### APPRECIATION LETTER

The global Covid pandemic has caused untold misery and suffering among the people and created an unprecedented situation for law enforcement agencies. Delhi Police rose to the challenge and its personnel were at forefront of the war against this pandemic. At this critical juncture, when there was extreme scarcity of beds in hospitals, Delhi Police decided to establish Covid Care Centres for its personnel and their family members. Sir Gangaram Kolmet Hospital, Delhi came forward to assist Delhi Police in setting up 02 Covid Care Centres with Oxygen beds at police complex in Shahdara and Rohini. Hamdard University provided paramedical staff as an extreme gesture to help police personnel to fight the Covid disease. This novel initiative became an immediate success due to the whole hearted cooperation of these institutions. Sir Gangaram Kolmet Hospital, Delhi managed these centres with professionalism and compassion.

This is to place on record my deep appreciation of the efforts of the team from Hamdard National Foundation (India) in extending medical care and assistance to the infected Delhi Police personnel. Their selfless and noble contribution has earned the enduring gratitude and respect of the entire Delhi Police family and has inspired us to continue working for the residents of the city with renewed vigour and dedication in these difficult times.

(S.N. SHRIVASTAVA)  
COMMISSIONER OF POLICE  
DELHI.
