AGENDA

1. Approval of amendments in the syllabus of MSc in Biomedical Sciences

JHIMM has proposed few additions/changes in the syllabus of MSc Biological Sciences, based on the expertise of new joined faculties in the department. Mainly there were additions in the practical part of semesters 1, 2 and 4. In addition there was also omission of 'Botany' unit from the list of compulsory paper.

Prof Absar suggested to include appropriate reading materials at the end of the syllabus. Prof SK Sharma suggested to add additional learning elements related to vaccine as this area is vital to enrich the minds of students of this particular course. Prof. Moshahid appreciated the proposal. All the members unanimously approved the suggested changes in the Syllabus.

2. Approval of names of students joined newly in the MSc Biomedical Sciences.

JHIMM presented total of 17 names of students who got admission in the MSc course and the committee unanimously approved it.
