamdard:

2. Bhutan 11. Nigeria 20. USA
9. Libya
(B) Sponsored category candidates

Procedure for applying

1. The Information Bulletin & Prospectus along with Online Application Form for Sponsored candidates may be checked on the Jamia Hamdard website www.jamiahamdard.edu

2. Sponsored candidate should apply/register ONLINE on a separate form prescribed for Sponsored candidates. The sponsored candidates will have to submit a sponsorship letter at the time of admission.

3. The application form registration fee as per the admission guidelines (in Rupees or equivalent in US $) is required to be paid through a crossed Bank Draft drawn in favor of Jamia Hamdard, payable at New Delhi. The candidate can also transfer the required amount of fee in the account of Jamia Hamdard from any bank or credit card. This should be done well in time, so that the student is able to obtain the VISA and NOC before the due date of admission.

4. Rest of the admission formalities are same as for the other students.

Important note for International students and sponsored category candidates

- All students desirous of admission at Jamia Hamdard are required to go through the General information and guidelines 2020-21.
- Please note that the above rules and guidelines will be strictly followed. In case, there are any differences on the interpretation of rules then the opinion of the FSA will be final. Students will have to pay the revised fee, when applicable. On the points not specifically covered, the decision of competent authorities of Jamia Hamdard will be final.
- If the seats reserved for NRI/Sponsored Candidates are not filled, vacant seats will be offered to general/SFS category candidates from the merit list.
- Additional 15% of total seats are reserved for Foreign Nationals wherever applicable as per MHRD/UGC norms.
Fee Concession, Scholarships and Fellowships 2020-21

1. Students’ Aid Fund

Jamia Hamdard allocates budget under Students’ Aid Fund (SAF), which is meant for financial help of the needy students. Any student whose parents/guardians have annual income of less than Rs. 4.5 lakh is eligible for assistance from SAF, (subject to the availability) on the basis of his/her satisfactory performance in the previous year examination and other conditions as laid down by the University.

2. Fee concession for Indian students

The fee concession will be applicable from the 2nd Year/Third Semester (after passing first year/second semester examination) and onwards based on the academic performance of student in a particular course. The eligible candidates must apply for the fee concession latest by 30th September of the academic session.

1. 50% concession of Annual Tuition Fee up to 10% of the students in each course subject to merit-cum-means. The criteria will be as under:
   i) 75% class attendance in the academic year for which fee concession is applied.
   ii) The student must have secured 85% Marks (aggregate) or above in the examinations of previous academic year and passed all the subjects in the first attempt.
   iii) The income of the parent of the student must not exceed Rs. 4.5 Lakh per annum from all sources.
   iv) Student must produce a certificate of good performance as evident by the academic record. The certificate must be verified by the concerned Head of the Department and endorsed by the Dean of School.

2. 25% concession of Annual Tuition Fee up to 10% of the students in each course subject to merit-cum-means. The criteria will be as under:
   i) 75% class attendance in the academic year for which fee concession is applied.
   ii) The student must have secured 80% Marks (aggregate) or above in the examinations of previous academic year and passed all the subjects in the first attempt.
   iii) The income of the parent of the student must not exceed Rs. 4.5 Lakh per annum from all sources.
   iv) Student must produce a certificate of good performance as evident by the academic record. The certificate must be verified by the concerned Head of the Department and endorsed by the Dean of School.

Note: The competent authority may grant fee concession in exceptional cases as deemed fit, such as loss in natural calamity, death of Parents or of the single earning member of the family etc.
GUIDELINES FOR SELECTING FOREIGN NATIONALS FOR GRANT OF PARTIAL FEE CONCESSION / FINANCIAL ASSISTANCE FROM STUDENTS’ AID FUND

There is a provision of concession in fee for the meritorious foreign national students from the Students’ Aid Fund. The below mentioned criteria will be adopted:

1. The fee concession will be applicable from the 2nd year/ third semester (after passing first year / second semester) and onwards based on performance of results etc. in a particular course.

