User Manual for Credit Based Examination

Introduction

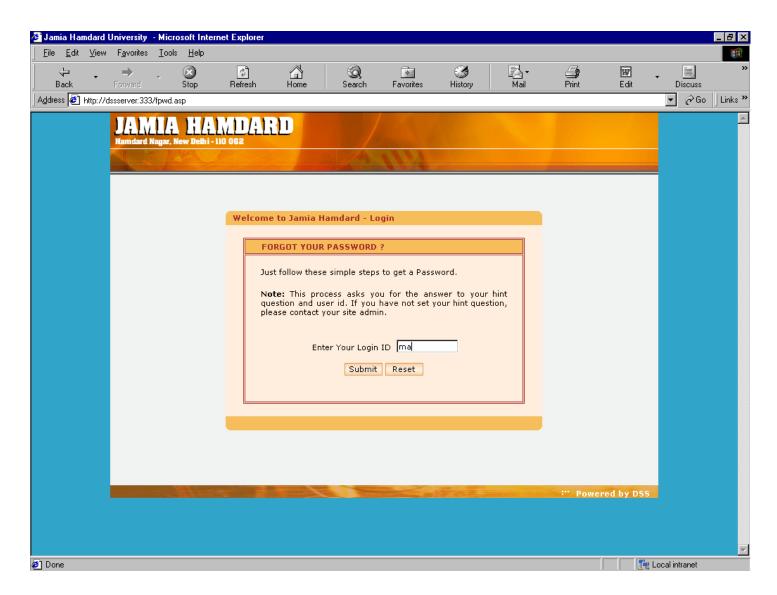

Examination Module can be accessed by 3 levels of users. The three levels of users are Exam Department, Management and Site Admin. Underneath the Exam Department there will be users like tabulator1 and tabulator2 and cross checker and underneath Management there will be users like Registrar, Vice Chancellor, Controller of Examination etc., and underneath site Admin there will be users like Examination Department's Admins.

How to Access

Entering into the appropriate URL can access the Examination module. The following screen will appear according to the type of user select the Login as from the List Box and then enter Login Id and Password

Where the User enters the **Answer** for the **Your Question** and click the **Submit** Button, it will redirect to the page where the User can view their **Username** and **Password**.

Note: If the user forgot the Answer for the Reminder Question, he (she) has to contact the Administrator to delete and create a new Profile (or User).

Once the User enters the **Username** and **Password** and click on the **Submit** button, after authenticating the User, it will be redirected to a Screen as shown below, which is referred as Main Page.

If the User is a **Site Admin** then the following screen will appear.

Depending upon the user it shows the Menu for which the user is authenticated. If the user is **Site Admin** the following Menu will appear on the Main Page with options to User Creation, Course Master, Paper Master, Batch Master, Student Master, Edit Profile. The Site Admin who can Add, Modify, Delete and View Users, Courses, Paper, Batch, and Students and can Edit his Profile

Managing the User

Click the **User Creation** hyper link in the Main Page. It will take the User to a new page with the User Name in the List Box. Select a User Name and click the **Submit** Button

Click the *Submit* button to Modify the Course details. The Course Master details will be Modified successfully.

A New Page with the message "The Course Master details have been modified successfully" will be displayed.

If the User wants to go back to the Course Master Page, click on the "Go to Course Master Page".

To Add:

Clicking on the **Add** Hyper link in the Main Page, a new page with **Flash News** will be displayed. The User has to enter the Flash News in the Text Box.

