About: Pharmacy Council of India

The Pharmacy Council of India (PCI) is a statutory body established under the Pharmacy Act of 1948. The Pharmacy Act 1948 was enacted on 4.3.48 with the following preamble- "An Act to regulate the profession of pharmacy. Whereas it is expedient to make better provision for the regulation of the profession and practice of pharmacy and for that purpose to constitute Pharmacy Councils". It is responsible for regulating and overseeing pharmacy education and practice throughout India. The main objectives of the Pharmacy Council of India include:

- Regulation of Pharmacy Education in the Country for the purpose of registration as a pharmacist under the Pharmacy Act
- Regulation of Profession and Practice of Pharmacy
- Regulation of all certifications through the Education Regulations framed under the Act, which covers approval of institutions imparting the education of Pharmacy in India
- The Setting and maintaining high standards of pharmacy education and training. Promotion of research and development in the field of pharmacy
- Accreditation and recognition of pharmacy institutions and courses.
- Monitoring and enforcing pharmacy laws and regulations to safeguard public health and safety

Pharma Anveshan 2024

About: Jamia Hamdard

The history of Jamia Hamdard begins with the establishment of a small Unani clinic in the year 1906 by Hakeem Hafiz Abdul Majeed, one of the well-known practitioners of Unani System of Medicine of his time. He gave the name “Hamdard” to his venture which means “sympathy for all and sharing of pain” . His illustrious son, Hakeem Abdul Hameed, carried forward the philosophy and objectives of Hamdard in independent India.

Jamia Hamdard was inaugurated by Late Shri Rajiv Gandhi on August 01, 1989. In his impressive speech, the Prime Minister lauded the efforts of Hakeem Abdul Hameed in setting up institutions of learning which were emerging in the form of a “Deemed to be University” . Jamia Hamdard was conceived as a seat of higher learning in Unani Medicine, Islamic Studies, Biosciences, Pharmacy, Over a period Jamia Hamdard has emerged as an outstanding institution of higher learning with distinct and focused academic programmes.

About: School of Pharmaceutical Education & Research (SPER)

The School of Pharmaceutical Education & Research (SPER), formerly Faculty of Pharmacy which was established as Hamdard College of Pharmacy in 1972, is one of the most prestigious institutions of Pharmaceutical Education in India with global standards and has been ranked as No. 1 amongst National Institutions Ranking Framework (NIRF) -2019, 2020, 2021, 2022 and at No. 2 in 2023 by the Ministry of Education, Govt. of India. The School recently celebrated its glorious fifty years of existence. The School is approved and recognized by Pharmacy Council of India (PCI). The SPER continues to build on its rich history and tradition of excellence by offering quality Pharmacy education in India.