2. The eligible candidates must apply for the fee concession latest by 30th September of the academic session.

3. 25% discount in only annual tuition fee of the concerned academic year may be provided to those foreign national students studying at Jamia Hamdard subject to the following terms and conditions:

   (i) 75% class attendance in the concerned academic year.

   (ii) 85% Marks (in aggregate) in the examinations of previous academic year (if semester system, then aggregate of both the semester exams).

   (iii) Must have passed all the subjects of the examinations of previous academic year in first attempt.

   (iv) Student must produce a certificate of good performance as evident by the academic record. The certificate should be verified by the concerned Head of the Department and endorsed by the Dean of the School.

4. 15% concession in only annual tuition fee of the previous academic year may be provided to those foreign national students studying at Jamia Hamdard subject to the following terms and conditions:

   (i) 75% class attendance in the previous academic year

   (ii) 65% Marks (in aggregate) in the examinations of previous academic year (if semester system, then aggregate of both the semester exams)

   (iii) Must have passed all the subjects of the previous academic year in first attempt

   (iv) Student must produce a certificate of good performance as evident by the academic record. The certificate should be verified by the concerned Head of the Department and endorsed by Dean of the School.
# Scholarships and Fellowships

The following scholarships / fellowships are available for the students of JH. This is besides the various scholarships and fellowship schemes of the Govt. of India and Delhi Govt.

## For Students of All Schools of Jamia Hamdard

<table>
<thead>
<tr>

<tr>
<td>Prof. S.M. Yahya merit cum means scholarship</td>
<td>For a Muslim student of MBBS II yr</td>
</tr>
</tbody>
</table>

### Other scholarships that may be availed by a student of JH:
- Maulana Azad National fellowship for Minority students
- Post Graduate Indira Gandhi Scholarship for single girls child
- Post Graduate Merit Scholarship for University Rank holder
- Post Doctoral Fellowship to Women candidates
- Rajiv Gandhi National Fellowship for students with Disabilities

### Post Doctoral and Research Fellowships:
- Jamia Hamdard has instituted two research fellowships with its own resources to commemorate its silver jubilee year as institution Deemed to be University.
- Jamia Hamdard Silver Jubilee Post-doctoral fellowship – Open to all
- Jamia Hamdard Silver Jubilee Research Fellowships – Open for Research Scholars registered in Ph.D. programme of Jamia Hamdard
Fee Structure for Indian Students in Indian Rupees

Onetime Fee to be charged in 1st Year only*:

<table>
<thead>
<tr>
<th>Head</th>
<th>Indian Students (INR)</th>
<th>Foreigners and NRI/Sponsored</th>
</tr>
</thead>
<tbody>
<tr>
<td>Admission Fee</td>
<td>5000</td>
<td>US$ 150</td>
</tr>
<tr>
<td>Enrolment Fee</td>
<td>3000</td>
<td>US$ 150</td>
</tr>
<tr>
<td>Alumni Fund</td>
<td>2000</td>
<td>US$ 100</td>
</tr>
<tr>
<td>Library Deposit (Refundable)</td>
<td>5000</td>
<td>US$ 200</td>
</tr>
</tbody>
</table>

* For any kind of concession or fee waiver this amount will not be included.
* **Lateral Entry** Candidates will pay Onetime fee at the time of admission and annual fee and examination fee will be charged as per the 2nd Year/3rd Semester onwards fee of the course.

Examination Fee to be charged every year**:

<table>
<thead>
<tr>

KINDLY NOTE:
A new state of the art Mess and a fully air-conditioned girls' hostel with a capacity 400 beds is underway and shall be ready in the third quarter of 2020.

General Note for Hostel Fee

1. MBBS and BUMS Interns from next session (2020-21) onwards will be paying full year hostel fee instead of half year hostel fee. It will start with MBBS and BUMS 2016 batch onwards. Resident of 2016 BUMS/MBBS batch may vacate the hostel by the end of May 2021 if they do not wish to pay full year hostel fee.