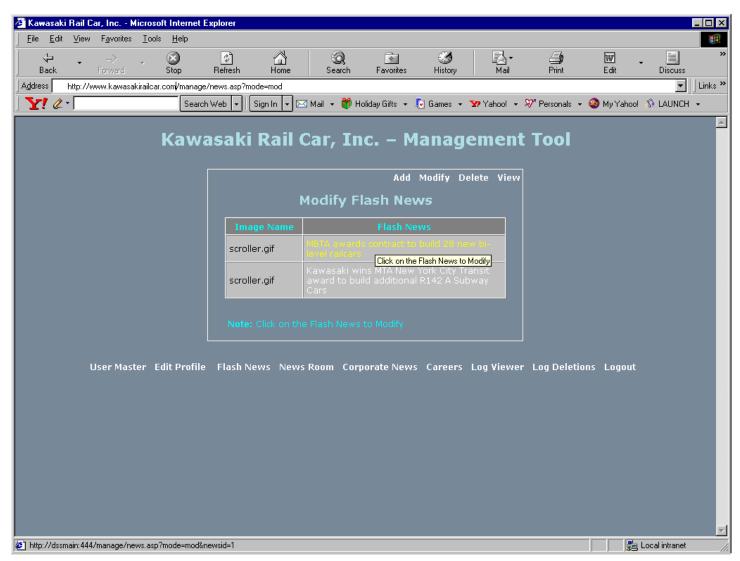

On Clicking the **Add Flash News** button, the Flash News will be inserted in the Database. A New Page with the message "The Flash News has been inserted successfully" will be displayed along with a link to upload an image for that Flash News. The user then click on the link to upload the image for the Flash News.

NOTE: If no image is uploaded for Flash News, then a standard image will be displayed before the flash news in the homepage. This process has been automated.

To Modify:

If the User wants to **Modify**, click the **Modify** Hyper link in the Main Page. Then Click on the Flash News, which has to be modified.

It will take the User to a new page with *Flash News* and the *Modify Flash News* Button. After the Modification, click the *Modify Flash News* Button, doing so it will be updated in the Database.

A New Page with the message "The Flash News has been updated successfully" will be displayed.

If the User wants to go back to the Flash News Page, click on the "Go to Flash News Page".

To Delete:

If the User wants to delete Flash News, click the **Delete** Hyper link in the Main Page. Then Click on the Flash News, which has to be deleted.

The Flash News will be deleted in the Database. A New Page with the message "The Flash News has been deleted successfully" will be displayed.

If the User wants to go back to the Flash News Page, click on the "Go to Flash News Page".

Managing the News Room:

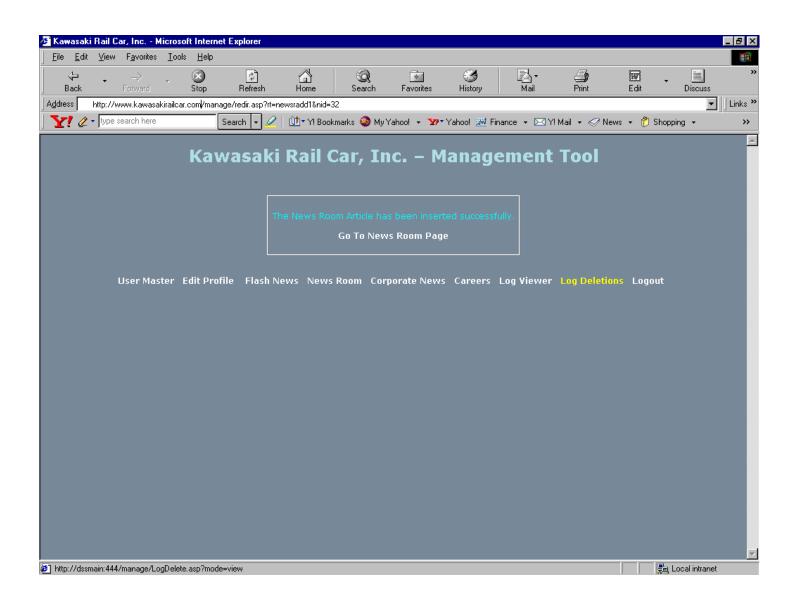

To Add:

Clicking on the **Add** Hyper link in the Main Page, a new page with **News Header, Short Content**, and **Brief Content** will be displayed. The User has to enter the data in all the three text boxes.

