VITTIYA SAKSHARTA ABHIYAN

(2017 – 2018)

As per direction of Ministry of Human Resources Development Govt. of India NSS Jamia Hamdard participated in campaign of VISAKA. NSS coordinator approached the teachers and persons from Bank to train NSS Volunteers for Digital Payment System. Identified teachers and Bankers trained NSS Volunteers for canvassing to the Shopkeepers for digital Payment System. NSS unit of Jamia Hamdard identified Alaknanda DDA Market to transform it into a digital market place. 100 (One Hundred) NSS Volunteers from different faculties of Jamia Hamdard along with NSS Programme coordinator Prof. Syed Mahtab Ali and NSS programme officer Visited Alaknanda DDA market which is very close to Jamia Hamdard University. They visit Market regularly till they covered all the shops/establishment of the market. NSS Volunteers convinced shopkeepers for the purchasing of POS Machines for cashless payments. They also convinced Shopkeepers to use Mobile Banking and various other Modes of Cashless business. It is matter of pleasure that by the efforts of NSS Jamia Hamdard University Alaknanda Market became more than 90% digital, and hope very soon it will be change into 100% digital Market.

NATIONAL CADET CORPS

National Cadet Corps (NCC) is a highly reputed body and has an enormous history to take pride. Infact, NCC is always ready for the nation by serving the best of the abilities and capabilities to the people, for the people and by the people. As NCC is not just meant for military training but it has also enabled the cadets to learn several other valuable things for life such as selflessness, discipline, hard work, honesty and other leadership qualities.

We have 54 cadets, in which most of the cadets have completed B or C certification and attended various CATC, PM rally, Army Attachment and Others National Camps. NCC Jamia Hamdard also organized an Annual Conference on 30th October 2019 on “*Contribution of NCC Cadets for Nation Building and Global Development*”. Our cadets actively participated in Covid 19 duty, Nukkad Natak, Swachta Pakhwada program of Government of India at Red Fort.

Vision: Empower volunteer youth to become potential leaders and responsible citizens of the country.

Mission: To develop leadership and character qualities, mold discipline and nurture social integration and cohesion through multi-faced programs conducted in military environment.

AWARENESS TO BAN SINGLE USE PLASTIC

(September 2019)

Five years ago, Hon'ble Prime Minister of India made a clarion call for Swachh Bharat Mission on 2nd October 2014. On 15th August 2019, the Prime Minister made another clarion call to the nation to achieve a plastic waste free India. In continuation of this call NSS Unit, Jamia Hamdard organized an Awareness Program to ban single use plastic and spread awareness not to use Plastic utensil/Bags like Plastic cups, Glasses, Polythene bags etc with less than 50 micron thickness. The event was attended by Jamia Hamdard's Pro-VC Kamal Ahmad, Registrar S S Akhtar, SDMC Central Zone Deputy Commissioner Aman Gupta among other senior officials.

"Jamia Hamdard has become the first plastic-free university in Delhi and entire NCR. During a 'Swachhta Pakhwara' event held on its campus, it was declared today that the entire campus including all canteens, shops, coffee houses and hostels have become plastic-free from today itself," the SDMC said in a statement.

"Henceforth single-use plastic items like bottles, cups, glasses and other items, polythene bags and plastic items less than 50 microns (in width) have been banned. Hence, nobody can use these items for any purpose on the campus," the SDMC statement said. The Chairman Canteen and Shops Committee of the institution, Sayad Mehtab Ali has issued a notice to this effect which states that "violators will be slapped a fine of Rs 500 on every violation," it said.

During the 'Swachhta' fortnight's valedictory function, 9000 students took a pledge to not use plastic items in the university and use bags made of jute and cloth instead, the SDMC said. The use of plastic is detrimental to the environment and human body. Keeping this in view the university has taken an important decision to ban plastic in the university, Ahmad was quoted as saying in the statement. "The decision to ban plastic items including single-use plastic taken during Swachhta Pakhwara signifies that the university understands the need of the hour. This will go a long way in bringing appreciable improvement in environment," Gupta was quoted as saying in the statement. He said the decision is in accordance with Prime Minister Narendra Modi's vision to shun single-use plastic.

Jamia Hamdard itself has banned use of single-use plastic items in its meetings and has been carrying out various events to raise awareness on the issue.

GREEN MENSTRUATION DRIVE AND OATH TAKING
(2017 – 2018)

The Green Menstruation Drive and oath-taking were successfully organized by School of Unani Education and Research and NSS at Jamia Hamdard under the aegis of Society of Menstrual Disorders & Hygiene Management.

Prof Dr Ahmed Kamal, Pro-Vice-Chancellor, Jamia Hamdard was the chief guest of the ceremony who highly appreciated this path-breaking initiative of SMDHM as the University supports a plastic-free campus.

Dr Neha Gupta, founder Vice President, Society of Menstrual Disorders & Hygiene Management and Associate Professor, Department of Obstetrics & Gynaecology, HIMSR has sensitized faculty members and young undergraduate girls from School of Unani Medical Education & Research and School of Nursing about the health and environmental hazards due to single-use disposable sanitary products. She informed that India's annual menstrual waste is estimated at 1,13,000 tonnes where a single woman can generate up to 125 kg of non-biodegradable waste. She created awareness about environments friendly, safe, and sustainable options like reusable sanitary cloth pads and Menstrual cups by means of presentation & videos.

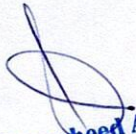

Dr Suhail Fatima, Dean, School of Unani Medical Education and Research (SUMER) took the pledge along with 20 faculty members and more than 150 female undergraduate students.

Dr Arpita De, Assistant Prof OBG, HIMSR and faculty from SUMER took an active part in the programme. Everyone took an oath to care for mother earth by switching to greener sanitation options during the menstrual cycle.

Prof S. Mahtab Ali also sensitised the students about their responsibility towards maintaining the Menstrual Hygiene.

Society of Menstrual Disorders & Hygiene Management has made a record by registering in India Book of Records for conducting this 'Green menstruation conversion in maximum women at multiple places' on 5th March'2020. Green menstruation drive is an initiative aimed at spreading awareness around safe and sustainable menstruation practices. More than 8,000 women from across 45 locations in India came together to take this pledge. The following activities were organised in the program -

1. Awareness Session
2. Educational Video