2. NRI foreigners / MBBS seats (Air-conditioned) which go vacant in AMHR hostel will be filled by Indian students desirous of taking NRI seat. However, they may not be
charged in dollars but prevailing MBBS seat charges of AC double room i.e. Rupees 120000, to be given on first cum first basis for the academic session 2020-2021.

3. The Hostel fee shall be charged for the whole academic year. In case a candidate is allotted in the middle of academic year, the hostel charges shall be calculated at quarterly basis. Full Hostel charges shall be payable for full quarter or part thereof.

4. “In case, a student does not join the hostel, but informs the Provost Office within a week after payment of hostel fee about his withdrawal, then the hostel charges will be refunded after deducting Rupees one thousand and if he/she withdraws admission within one month joining of the hostel, fee will be refunded after deducting 25% of total amount deposited (it does not include hostel security money, laundry and mess charges). In any other case, no fee except Caution Money is refundable, which will be refunded to the hosteller after he/she has paid all dues and vacated the hostel.”

5. The above rates are exclusive of Hostel Security, Mess and Laundry fee. Mess and Laundry fee shall be intimated at the time of admission.

6. A hostler will have to deposit an amount of **Rs. 10,000/-** as Hostel Security Money (Refundable). The Security money will not be refunded if a student over stays in the hostel for more than a month after the last examination held for a particular course. Students can claim the hostel deposit within one year from the date of hostel vacation.

7. Allotment in the hostel will be for one academic year only. Allotment of Hostel for subsequent years shall be afresh and at rates as prevalent in those years.

8. The Annual Hostel Fees would be applicable for academic Session 2020-21.

9. Hostellers will have to vacate the hostel at the end of the academic session (after annual/semester examinations). Seats in the hostel would be allotted afresh to the students in the month of July when the new academic session begins.

10. Mechanical Laundry Facility is available and is mandatory for hostellers in the University. The resident will have to deposit the annual Laundry charge for washing of clothes as per rules of the University along with Annual Hostel Fee. The charges will be decided by the University every year and shall be intimated at the time of admission.

11. It will be incumbent upon the student admitted to the hostel to join the mess and pay mess charges for 5 months in advance at the rates prescribed from time to time.
12. All seats are allotted on first cum first basis **FOR ONE YEAR ONLY**. The university reserves the right to allot/ not allot seats to whosoever it deems fit. Candidates living in far off areas of Delhi/NCR shall be given preference only after allotting seats to Non Delhi candidates.

13. Jamia Hamdard Hostel bylaws will be applicable to the hostlers.

NOTE: *

1. In case of (1) in table above, the Jamia Hamdard shall deduct an amount not more than 5% of the fees paid by the student, subject to a maximum of Rs.5000/- as processing charges from the refundable amount.

2. Fees shall be refunded by Jamia Hamdard to an eligible student within fifteen days from the date of receiving a written application from him/her in this regard.
Activities & Facilities for Students

Sports and cultural activities

Jamia Hamdard has Indoor and Outdoor sports facilities in the campus. For Indoor facilities, a hall consisting of well equipped physical fitness centre/gym, two badminton courts, table tennis, carrom board and chess etc. are available with day and night facility. For outdoor facilities, Jamia Hamdard has athletic track, well maintained cricket ground, football ground and basketball & volleyball courts with proper LED lights for day and night matches.

Jamia Hamdard also organizes inter-school sports tournaments (Hamdard Sports Meet) and Literary & Cultural Events (Hamdard Fest) annually. Various inter and intra school tournaments are organized by the university throughout the year. Various teams of Jamia Hamdard also participate in sports & cultural activities in national, regional and zonal level events. Jamia Hamdard has organized zonal and national tournaments in past. The boys and girls team of basketball and volley ball participated in inter zonal tournaments organized by Association of Indian Universities. The cricket and football teams have also participated in inter-university tournaments organized by Association of Indian Universities.
NSS