The user has to click on the link *Image1, Image2, Image3, Image4, and Image5* to upload the image. When the user clicks on in any of these links a small pop-up window will be displayed where the user has to select the path of the image.

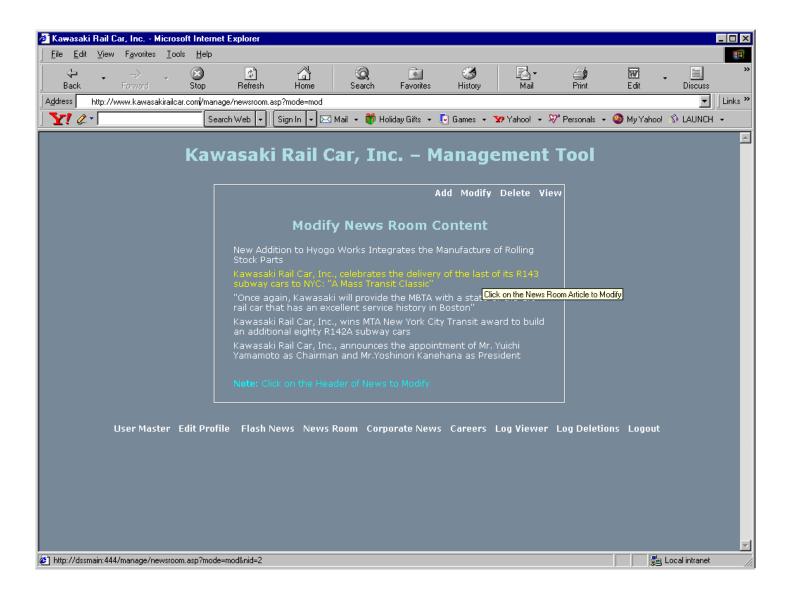

On Clicking the **Submit** button, the News will be inserted in the Database. A New Page with the message "The News Room Article has been inserted successfully" will be displayed.

If the User wants to go back to the News Room Page, click on the "Go to News Room Page".

To Modify:

If the User wants to modify, click the **MODIFY** Hyperlink in the Main Page. Then Click on the News Header, which has to be modified.

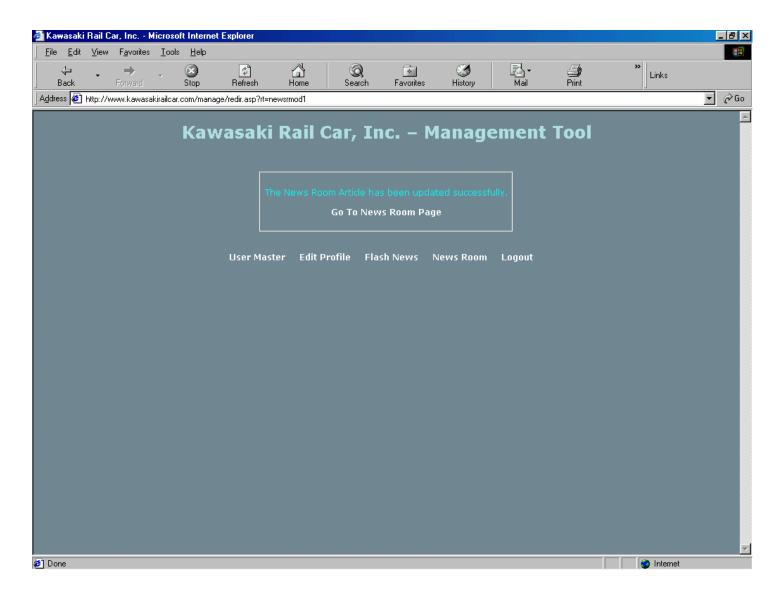

It will take the User to a new page with the Header, Short Content, and Brief Content. After the modification done, click the **Submit** Button, doing so it will be updated in the Database.
