CIRCULAR

Subject: Load shedding during Summer 2024 at Jamia Hamdard Campus, Hamdard Nagar, New Delhi

It is informed to all concerned that due to increase in the electricity power load because of the extensive use of air-conditioners, and frequent breakdowns/tripping's are happening in the campus which is adversely affecting the teaching-learning process.

The BSES officials after attending the complaint has advised the Jamia Hamdard to rationalize the power consumption. Hence, it has been decided by the University Administration to observe the load shedding during day time (office hours) on working days as per the schedule of load shedding/power cut for smooth operation of all activities.

Location	Schedule/Timing
All the Hostels' AC Load	From 10:00 am to 01:00 pm & From 02:00 pm to 04.00 pm
M/s. Sun Pharma Power Load	From 10:00 am to 01:00 pm & From 02:00 pm to 04.00 pm
M/s. BD Group Power Load	From 10:00 am to 02:00 pm
HIMSR Building AC Load	From 10:00 am to 02:00 pm
AC Load of all Schools, Deptt. except Labs., Boardrooms, and other important areas	From 10:00 am to 01:00 pm

All users are requested to cooperate and take conservation measures to save electricity. It is further requested to maintain a room temperature between 25°C - 26°C of air-conditioners and switch-off the power supply of unused areas to save energy.

This issues with the approval of the Competent Authority.