National Service Scheme (NSS) is a program sponsored by the Ministry of Youth Affairs and Sports, Government of India. The NSS volunteers participate in various awareness program such as Pulse Polio Immunization camps, awareness about Hepatitis-B, DPT and BCG immunization, HIV/AIDS, STD, importance of cleanliness, illiteracy eradication program, plantation and related activities. NSS volunteers also participate in program sponsored by Delhi AIDS Control Society. NSS volunteers organize blood donation camp every year. A 15-day Special camp is organized by NSS volunteers every year in slums of Delhi for community awareness. NSS Jamia Hamdard is a member of the Red Ribbon Club which is HIV/AIDS awareness scheme sponsored by Government of NCT, Delhi. The number of NSS volunteers in Jamia Hamdard is around two hundred.

NCC

NCC is a highly reputed body and has an enormous history to take pride. In fact, NCC is always ready for the nation by serving the best of the abilities and capabilities to the people, for the people and by the people. As NCC is not just meant for military training but it has also enabled the cadets to learn several other valuable things for life such as selflessness, discipline, hard work, honesty and other leadership qualities.

We have 54 cadets, in which most of the cadets have completed B or C certification and attended various CATC, Trekking National Camp, Army Attachment and Others National Camps. NCC Jamia Hamdard also organized an Annual Conference on 30th October 2019 on “Contribution of NCC Cadets for Nation Building and Global Development”. Our cadets actively participate in Blood Donation camps, Jal Shakti Abhiyan and Swachta Pakhwada Mission of Government of India.
Hakeem Mohammed Said Central Library

The University library is among the oldest academic institutions established by the great Visionary late Chancellor Hakeem Abdul Hameed Sb. (1908-1999) in 1977 at the Tughlakabad Campus of the upcoming university. The Central library is housed in a multi-tirer round building famous for its architectural design and beautiful landscaping. It was renamed in 1992 as the Hakeem Mohammed Said Central library (acronym HMSCL) on the name of the younger brother of the founder. The Jamia Hamdard Library System consists of the HMS Central library and a number of School libraries, such as School of Pharmaceutical education and Research Library, School of Nursing Sciences and Allied Health Library, School of Unani Medical Education and Research Library, School of Chemical and Life Sciences Library, School of Humanities and Social Sciences Library, HIMSR Library and HILSR Library etc. holding good number of Books and Periodicals.

Library computerization

The library has undertaken the computerization of its house-keeping activities based on the popular propriety ILMS Libsys web opec software since 2004. Keeping in view the nature of the collection which consist of a large number of non-European printed materials, bibliographic databases in Unicode complaint standard have been developed Now, a variety of bibliographic databases, such as database for printed books, theses and CD-ROMs are available in English, Urdu, Hindi, Persian and Arabic languages. These various databases are available to be accessed throughout the campus and beyond in 24x7 format on the Intranet and Internet topography. All library members are provided bar-coded library IDs with category specific privileges for borrowing materials from any issue counter within the library system.

The RFID based circulation system has been introduced in the HMS Central library from the 2019/2020 academic session which is integrated with the already running Libsys software. This new technology will facilitate library users to check-out and check-in of library materials by themselves and save their time. The library will also benefit as this system will provide a protection against theft as well as willful misplacement of books, etc. The library is also introduced Biometric fingerprints access and Charging/Discharging control system in the Central library to facilitate real-time record of footfalls in the library. Currently, batch-wise fingerprints of students are being obtained in the library.

Library collection

The library system is well equipped with latest different Subject Books, Text Books, Reference Books, Periodicals, Magazines, Databases, Online electronic sources, etc. concerning the various courses taught in the university. The collection is distinguished for documents on bio-medical sciences, Medical sciences, Biotechnology, Food Technology, Pharmacy, Management, Information Technology, Computer Science, Islamic studies, medieval history and the traditional system of medicine (unani). ‘The six voyages of John Baptista Travernier’, published in the year 1678 is the oldest printed book available in the library collection. The manuscript section besides
a number of rare documents has the distinction of holding the only extant copy of *al-Mudkhal ila Ahkam al-Nujoom* (a handwritten book on Astrology in Arabic language) dated 3rd century of Hijri calendar (equivalent to 8th century AD). The salient features of the collection at a glance:

- Over 2 lacs books.
- Subscribing 83 current scholarly journals
- Subscribing 8 Online databases.
- 3494 Manuscripts.
- 3300 Bound volumes of journals.
- 83 Rare Books Digitized (In House).

