Online Alumni Feedback- Internal Quality Assurance Cell (IQAC), Jamia Hamdard

Jamia Hamdard has pride of having a global alumni community. Alumni are ambassadors of goodwill of their alma mater. In last several years Jamia Hamdard has moved to a new orbit of excellence because of academic and research excellence achieved by its students on campus, alumni and faculty members. There is a lot more scope of improvement. We seek feedback of our alumni to help improve our academic and research standards. Moreover, this is also a way to connect to the alumni community and to explore how they can help their alma mater (Jamia Hamdard) and vice versa.

1. This survey is meant for the alumni of Jamia Hamdard.
2. All queries are compulsorily to be attended.
3. Your feedback will be helpful to the university in assessing the perception of students about institution, facilities, programmes and staff and will enable us to recognize our strengths and weaknesses.
4. Your inputs will help achieve high standards of teaching and research at Jamia Hamdard.
5. Personal Data and identify of students will be kept confidential.

- Other contribution in the developmental activities of the University.
- Provide help in getting suitable Job/Selection of suitable career.

20. Please give your suggestions for further improvement,if any. *

For Bsc-Msc integrated course, there is a thesis project subject at the end of BSc, last semester. Allowing continuing students to further that project can increase the research aptitude.

Allow B.Sc. students to work with phd students to learn about how research is done.

Allow students to change elective courses. Especially teaching maths subject for chemistry students. (For biology background students as well)
