- f) The balances under Sundry Debtors and Creditors are subject to confirmation.

No provision for Gratuity has been made in the annual accounts of the university for 2019-2020 (Previous year Rs. 120.00 lakh) as existing provision for the same is considered adequate. HIMSR has not made any provision for the same in the accounts of 2019-20.
- h) Pension is paid from pension fund, as per Central Govt. Rules and adhoc provision of Rs. 500 lakhs (previous year Rs. 625 lakhs) has been credited to Pension Fund during the year 2019-20. HIMSR has not made any provision for the same in the accounts of 2019-20.

These are entered in stock register of respective departments/projects.
- n) The University is also running some courses under Self Financing Scheme (SFS) with the understanding that the earning of these courses shall be utilized for development purposes. The accounts of these courses are maintained separately which are finally consolidated with the balance sheet of Jamia Hamdard. However, because of genuine requirement of funds for smooth running of the university, the amount of deficit (excess of expenditure over income) of these courses is made from the surplus derived from SFS courses. Deficit of general courses for 2019-20 is Rs. 117.93 lakhs.
- o) Inter unit reconciliation between Jamia Hamdard (JH) and HIMSR are subject to confirmation as these accounts have not been reconciled. The debit balances of inter unit ledger of JH & HIMSR are Rs.3897.03 & Rs.1036.00 lakhs in their respective accounts for the year 2019-20.
- p) HIMSR has shown capital grant of Rs. 2940 lakhs as receivable from Jamia Hamdard stating that Jamia Hamdard has received the same for utilization in construction of buildings and purchase of hospital equipment by HIMSR as the donation received from the Kingdom of Saudi Arabia (KSA) is meant for them. This has not been considered while merging the annual accounts of HIMSR for 2018-19 and 2019-20 as Jamia Hamdard has received donation in its own name and is meant for utilization by us.
- q) As per Agenda, item no. 60(10) of F.C., Jamia Hamdard will charge Infrastructure usages from HIMSAR i.e. 500 students @ Rs.3,00,000/- per student per year of MBBS course and 40 student @Rs.4,00,000/- per student per year of MD/MS course. **INDEPENDENT AUDITOR'S REPORT  
 TO THE MEMBERS OF BOARD OF MANAGEMENT OF JAMIA HAMDARD**

**Report on the Audit of the Financial Statements**

**Opinion**

We have audited the financial statements of **JAMIA HAMDARD** ("University"), which comprise the Balance Sheet as at March 31, 2021 and the Income and Expenditure account for the year then ended, and notes to the financial statements and other explanatory information

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give a true and fair view of the state of affairs of the University as at March 31, 2021 and its income and expenditure for the year then ended.

**Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing (SAs) issued by ICAI. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the University in accordance with the Code of Ethics issued by the ICAI and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Emphasis of Matter**

1. We draw attention to Note 1(p) of the financial statements, which describes that the fixed assets are valued at cost and no depreciation is charged thereon (except for HIMSR). However, provision for depreciation fund is made on ad-hoc basis to the extent of Rs. 50.00 lakhs for the year. We have been informed that the management is in the process of identifying and valuing all the fixed assets and the necessary financial impact for depreciation will be taken in due course once the valuation exercise is complete.
2. We draw attention to Note 1(m) of the financial statements, which describes that the balance sheet for financial year ended March 31, 2021 contain following additional balances outstanding for HIMSR in Jamia Hamdard Books. These will be adjusted/accounted for in due course after proper confirmation.

Particular	Amount
Sundry Creditor (HIMSR)	73,72,74,415
Sundry Debtors of (HIMSR)	57,92,93,410

Our opinion is not modified in respect of the above matters.

## Other matter

1. The financial statement includes the financial information/financial statements of the constituents HIMSR & HAHCH, which have not been audited by us. These constituents are audited by their auditor Aqil & Sharma Associate and their audit report dated 11.10.2021 has been provided to us. Our opinion on these financial statements in so far related to the financial information pertaining to these constituents is based solely on these audited financial information/financial statement audited by the other auditor. The auditor has further highlighted following comments in its audit report
  - a. The account of Hakim Abdul Hameed Centenary Hospital (HAHCH) have been merged in the accounts of HIMSR and consolidated statements of accounts have been drawn up.
  - b. The balance of sundry debtor, creditors and advances are subject to their confirmation and reconciliation
  - c. The balance of Rs. 29,52,00,000 (4 million USD) with Saudi Arabia (KSA) grant receivable from Jamia Hamdard is also subject to their confirmation which has been incorporated in the books of accounts on the basis of board resolution of the Jamia Hamdard, terms and conditions of the same are yet to be completed with by the HIMSR.
  - d. The Hospital is maintaining inventories of medicine and allied items for indoor patient as well as stocks at OPD pharmacy also. The valuation of these items has been certified by the management and verified by us on test basis.
  - e. Common expenditure of electricity and other utilities in relation to pharmacy have been recorded on nearest approximate basis
2. The financial statement includes the financial information/financial statements of the constituent Kannur Campus Division of Jamia Hamdard, which have not been audited by us. This constituent has been audited by its auditor PFA & Co. and its audit report dated 29.11.2021 has been provided to us. Our opinion on these financial statements in so far related to the financial information pertaining to this constituent is based solely on these audited financial information/financial statement audited by the other auditor. The auditor has given a qualified opinion on the financial information and the basis for such qualified opinion is specified as "Only current years entries in Head Office and Reserve & Surplus have been verified against the books of Head Office. However, entries prior to FY 19-20 could not be verified from the books of Head Office. The closing balance of capital account in the FY 18-19 is stated at Rs. 60,31,478. Consequently, we are unable to determine whether any adjustments relating capital entries and accumulated profits and losses of financial year prior to FY 2019-20 needs to be passed".

Our opinion is not modified in respect of the above matters.

## **Responsibilities of the Board of Management and Those Charged with Governance for the Financial Statements**

Board of Management is responsible for the preparation of these financial statements that give a true and fair view of the state of affairs, income and expenditure and receipt and payments of the University in accordance with the accounting principles generally accepted in India. This responsibility includes design, implementation and maintenance of adequate internal financial controls relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Those charged with governance are responsible for overseeing the University's financial reporting process.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the University's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