Additionally, the following unpublished, locally created outputs generated by the research scholars and faculty members of this university are made available:

- 650 doctoral theses.
- 2500 Post-graduate dissertations.
- University publications.

**Library promotion**

The library is carrying-on two promotional exercises on the web:

- The web link captioned “University library & Information system” is hosting the web OPAC, as well as the links to various purchased and open access knowledge databases and also static information about the library sections and professional staff members.

- There is another interactive link called “Library Current Awareness Services” which carries to update information concerning new additions, notices, circulars, news relating to H.M.S. Central Library, etc.

These links can be accessed by visiting either the university website [http://www.jamiahamdard.edu](http://www.jamiahamdard.edu).
Library services

Various conventional & non-conventional services are provided to the students and scholars from 9.00 am to 9.00 pm all weekdays, timing are periodically extended during Examinations.

- Charging/Discharging of documents.
- Book Bank service.
- Inter-library loan service (through DELNET).
- Documents delivery service (DDS).
- Current awareness service (CAS)
- Electronic theses & dissertation (ETD) service.
- Short-range and long-range reference service.
- Anti-plagiarism check (through web tools Urkund).
- Library also organise Book exhibition to facilitate members to select books of their interest.
- Member of National Digital Library.
- Demonstration of commercial databases for procurement.

Lamination & Digitization activities:

The library is undertaking regular conservation and preservation activities for protecting and increasing the shelf-life of the manuscripts available in the Manuscript division. Digitization of rare printed books are also undertaken to facilitate long-term preservation as well easier global access of these valuable documents over the web. Most of these archival activities are undertaken with technical and financial supports from various government agencies, such as National Mission for Manuscripts (NMM) and National Archives of India (NAI).

Under the grants received from the National Archives of India (NAI), the library has been able to create important assets, such as installation of fumigation chambers, dehumidifiers, air-conditioners in the Manuscript division besides undertaking lamination and archival binding of hundreds of deteriorated manuscripts which have given them fresh life as well as made their consultation easier.

Moreover, hundreds of depilated rare books which could be not handled by naked hands have been given fresh life for posterity through digitization and archival binding under the NAI projects. The National Mission for Manuscripts (NMM), an another specialized body under the Ministry of
culture devoted to resurrection of old Indian arts and manuscripts has been engaged to digitize the majority of manuscript collection.

Handsome grants have been received through the UGC on the recommendation of the Inflibnet for the purpose of (i) uploading the back-files of Ph.D. theses to the Shodhganga ETD repository; (ii) purchasing of over-head scanner and server for setting-up the in-house ETD laboratory to support ongoing digitization activities.

**Academic integrity & Anti-plagiarism provisions:**

The Central library is actively involved in promoting the culture of academic integrity and honesty in research to improve and maintain quality in higher education. The Central library undertakes compulsory checking of all research papers and doctoral theses through the ‘Urkund’ software for which online link have been provided by the Inflibnet.

**Library outreach activities**

The library offers periodic orientation programmes and on-demand training programmes to access the different databases and e-resources. Training programmes for LIS students from other universities are also conducted. Lectures on current best practices in librarianship are arranged to facilitate opportunities for continuous learning and professional up-gradation to the library staff. Thematic exhibitions are also organized with a view to inform the internal as well as external customers about the richness of the collection and enhance the utilization of the library resources.
Contacts

Candidates may contact the following persons through email/phone for any information related to admission in the concerned Schools/Departments of Jamia Hamdard.
